Gallagher	O'Toole, (Pres't)

Absent:—Mr. Leonard.

Mr. Demmler presented

No. 3694.

September 24, 1941.

The Honorable, The Council
of the City of Pittsburgh.
Gentlemen:

Bill Nos. 3665 and 3666, authorizing funds and contracts for the laying of bituminous materials and bases therefor for the repairing and treatment of highways in various locations throughout the City, have been referred to this Department by the Committee on Finance with the request for an opinion as to the effect of the amendment striking out the word "Improved" appearing

in original ordinances in relation to the word "highways."

In discussing this matter with the Works Department, we find that the word "improved" was used by that Department in order to indicate that these were highways which had been built by unemployment relief funds and were not regularly improved highways of the City of Pittsburgh. It is obvious that the amendment striking out the word "improved" was prompted by a desire to avoid any possibility of an argument thereafter in connection with assessments upon the final improvements of the streets.

In view of the fact that the striking out of the word "improved" does not in any way impair the scope of the work contemplated by the Department of Public Works, and in view of the fact that such striking out avoids a possible ambiguity, it is the opinion of this Department that the bills as amended are in proper form.

Very truly yours,

ANNE X. ALPERN,

First Asst. City Solicitor.

Which was read, received and filed.

The Chair took up

Bill No. 3665. An Ordinance entitled, "An Ordinance providing for a contract or contracts for the laying of bituminous materials and bases therefor for the repairing and treatment of highways in various locations throughout the City, and for the payment of the cost thereof."

MOTIONS AND RESOLUTIONS

Mr. Weir arose and said:

Mr. President—"The present Selective Service Act has extended the length of

time for those eligible for military service to a possible maximum of 2½ years. Among those eligible are a number of city employes, whose pension status is vitally affected by this Act.

"I believe that, in reciprocation for the sacrifices and service extended to their country, the city government should be placed on record as favoring a concession to those city employes in the military service, in the form of an amendment to the pension laws or by city ordinance.

"For example, if a young man who had been on the police or fire department for say two years were drafted and forced to serve, say two years, in the service, I favor counting those two years as having been served in the employ of the city also. Accordingly he would not lose those two years from his pension status. In order to clear the issue as to its legality, I move

"That the City Solicitor advise Council as to the legality of the proposal and what legislation would be required to permit the crediting of the term of military service of a city employe toward his length of service with the city, or reducing the time required for

pension by the length of time spent in the military service."

Which motion prevailed.

Mr. Demmler moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Duff on September 8 and 15, 1941;

Mr. Evans on September 29 and 30, 1941;

Mr. Kilgallen on September 15, 1941;

Mr. Leonard on September 10, 15, 16, 22, 23, 24, 29 and 30, 1941;

Mr. Wolk on September 22 and 23, 1941;

Mr. O'Toole (President) on September 2, 3, 8, 10, 15, 22 and 29, 1941.

Which motion prevailed.

Mr. Gallagher moved

That the Minutes of Council of Wednesday, September 24, 1941, and Monday, September 29, 1941, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

President O'Toole called Mr. Wolk to the Chair, and taking the floor said:

Mr. President:—At a time when great complications exist in all parts of the world, and many countries are engaged in serious combat—probably I am making a mountain out of molehill. However, I wish to be recorded as voting against Bill No. 3796, an ordinance changing the name of West Carson street to "Steel City Boulevard."

I am familiar with the old song, "Don't Tear Down the Stars and Stripes," and the song "Nor Change the Name of Arkansas." This change of street name is not a case of that kind. I have no particular brief for the name West Carson street, and if the name causes confusion, it might well be changed, but this name seems to me to be out of place. It looks like somebody just reached out and grabbed a name. A rose by any other name smells just as sweet. So does an onion.

A name should mean something to the object to which it applies. The name "Steel City Boulevard" might be applied to any improved highway of magnitude in the City of Pittsburgh. It seems that we can find a name for West Carson street that will have some identity with that neighborhood. There have been enterprises on that street that marked the early days of Pittsburgh that flourished and disappeared. Families of pioneers settled along this thoroughfare. Why not name the street in honor of one of these enterprises or one of the early settlers in the district?

From time to time demands have been made upon public officials to recognize outstanding civic services by naming some public street or public works in

their honor.

Taking all these facts into consideration, I hate to see a name applied to this street which might well describe the whole city. I believe, if a change is to be made in the name of the street, it should bear a name that aptly describes some activity that has a historic value.

Because the new name has no merit as it relates to that street, I propose to vote No on the ordinance.

Mr. Weir arose and said:

Mr. President:—I voted in committee to return this ordinance to Council with an affirmative recommendation because it had been recommended by the Local Postal Authorities and the name change later approved by the petitioners. I have no objection to any other name. Mr. Kilgallen arose and said:

Mr. President:—I think it is a nice name. When I first heard it, it sounded pleasant in my ears. I am going to vote for it.

Mr. Leonard arose and said:

Mr. President:—Although I voted in committee last week to return the ordinance to Council with an affirmative recommendation, this is the first time that I have had an opportunity to give it careful consideration, having been out of the city during the early discussion of the subject. I agree with Mr. O'Toole that another name aptly descriptive of the district should be given the street. Further study should be given the matter, and for that reason the ordinance should be returned to committee.

Mr. Evans arose and said:

Mr. President:—I want to be recorded as voting in favor of this ordinance. I remember as a farm boy coming to Pittsburgh looking for a job, I saw an ad in the newspaper for an office boy and all answers were to be made to a post office box address. I immediately went to the post office, looked through the glass covering of the box and saw the name of the firm wanting an office boy. This firm was in the foundry business on West Carson street—I believe it was then known as the Painter Steel Works. I lost no time going to this company's place of business. I secured

the job, it being my first position in the City of Pittsburgh. I shall never forget that experience. The firm manufactured iron and steel and was among several other iron and steel works located on Carson street. Therefore, this new name "Steel City Boulevard" is befitting the neighborhood, reminding newcomers that many steel plants were located on the street. The name is traditional, historic and appropriate.

Mr. Gallagher arose and said:

Mr. President:—Before voting on the motion, I want to make a few remarks. If you are looking for a name for this street, I think the name should be O'Hara, named after the owner of the first glass factory which located on Carson street in 1856.

Mr. Leonard moved

That the bill be recommitted to the Committee on Public Service and Surveys.

Upon which motion the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Demmler	Weir
Gallagher	Wolk
Leonard	O'Toole (Pres't)
Weir	

Noes:—Messrs.

Evans	Kilgallen

October 23, 1941.

President and Members,
City Council,
City of Pittsburgh.

In Re: Bill No. 3705.

Gentlemen:

At the meeting of the Committee on Finance held Tuesday, October 21, 1941, the above Bill No. 3705, "A Resolution transferring the sum of \$2,500.00 from Code Account No. 1361, Miscellaneous Services, Department of Lands and Buildings, to three other accounts in the same department," was affirmed, subject to report from the Budget Controller.

This bill in its original form provided for a transfer of \$1,500.00 and at the meeting of the Committee on Finance, held Tuesday, October 21, 1941, this bill was amended to read, "\$2,500.00," for the reason that the Director stated in his letter of transmissal, that in addition to the original request for a transfer of \$1,500.00 for elevator and motor repairs, it is now necessary additional

funds in the sum of \$1,000.00 be provided in order to repair the heating plants in No. 28 Engine House and No. 2 Police Station; and to purchase tree ornaments and a Christmas tree for display in the corridor of the City-County Building; and for the purchase of flags and bunting for decorations for Armistice Day; and for the purchase of mop tanks and push carts for the North Side Market, and for the purchase of 200 bags of salt to be used around City owned buildings in freezing weather.

A thorough investigation has been made as to the necessity for this transfer and it is my opinion, funds should be provided for the purposes set forth, and would, therefore, recommend this bill be passed.

Respectfully yours,

RICHARD NEFF,

Budget Controller.

Which was read, received and filed.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Leonard
Duff	Weir
Evans	Wolk
Gallagher	O'Toole, (Pres't)
Kilgallen	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also

MOTIONS AND RESOLUTIONS

Mr. Wolk presented

No. 3882. The most important date in American history is July 4th, 1776, when it was announced to the world that all men are created free and equal and they are endowed by their Creator with certain inalienable rights, and among those are life, liberty and the pursuit of happiness.

There cannot be any happiness in life without freedom and liberty, but no democracy can exist by the mere announcement to the world of principles and ideals of human relationships. The founding fathers recognized that liberty and freedom would disappear unless they were guaranteed in no uncertain words and those words had the sanction of law. At the very first session of the first Congress a resolution was adopted submitting to the several State Legislatures the first ten articles of amendment to the Constitution of the United States. These amendments are known as "The Bill of Rights," and the ratification of the amendments by the required number of States was obtained when Virginia approved the amendments on December 15, 1791. And

to Americans, December 15, 1791, should be a date next in importance in our history to that of July 4, 1776.

American Democracy cannot exist without freedom of religion, freedom of speech, freedom of the press, freedom of assembly and freedom to petition the government for redress of grievances. These are five foundation stones that support the temple of democracy and are contained in the first amendment.

Among other provisions of the Bill of Rights which are no less important are: that no soldier in time of peace be quartered in our homes; that we have the right to be secure in our homes against unreasonable search and seizure; trial by jury; the right to compensation for private property taken for public use, and the prohibition against excessive bail, fines and punishments.

Never in the history of mankind did a greater necessity exist to reaffirm the principles of the Bill of Rights than today. December 15, 1941, the 150th anniversary of the ratification of the Bill of Rights, should be an occasion for every city, town and hamlet in the United States to participate in the cele-

bration of this very significant event in our history.

The Congress of the United States, by appropriate resolution, has designated December 15, 1941, as "Bill of Rights Day." Nation-wide celebrations by schools, veteran and other civic groups, labor unions and churches of all creeds are being organized to fittingly commemorate this most significant event in American history. Therefore, be it

RESOLVED, That the Mayor of the City of Pittsburgh be empowered to appoint a committee of public-spirited citizens to make the necessary arrangements for participation by the City of Pittsburgh in the celebration of "Bill of Rights Day" on December 15, 1941.

Which was read.

Mr. Wolk moved

The adoption of the resolution.

Which motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, October 20, 1941, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Evans moved

That the Council endorse the proclamation of the Mayor setting aside and declaring the week of November 17 to 23, 1941, as Art Week.

Which motion prevailed.

Mr. Weir arose and said:

Mr. President:—In a recent meeting of the Finance Committee I brought up the subject of reclaiming from the City's refuse certain articles of value in an effort to lower the total cost of collection and disposal of refuse.

Meanwhile it has come to my attention that the requirements of National Defense have created an additional demand for these articles, as well as raising their price.

We should determine as quickly as possible whether such things as glass and metals can be profitably collected for sale without interference with incineration, and the best means of doing this.

It is our duty to the Nation as well as the taxpayers of Pittsburgh to find the answers to these questions at once.

Mr. Weir moved

That the President of Council

appoint a committee to meet promptly with the Mayor and the Director of Public Works, and to report back to Council, on the subject of reclaiming from the City's refuse certain articles of value.

Which motion prevailed.

And the Chair appointed as members of the special committee, Messrs. Weir, Evans and Demmler.

The Chair announced

The appointment of a special committee, consisting of Messrs. Gallagher, Leonard and Weir, to investigate and report generally, with recommendations, the matter of collection and disposition of garbage and rubbish within the City of Pittsburgh, and particularly but not limited to the question of methods and schedules of and equipment used in collections, the efficiency and adequacy of the incinerator plant, the disposition of incinerator ash and the installation of methods and equipment to collect and salvage refuse material of value.

Mr. Weir moved

That the Minutes of Council for Monday, November 3, 1941, be approved.

Which motion prevailed.

And upon motion of Mr. Leonard,

Council adjourned.

No. 3977.

November 17, 1941.

President and Members,
City Council,
City of Pittsburgh.

Gentlemen:

At the meeting of the Committee on Finance, held November 12, 1941, Bill No. 3928, "A Resolution transferring \$91,700.00 to various code accounts in the Bureau of City Refuse, was amended and affirmed to read "\$35,000.00."

The following motion was adopted in relation to this bill,

"That the Budget Controller be directed to confer with Director Roessing for the purpose of ascertaining the necessity for the employment of extra men and for the employment of the usual employes on extra hours for the purpose of collection of garbage and rubbish."

Bill No. 3187, affirmed July 1, 1941, increased the number of Drivers from 93 to 120, and the number of Helpers from 225 to 275.

This increase in number of Drivers and Helpers was necessary to provide for additional shifts for days lost on account of inclement weather and holidays, and to provide proper collection service.

There are 82 trucks in service, and it is estimated by the department that with this amount of collection equipment, a portion of which is in service for a second shift at night, requires the equivalent of 960 truck hours per day to collect the amount of garbage and rubbish available.

In order to provide such service, it is claimed necessary by the department that they employ the Drivers and Helpers on a 10 hour per day basis, since this is the most efficient way to man the trucks for the amount of truck time required.

Experience over the first year of operations has developed this requirement.

The added cost will amount to approximately \$55,500.00 over the amount appropriated for wages this year. In addition to this added cost, transfers to other accounts, other than to wage accounts in the Bureau of City Refuse, was made from the last quarter appropriation amounting to \$31,500.00.

Director Roessing is of the opinion that the service being rendered at the present time by the number of men employed and including extra hours is necessary and should be continued.

Respectfully yours,

RICHARD NEFF,

Budget Controller.

Which was read, received and filed.

Mr. Leonard arose and said:

Mr. President:—What effect has that on the bill?

Mr. Gallagher arose and said:

Mr. President:—In answer to Mr Leonard, I wish to state that reference of the report to the special committee has no effect on the bill which has just been read. The bill will come up in the regular order, and can be passed today.

Mr. Leonard said:

Mr. President:—Before acting on Bill No. 3928, I want to make a few remarks. I don't want to be construed as opposing the reference of the report of the Budget Controller to the special committee.

On the ordinance, I want to be recorded as voting NO, and my reason for doing this is: the Director of the Department of Public Works was asked to appear before the Finance Committee last week to explain why this amount of money was needed for this so-called deluxe collection service, and as yet the Director of Public Works has not appeared to furnish this explanation.

Because of the lack of this information, I shall be obliged to vote NO on the ordinance.

Mr. Gallagher said:

Mr. President:—This bill is to provide sufficient money to pay the wages of drivers in the Bureau of Refuse for the period ending November 15th. If this bill is not finally passed today, the men will not be paid.

The Budget Controller's report has

reference to the amount of money needed for the remainder of the year. That's why I asked that the report be referred to the special committee to determine the amount of money required for the remaining part of 1941.

As soon as the special committee has considered the matter, we will make a report to Council.

And the resolution was read a third time and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler

Duff

Evans

Gallagher

Kilgallen

Weir

Noes:—Messrs.

Leonard

O'Toole, (Pres't)

Ayes 6. Noes 2.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also, with an affirmative recommendation.

Bill No. 3919. Resolution authorizing the issuing of a warrant in favor of John G. Rieland and Margaret Rieland, his wife, 7163 Verona boulevard, Pittsburgh, Pa., in the sum of \$800.00 in full settlement of their claim against the City for damages to their property at 7163 Verona boulevard, 13th Ward, Pittsburgh, Pa., sustained in the construction and improvement of Verona boulevard under a W. Mr. Evans also presented

No. 3979.

November 17, 1941.

Council of the City of Pittsburgh,
Gentlemen:

In re Bill No. 3754, an Ordinance authorizing and directing the grading of the northeasterly sidewalk of Middletown road, from Berry St. to Straka St., which was referred to the Law Department for a report as to whether it lies within the power of Council to pass an Ordinance providing for such an improvement, I report as follows:

The power of cities to grade, pave, curb, macadamize and otherwise improve any public street or alley without petition of the abutting property owners is conferred by the Act of May 22, 1895, P. L. 105, Section 1, as amended. This statute confers upon Council authority to grade, pave, curb, macadamize and otherwise improve any public street or public alley, or part thereof.

The second section of the Act of 1895 provides as follows:

"In exercising the power aforesaid, all proceedings for the ascertaining of damages and the assessment of benefits incident thereto shall be as now provided by law in reference to payment of costs, damages and expenses of public improvements within municipal corporations."

The eighth section of the Act of May 16, 1891, P. L. 75, includes within the power of the municipality, in the improvement of a street, the power to improve the space between the curb and the property line; to-wit, that portion commonly designated as "sidewalk."

It is our opinion that the Act of May 22, 1895, was intended to confer the same authority on Council to improve streets and assess benefits without petition of the majority in interest of the abutting property holders that exists when such a petition is filed.

We accordingly believe that Council has authority to pass Bill No. 3754.

Respectfully submitted,

WM. ALVAH STEWART,
City Solicitor.

Which was read, received and filed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Kilgallen
Duff	Leonard
Evans	Weir
Gallagher	O'Toole, (Pres't)

Ayes 8. Noes none.

And there being three-fourths of the votes of Council in the affirmative, the bill passed finally in accordance with the provisions of the Act of Assembly of May 22, 1895, and the several supplements thereto.

Also, with an affirmative recommendation,

Bill No. 3932. Resolution authorizing the Mayor and the Director of the Department of Lands and Buildings, in the name of the City of Pittsburgh, to enter into and execute a lease with Dockory O. Covington for a three story brick building owned by the City and located at 11 Sachem way, Third ward, City of Pittsburgh, to extend over a period of two years, beginning December 1, 1941, and ending November 30, 1943, at a total rental of \$600.00, payable monthly in advance. Mr. Weir (for Mr. Wolk) presented

No. 3980. Report of the Committee on Public Service and Surveys for November 12, 1941, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 3943. An Ordinance entitled, "An Ordinance granting unto the Penn Overall Supply Company the right to construct, maintain and use a 36 inch concrete tunnel under and across Avon way, at a point on the northerly line of Avon way, a distance of 146 feet, 6 inches eastwardly from the easterly line of Kirkpatrick street, in the 5th Ward, City of Pittsburgh, for the purpose of carrying steam pipes between their buildings."

Which motion prevailed.

And the resolution was read a second time.

The Chair said:

Gentlemen, May I be permitted to say a few words with respect to this resolution without leaving the Chair? I am not acquainted with the provisions of Act No. 87 of 1941 which permits the Council to transfer unexpended surplus balances in Bond Funds to and for the Sinking Fund Commission. I want to know if the authority of the Act is to be given only once or can it be exercised from time to time. Will it stop the Council from making a similar transfer next year?

Mr. Wolk arose and said:

Mr. President:—You mean it only applies to this year.

Mr. Weir arose and said:

Mr. President:—Will you repeat your question?

The Chair said:

I do not raise the question in the form of objection to the resolution. I merely desire information. The authority given in the Act of Assembly permits Council to transfer these unexpended surplus balances in bond

funds to and for the use of the Sinking Fund Commission requirements. What I desire to know is, can Council use that authority once, or from time to time? There is a certain amount of money remaining in these funds now, but next year there may be a larger amount. If we pass this resolution, have we (the Council) exhausted our authority?

Mr. Duff arose and said:

Mr. President:—It seems to me if the question is not clear, that it would be well to recommit this resolution to Committee and in the meantime ascertain from the Department of Law whether Council can make repeated transfers of these funds.

The Chair said:

If there is no objection, the resolution (Bill No. 3993) will be recommitted to the Committee on Finance for further consideration, and in the meantime the Clerk will ask the City Solicitor for an opinion on the question I raise.

Also

Bill No. 3983, An Ordinance entitled, "An Ordinance levying and assessing taxes and water rents for the fiscal year beginning January 1, 1942, and ending December 31, 1942, upon all property subject to taxation within the limits of the City of Pittsburgh."

In Finance Committee, November 28, 1941, bill read and amended by inserting in blank space at the end of Section 1, the words "Twenty-two and five tenths (22.5) mills on each dollar, or two dollars and twenty-five cents (\$2.25) upon each one hundred (\$100.00) dollars of the assessed valuation of land, and eleven and twenty-five hundredths (11.25) mills upon each dollar, or one dollar twelve and one-half cents (\$1.125) upon each one hundred (\$100.00) dollars of the assessed valuation of all buildings," and as amended ordered returned to Council with an affirmative recommendation.

Resolution authorizing the Superintendent of the Bureau of Building Inspection, for a period not exceeding six months, to approve the substitution of certain materials for uses not permitted under Ordinance No. 271, Series 1930, Warm Air Heating Regulations, and Ordinance No. 308, Series 1926, as amended by Ordinance No. 346, Series 1930, Electrical Regulations, when materials permitted for such uses are not obtainable due to the demands of the Federal Emergency Defense Program and the rules and regulations of the Office of Production Management of the United States Government, and providing that, in granting such approvals, the Superintendent shall make careful investigation to establish the necessity and shall carry out to the greatest possible degree the intent and purpose of the ordinances for safe construction.

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second time.

The Chair said:

Gentlemen:—I believe the powers given the Superintendent of the Bureau of Building Inspection are too broad. If

the building code requires amendment to permit the use of the materials proposed to be used during the emergency, I would suggest that proper amendments or new ordinances permitting their use be submitted to Council in the regular order and be passed upon by Council.

Mr. Evans arose and said:

Mr. President:—It is true that it does put power in the hands of the Superintendent of the Bureau of Building Inspection which he has not heretofore had.

A conference was had with Government and City officials, including the Superintendent of the Bureau of Building Inspection, and some of his Chief Inspectors. Also at this meeting was Councilman Kilgallen and myself.

The Government officials told us what we could obtain and what we could not obtain during the period of the emergency. For that reason it was asked that the City permit, during the period of the emergency, substitute building materials. You will notice that this period is only for six months. The Superintendent of the Bureau of Building Inspection is to approve the use of substitute materials so long as they comply with building regulations and will not endanger life or property, or in any sense weaken the structure. It would be a tedious job to enumerate in the resolution all the kinds of materials that will be permitted. It is general. For instance, under the Electrical Code, BX wire is required. It is impossible to obtain this type wire, and under this resolution the contractors would be allowed to use substitutes which are equal to BX.

It is true that broad powers are given to the Bureau of Building Inspection, but I have confidence that the Bureau will not overstep the line or do anything that will be detrimental to the safety of any structure to be built or repaired in the City of Pittsburgh.

Mr. Wolk arose and said:

Mr. President:—I have grave doubts that it is legal to pass this resolution.

The Chair said:

That's the reason I called your attention to it before finally acting upon the resolution.

Mr. Leonard arose and said:

Mr. President:—Since we are speaking on the resolution at this time, I want to call attention to the fact that I, as Chairman of the Committee on Public Safety, was ignored in not being invited to the meeting at which this matter was discussed. I believe I am entitled to that courtesy as Chairman of the Committee on Public Safety.

Mr. Evans said:

Mr. President:—I would like to remind Mr. Leonard that I happened to be in the office at the time and was invited to sit in the conference. The same is true of Mr. Kilgallen. I do not believe a discourtesy was intended so far as Mr. Leonard's presence at the conference was concerned.

I might state further that this conference was called by a Mr. Warren, representing the office of the Production Management, and he called in the heads of the Bureau of Building Inspection, and it was only after they convened in conference that Mr. Kilgallen and I were called in. The matter was thoroughly discussed and all the conferees agreed to the provision of the resolution. The Superintendent of the Bureau of Building Inspection, of course, will have to use his discretion as to what materials are safe in the construction of new buildings.

Mr. Duff arose and said:

Mr. President:—I think the resolution is too drastic in that it allows unlimited discretion to the Superintendent of the Bureau of Building Inspection. I believe the matter can be better handled by incorporating in this resolution, or a new ordinance for that matter, the substitutes proposed to be allowed to be used.

The Chair said:

I think the proper thing to do is to amend the existing building laws. If the substitutes, which Mr. Evans says are equally as safe as the materials now permitted in building construction, our building ordinances are wrong and should be amended, or new ones substituted.

Mr. Kilgallen arose and said:

Mr. President:—It is true that I attended the meeting called by the re-

sponsible government and city officials having jurisdiction over this matter. The meeting was held in this Chamber, and for the first time I got the impact of this priority rating established by the United States Government as enunciated by the Office of Production Management. They had an extended meeting, and everything from nuts and bolts to the flag on the wall was discussed. They said you could not get this or that material. This was agreed to by Mr. Evans and the Building Inspectors, who are acquainted with the subject. I agreed with them and announced my support of any legislation which these gentlemen would propose. There is no other way out of the situation. As to enumerating the different items that are allowed, there are hundreds and hundreds of them, much too long to recite in this resolution. If this resolution is passed, I am confident that the Superintendent of the Bureau of Building Inspection and his inspectors will use proper discretion as to what items are safe and which are not safe. The Chair said:

Are there hundreds of items named in the building code? I do not believe they are.

Mr. Kilgallen said:

It would be difficult, Mr. President, to name all the substitutes in this resolution.

The Chair said:

If there are substitutes which are equally safe in the construction of buildings, I believe they should be allowed, and our building code ordinances amended accordingly. If our present building code ordinances are antiquated, they should be repealed, and new ones substituted. I personally do not believe it is legal for the Council to suspend our laws for six months because someone in Washington says that the materials cannot be obtained. They may have power in Washington to do that, but in Pittsburgh we don't have such power.

Mr. Kilgallen said:

Mr. President:—This is being imposed on other cities. When I say "imposed" I mean imposed.

The Chair said:

It is not imposed on this Council by

Washington, London or Berlin. It takes five votes of Council to change the law. Mr. Leonard said:

Mr. President:—Wouldn't it be the proper thing to recommit this resolution to committee for further consideration; wouldn't it be courtesy to have a hearing on it, and also obtain an opinion from the Law Department as to whether Council has power to pass such a resolution?

Mr. Leonard moved

That the resolution be recommitted to the Committee on Public Safety.

Which motion prevailed.

Mr. Gallagher presented

No. 4071. Report of the Committee on Public Welfare for November 25, 1941, transmitting two ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 4002. An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of one Davis-Bovie Electro-surgical unit complete for the Pittsburgh City Home and Hospitals, Department of Public Welfare, and for the payment thereof."

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler

Leonard

Duff

Weir

Evans

Wolk

Gallagher

O'Toole, (Pres't)

Kilgallen

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 4003. An Ordinance entitled, "An Ordinance providing for the letting of a contract or contracts for the furnishing and delivery of office furniture for the Pittsburgh City Home and Hospitals, Department of Public Welfare, and for the payment thereof."

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Leonard
Duff	Weir
Evans	Wolk
Gallagher	O'Toole, (Pres't)
Kilgallen	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

MOTIONS AND RESOLUTIONS

The Chair stated

That he would ask the members to have any legislation which should be passed, put on tomorrow's Committee calendar so that it will not die in this council.

Mr. Weir moved

That the Minutes of Council of Monday, November 24, 1941, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

Pittsburgh, Pa.
December 8, 1941.

OFFICE OF THE MAYOR

President and Members
of City Council
City of Pittsburgh
Gentlemen:

You have had before you for some weeks a resolution authorizing an appropriation of \$8,200.00 for the effective setting up of the Civilian Defense Council, and providing for the payment of the expenses incident to such organization.

In the light of the declaration of war, I trust that you will take this under immediate consideration and so modify it to provide for the appropriation of \$25,000.00 to cover the estimated amount for one year.

In view of the importance of the City of Pittsburgh, its physical plant and that of the industries which are so vital to National Defense, there should be no hesitation in assuming this item of expense.

Your immediate and favorable action thereon will, I believe, meet with unanimous public support and will be one evidence of a unity of American feeling at this time.

Sincerely yours,

CORNELIUS D. SCULLY,
Mayor.

Which was read.

The Chair stated

There being no objections, the Chair would refer the communication to a special committee on Defense, which he had appointed, consisting of Messrs. Leonard, Kilgallen and Duff.

No. 4114.

December 1, 1941.

Committee on Finance
Council of the City of Pittsburgh
Gentlemen:

We acknowledge receipt of your letter of December 1, 1941, wherein you ask that this Department advise the Committee on Finance whether the provisions of Bill No. 3993 affect a transfer of all funds to be derived from the P. W. A. Bond Issue, as supplemented by Federal grants, or whether the provisions of that Bill affect only the cash on hand.

We are of the opinion that Bill No. 3993, as drawn, affects a transfer to the Sinking Fund Commission of only the cash now on hand in Bond Funds Nos.

135 and 136. You will note that in the RESOLVED clause, it is provided "that those unexpended surplus balances now on hand, being the sum of \$269,783.74" are directed to be transferred.

With this express provision that it is the funds "on hand," in a specified amount, there seems to be no room for doubt that later Federal grants derived from the P. W. A. Improvement Program, which will be paid in the future into these Bond Funds, will not be transferred by the provisions of this ordinance, but will require other and subsequent legislation.

However, in order that there can be no doubt that it is the intent of Council to transfer only the cash presently on hand to the Sinking Fund, retaining its control over subsequent grants which may be paid by the Federal Government, Bill No. 3993 may be amended in your Committee by inserting after the last word in the RESOLVED clause the following:

Provided that the provisions of this Resolution shall not apply to other sums derived from the aforesaid P. W. A. Improvement Program and the Federal grants thereunder, which may hereafter be paid into the said Bond Funds Nos. 135 and 136.

Very truly yours,
WM. ALVAH STEWART,
City Solicitor.

Submitted by:

JOHN R. BENTLEY,
Sp. Assistant City Solicitor.

Which was read, received and filed.

Mr. Demmler moved

To amend the resolution, as recommended by the Law Department, by adding at the end thereof the words "Provided that the provisions of this resolution shall not apply to other sums derived from the aforesaid P. No. 4189.

December 22, 1941.

Committee on Finance of Council.
Gentlemen:

In re Bill No. 2955, An Ordinance appropriating and setting aside the sum of \$2,000.00 from Public Welfare Relief Bonds No. 154, Series 1940 for the purchase and payment of materials for making machine models for teaching defense engineering by the Museum Extension Project, which was given an affirmative recommendation subject to a report from the Law Department that the appropriation is charged to the proper bond fund, I report as follows:

It is the opinion of the Law Department that the appropriation set forth in Bill No. 2955 may be properly charged to Public Welfare Relief Bonds No. 154, Series 1940. These bonds were provided for in Ordinance No. 273, approved June 13, 1940, and among other things the funds were to be used for "and otherwise assisting residents of the City of Pittsburgh who are without adequate means of support." At various times in the past appropriations have been made to the Museum Project of the Works Progress Administration and have been considered to be of aid to the indigent citizens of Pittsburgh. The purpose set forth in Bill No. 2955, namely, "for the purchase and payment of materials for making machine models for teaching defense engineering" is a very proper subject for expenditures of money under Code Account No. 154, Series 1940. At this time particularly the project is one of vital importance and is certainly in furtherance of providing for the proper defense of the City of Pittsburgh in case of an emergency.

Respectfully yours,

WM. ALVAH STEWART.
City Solicitor.

Submitted by:

HARRY SAVAGE,
Asst. City Solicitor.

PRESENTATIONS

The Chair presented

No. 4195. Communication from Department of Public Works advising of the lending of 21 flood lights to the Heppenstall-Eddystone Corporation, Eddystone, Pa., for 90 days, to be used in connection with defense work.

Which was read, received and filed.

Mr. Kilgallen moved

That Council ratify and approve the action of the Director of the Department of Public Works in lend-

ing 21 flood lights, now installed at Highland Park Swimming Pool, for a period of 90 days, to Heppenstall-Eddystone Corporation, to aid in the rehabilitation and extension of a plant for the United States Navy at Eddystone, Pa.; said removal and reinstallation of lights to be carried out by said corporation without expense to the City of Pittsburgh.

Which motion prevailed.

The Chair also presented

No. 4196.

WHEREAS, the Department of Assessors of the City of Pittsburgh has been abolished and its duties and functions, together with all of its books, maps and records, have been transferred by law to the Board of Property Assessors, Appeals and Review of Allegheny County, effective on the first Monday of January, 1942; and,

WHEREAS, the said Board of Property Assessors, Appeals and Review will not be able to immediately transfer the aforesaid books, maps and records to its permanent headquarters; THEREFORE, BE IT

RESOLVED, That the Board of Property Assessors, Appeals and Review be and it is hereby authorized and permitted to use and occupy the space and facilities on the fifth floor of the City-County Building, now occupied by the Department of Assessors, for the first two months of the year 1942.

Which was read.

Mr. Kilgallen moved

That the communication be received and filed.

Mr. Evans arose and said:

Mr. President:—I think this is rather an urgent matter. I think we should have legislation prepared authorizing County aid on this project.

Mr. Kilgallen said:

Mr. President:—If legislation were prepared and submitted, it could not be acted upon by the present Council.

Mr. Evans said:

Mr. President:—It can be approved by the present Council in order to permit the preparation of improvement plans. We can tentatively act upon the matter today.

Mr. Kilgallen said:

Mr. President:—We are in the closing days of the year. We should not do anything after five or ten minutes' discussion. The communication should be received and filed, and later on, in conference, Council can consider the matter, and inform the County Commissioners, if it is agreed upon, that Council does approve the program as outlined in their communication.

And the question recurring on the motion to receive and file.

Pittsburgh, Pa.,
December 26, 1941.

Committee on Finance of Council,
Mr. J. J. Sloan, Sec.

In re to Bill No. 4122 authorizing extra payment of \$250.00 to us for rush work in connection with 1942 Budget. Please refer to Paragraph 10 of the specifications on completion and delivery of the above item.

On Wednesday afternoon, November 19, 1941, the day before Thanksgiving Day, we were called into the Mayor's office. The Mayor's Secretary wanted to know if we could deliver 20 copies of the Budget for meeting of Council November 24, 1941. We agreed to do this provided we would be paid for the rush work. To do this we worked Thanksgiving Day and night, the following Saturday afternoon and night, Sunday and Sunday night.

The Mayor's Secretary and I agreed to a flat price of \$250.00 to cover this

work; at this meeting were three members of the Penna. Economy League.

The last page of copy was received on Sunday night, November 23, 1941, at midnight, and the budget was delivered the next day Monday, November 24, 1941.

To cover our contract, we had until Monday, December 8, 1941, to deliver the Budget.

Tri State Printing Co.,

Chas. A. Kelly, Treas.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Weir
Gallagher	Wolk
Kilgallen	Duff (Pres.
Leonard	Pro tem.)

Noes: Mr. Evans

When the name of Mr. Evans was called, he arose and said:

Mr. President:—I wish to be recorded as voting NO on Bill No. 4133. This bill appropriates \$11,000.00 to pay salaries and wages of persons engaged on W. P. A. projects. The report just received and filed gives a list of the persons employed on these projects, together with their salary. These salaries and wages amount to \$4,220.00 per month. This ordinance is merely to pay salaries and wages for the month of January, indicating there is an excess appropriation of the difference between \$4,220.00 and \$11,000.00. For that reason I am voting against the ordinance.

Mr. Kilgallen arose and said:

Mr. President:—I think I must respond to the remarks of Mr. Evans. The bill appropriates and sets aside the sum of \$11,000.00 for the payment of salaries and wages of city employees while assigned to unemployment relief projects. That \$11,000.00 may last one month, it may last two months, it may last three months, or longer. It can be spent as the Director of the Department of Public Works sees fit. The Council has no power or control over the appointment of these employees. We simply set up a sum of money, which, in our discretion, we believe is right, and then it is up to the Director of the Department of Public Works to engage the personnel. This particular bill does not specify any particular time for which these employees are to be engaged. If the Director wishes, he can adopt the recommendation of Mr. Croak.

Mr. Leonard arose and said:

Mr. President:—Does the Department of Public Works propose to continue the employment of the persons whose names appear in this report?

The Chair said:

That is my understanding. Gentlemen, I must caution you that the remarks now being made are out of order. Mr. Evans explained his vote, which he is allowed to do under the rules, but any other remarks are out of order.

Mr. Kilgallen said:

Mr. President:—With your permission, may I say another word? When the bill was under discussion in committee, Mr. Chairman, different councilmen spoke to the effect that too many people were carried on the payroll, and following that discussion we requested the Director of the Department of Public Works to send in his recommendations as to who should be carried on the payroll. The list of names that the Council heard read off was simply the recommendations of the Director of the Department of Public Works. Later we will have to go into the matter and amend the salary ordinance, if we see fit.

The Chair said:

Gentlemen:—The matter is not subject to debate. Any member can voice his reason in voting for or against the bill. Any other remarks are out of order. Mr. Gallagher arose and said:

Mr. President:—This bill appropriates \$11,000.00. This Council, if it sees fit, can appropriate additional money out of bond funds to retain these employees for a longer period if necessary. So far as this list is concerned, I don't know whether any employees are to be dismissed or to be retained. Later, if Council sees fit, it can peruse the list submitted by the Director of the Department of Public Works.

Mr. Leonard arose and said:

Mr. President:—Before I vote, I want to know one thing. Are all the names of the persons engaged on unemployment relief projects listed in that report? If they are, I will vote AYE.

The Chair said:

The letter indicates the present personnel of the force.

Mr. Leonard said:

Will this \$11,000.00 carry on the present force?

The Chair said:

Yes, for the month of January, at least.

Mr. Leonard said:

Mr. President, I want to be recorded as voting AYE.

Mr. Evans arose and said:

Mr. President:—I want to make one more remark.

The Chair said:

We are getting into a debate on roll call. The discussion is entirely out of order.

Mr. Evans said:

Mr. President:—I just want to inform the members of Council that Harrisburg has notified the Department of Public Works that they will not give them credit—

The Chair said:

The Chair rules that the matter is not debatable.

No. 4201.

December 27, 1941.

Re: Bill 4172—Resolution authorizing and directing issuance of warrant in favor of Edward P. O'Connor in the amount of \$93.75 for vacation, etc.

Finance Committee of Council.
Gentlemen:

We have your communication of December 23, 1941, in which you ask for a report from this Department on the above matter.

The records of the Department of Public Works indicate that Mr. O'Connor was employed as a Junior Engineer in connection with the P. W. A. Bond Projects assigned to street repair and prior to the termination of his service with the City of Pittsburgh on June 7, 1940, had for a period of one year not received any vacation.

Under the provisions of Ordinance No. 298, approved June 15, 1923, "each and every employee who has been in the service of the City of Pittsburgh one year or more, whether employed on a daily, monthly or per annum basis, shall be given two weeks vacation each year with pay."

Under the authority of this ordinance, during the years 1939 and 1940, a number of resolutions were passed by Council paying employees of the City, whose

services had terminated but who had not received a vacation, their salary for the two-week vacation period. Thus, in Resolution No. 55 of 1940, Ben B. Sklar, a Junior Engineer in the same category as Mr. O'Connor, was given pay for a two-week vacation period not received. Also, among others, Resolution No. 323 of 1940 authorized the payment to Nicholas A. Schifino, a Junior Engineer, of vacation with pay.

The rights of Mr. O'Connor to vacation pay as provided in this Resolution stand on the same footing as these other employees, and Council has the same authority as in those cases to pass this Resolution.

Very truly yours,

WM. ALVAH STEWART,

City Solicitor.

Submitted by:

JOHN R. BENTLEY,

Asst. City Solicitor.

Which was read, received and filed.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Weir
Evans	Wolk
Gallagher	Duff (Pres.
Leonard	Pro tem.)

Noes:—Mr. Kilgallen.

Ayes 7. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 4182. An Ordinance entitled, "An Ordinance establishing the grade of Nelson street, from Dunmore street to Paulson avenue."

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Weir
Evans	Wolk
Gallagher	Duff (Pres.
Leonard	Pro tem.)

Noes:—Mr. Kilgallen.

Ayes 7. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 4017. An Ordinance entitled, "An Ordinance vacating part of Cedarville street in the Eighth (formerly Twentieth) Ward of the City of Pittsburgh, from Friendship avenue to Edmond street."

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Leonard
Evans	Weir
Gallagher	Wolk
Kilgallen	Duff (Pres. Pro tem.)

Ayes 8. Noes none.

And there being three-fourths of the votes of Council in the affirmative, the bill passed finally in accordance with the provisions of the Act of Assembly of May 22, 1895, and the several supplements thereto.

MOTIONS AND RESOLUTIONS

Mr. Gallagher moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Evans on December 2 and 9, 1941;

Mr. Wolk on November 18 and 19, 1941;

Mr. O'Toole (Pres't) on November 18, 19, December 2, 3, 9, 16, 17, 19 and 23, 1941.

Which motion prevailed.

Mr. Evans arose and said:

Mr. President:—On the first of Janu-

ary the City Board of Assessors will pass out of office, and the work performed by this Board will be done by a Board to be appointed by the Commissioners of Allegheny County. The City has at least 60 per cent of the assessed valuations of the County, and we will have absolutely nothing to say concerning these assessments. This is an important matter for the City, because we will have nothing to say about re-adjustments in assessments to take place next year and from then on. I think the City should have something to say about this matter.

I move that the Council request the Board of Commissioners of Allegheny County to appoint on the new Board of Property Assessors, Appeals and Review one member of the present City Board of Assessors, who is familiar with City assessments, and who will see that the City's interests in the new Board of Property Assessors are taken care of.

I understand from newspaper reports that no member of the City Board of Assessors will be appointed by the County Commissioners to this new Board. I think one member of our present Board of Assessors should be appointed so that he will be in a position to keep City Council informed as to the situation. This is a vital matter to the City of Pittsburgh. I have no doubt that the County Commissioners will appoint good men. I have no objection to the men whose names appeared in the newspapers. However, I think a City member should be appointed on the Board.

Mr. Leonard arose and said:

Mr. President:—I feel the same way as Mr. Evans. I believe the City should have representation on this new Board to be appointed by the County Commissioners. This is the first time this matter has been considered by Council. There are 150,000 dwellings and buildings in the City of Pittsburgh. The City had no representative at Harrisburg interested in protecting the City's interests. I think it is terrible that the powers that be did not contact the Commissioners or the Legislature, or at least gain some representation for the City. I think the Mayor should join in this request. After all

he is the Chief Executive of the City.
Mr. Kilgallen arose and said:

Mr. President:—It was my lot, happily, or unhappily, to be in the State Senate in Harrisburg when this bill passed. I can say to you gentlemen that it was passed because the Republicans had the votes. It was discussed very extensively. We have discussed this matter informally as you know, Mr. Chairman, but there is no action that City Council can take that will forestall or stop the appointment of these members by the County Commissioners. I am in complete agreement with what Mr. Evans says; the matter is of vital importance to the City of Pittsburgh; assessments should be re-adjusted. The City of Pittsburgh should be represented on that Board so that our present assessments have a spokesman.

Mr. Leonard arose and said:

Mr. President:—In order to set myself right, I am not discussing the merits of the bill; I don't know whether it is bad or good. I want to remind the members of Council that prior to the passage of the bill at Harrisburg nobody represented the City of Pittsburgh.

Mr. Wolk arose and said:

Mr. President:—The original bill provided for city representation on the Board, but a later act eliminated that provision.

Mr. Kilgallen arose and said:

Mr. President:—The original bill gave the Mayor power to make certain appointments on the Board, but later, in another session of the Legislature, there were amendments inserted in the bill which took that representation away.

Mr. Evans arose and said:

Mr. President:—One more remark. I only know what I read in the newspaper. The Board members are to be announced tomorrow. It is not too late to request the County Commissioners to appoint one member who is now a member of our City Board of Assessors. The Chair said:

Has a request been made of the County Commissioners to adequately take care of the City's interests?

Mr. Evans arose and said:

Mr. President:—I can speak for my

colleagues. We have complete confidence in the Board of County Commissioners, but on the new Board there will be no one familiar with City assessments.

Mr. Gallagher arose and said:

Mr. President:—It is not our prerogative to tell the County Commissioners who they shall appoint on this Board. I think the matter should have been discussed with the County Commissioners after the passage of the Act. I am going to vote against the motion on the grounds that the Commissioners can run their own business.

Mr. Evans arose and said:

Mr. President:—I am not dictating to the County Commissioners who they shall appoint. I am only asking that someone be appointed on that Board who is acquainted with city assessments. I am not pointing out what the County Commissioners should do. All I think we should do is request, not demand.

Mr. Weir arose and said:

Mr. President:—I see no harm in Mr. Evans' motion.

Mr. Leonard arose and said:

Mr. President:—I will be willing to vote for the motion provided it is amended to include the Mayor.

Mr. Evans arose and said:

Mr. President:—I agree to such an amendment.

Mr. Kilgallen arose and said:

Mr. President:—This body is in no position to speak for the Mayor.

Mr. Wolk arose and said:

Mr. President:—As I understand the motion of Mr. Evans, he is not asking that any particular man be appointed. All he desires is that, when the new Board is appointed, there will be co-ordination for the first period, and in order to secure that co-ordination some member of the present Board of Assessors, who is familiar with our setup, be appointed on the Board.

Mr. Leonard moved

That the motion be amended by requesting the Mayor to join in the request.

Which motion prevailed.

And the question recurring on the motion as amended,

The motion prevailed.

(Mr. Gallagher voting NO.)

Mr. Demmler (for Mr. Duff) presented

No. 4204. WHEREAS, Our Nation is now engaged in war; and

WHEREAS, Uninterrupted production of the materials of war is necessary to bring about the defeat of the common enemy; and

WHEREAS, The Pittsburgh district is a vital production center of materials of war; and

WHEREAS, A housing shortage exists in the Pittsburgh district which may become more acute by the influx of additional defense workers and government employees; and

WHEREAS, A threat exists that increases in rent on a percentage basis may take place in the Pittsburgh district in the year 1942; and

WHEREAS, The occurrence of such an event would unduly burden the civilian population, undermine public morale, cause industrial disputes, a high labor turnover, and inefficiency; and

WHEREAS, The public welfare and safety demand that an inflationary rise in rents and rent profiteering be forestalled; and

WHEREAS, It is reliably reported that the Governor of the Commonwealth of Pennsylvania intends to convene the General Assembly in special session in the early part of 1942; Therefore, be it

RESOLVED, That the Governor of the Commonwealth of Pennsylvania be requested to include in his proclamation convening the General Assembly in special session the subject of Rent Control legislation during the National Emergency; and be it further

RESOLVED, That a copy of this resolution be sent to the Governor of the Commonwealth of Pennsylvania.

Which was read.

Mr. Demmler moved

The adoption of the resolution.

Which motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, December 22, 1941, be approved.

Which motion prevailed.

Mr. Weir moved

That Council adjourn to meet on Wednesday, December 31, 1941, at 3:00 o'clock, P. M.

Which motion prevailed.

And

Council adjourned.

Kilgallen	

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Mr. Kilgallen arose and said:

Mr. President:—We have come to the moment when you give up your membership in this Council and surrender the gavel that you have wielded as its President. You have wielded it with courage, forthrightness and candor. We are sorry to see you go. You have been a tonic to us. On occasion, you have been physic. You leave us now for entry into rarer atmosphere where Lodge speaks only to Cabot and O'Toole talks only to God. You leave this group of Democratic partisans to join a body where there are no Democrats and there are no Republicans, but only men who have reached high office through a scorning of, and a looking down the nose at, all political organizations. How true this is you will shortly learn when you sit down with your judicial colleagues to select a successor to the re-

cent Republicans incumbent of the office of District Attorney of Allegheny County. But for some moments yet you are Councilman O'Toole and a Democrat and we are both sitting in a legislative body where one man is as good as another and, has been said, a whole lot better.

I, therefore, rise to a question of personal privilege, and tell you flatly, Sir, and without equivocation, that there have been times during the past two years when I have not liked you. You have been a pain in the neck to me, Mr. President. I have watched your gyrations in this body with ever-growing amazement. There have been times when I have been tempted to desist from academic argument and give you a good punch on the snout. Aye, Sir, on the snout. It seemed the only argument that could prevail. It will come as a surprise to many people, Mr. President, to be told that here in City Council we have some men who read a book once in a while, who love poetry and the smell of hollyhocks on a river bank, who are gentle in their musings and who appreciate a quiet nook in a forest glade where naught is heard but the twitter of a bird and a gentle rustling of growing things. You will never know what a shock it has been to these gentle philosophers and men of good will to have suddenly burst upon them a red-headed Notre Dame bruiser with a congenital instinct for raising hell who made the chamber ring with strange noises and raucous cries. It has been disconcerting, nor did time change nor custom stale your infinite variety.

It was two years ago when I first sat down at Council Committee table. I could have sat down anywhere. I had to sit down opposite you. I have sat there ever since, because like plug horses coming home to their stalls at night, the councilmen every day sit in their same old seats. Sitting opposite you, it was my ears which were first assailed by your loud bellowing; it was my eyes that first saw the red wattles rise on your neck; it was my apprehensions which were first aroused as to when the spectacles hanging so precariously below your chin would clatter to the floor. It is no fault of yours, Mr. President,

that I am not a nervous wreck. I had a seat on the fifty-yard line in a game where the quarterback made up his own signals as he went along and where, upon whim, any one of the players might carry the ball east, west, north or south. I shall not forget you, Judge. A fluffy-sleeved Chinaman playing poker; a David Harum trading horses; a Jim O'Toole in City Council; these three are one. Until I came into Council I never knew how potently legislation could be affected by what a mythical Mike might say to a mythical Pat. More than once I have seen a ripple of laughter go up and down the table until the chairman, mistaking loud guffaws for loud assent stated the motion was carried. More than once I have seen you prove that three times two is five by some cryptic comicality that was as right as nails but has had as little to do with the subject under discussion as state of the weather, has to do with the squaring of the hypothenuse. I admit, Sir, that there is no accounting for tastes and that a farmer can kiss a cow if he wants to but tell me now in all confidence why did Council accept that as a reason for putting a traffic light at the corner of X street? Nor are you lacking in other subtleties. It is false that only in Germany can a statesman gain his point by going into hysterics while his confreres gaze round in wild surmise, silent, upon a peak in Munich.

For these diversions, Mr. President, our thanks. We shall miss you. The old place will not seem the same. Now that you are buried in Common Pleas what in the world are we going to use for conversation? In the past, when two politicians met on a street corner, the conversation, sooner or later, would turn to Jim O'Toole. It would then be found that Mr. O'Toole is everything that is good to the one politician and everything that is bad to the other. They will meet on the same street corner one week later and both of them will have changed their minds. If your ears have not burned there is nothing in old adages. Yet, if memory serves, you have led the ticket in every Democratic Primary that has been held since you had money enough to pay the filing fee. The committeemen go round muttering deep curses but their eyes light up when the

Ward Chairman says, "The next speaker is James L. O'Toole, Jr., President of City Council." You have the come hither in your voice. There was vinegar on the Blarney Stone the day that you kissed it. Depending on whether or not your stomach is acting up you make a good speech or a better speech and the crowd goes down the steps saying, "Ain't he hell?" You were a marked man in local politics from the night long ago when you said of one public official, "He is the first man who ever milked a Moose."

But it is not because of these superficial things that you are now privileged to associate with men who are non-partisans. The matter goes deeper than that. It was not a whimsical personality or the gift of gab that prevented me from resorting to a laying on of hands. The punch on the snout, I mean. It was something that went deeper than that. It was the profound conviction that I was sitting opposite a man. I would imagine that you weigh about ninety-eight pounds sitting in your bathtub, but remembering the stand you took on many a controversial question—and you were wrong on most of them—I concede a place for you as the Eighth Block of Granite. The hand does not pass through you, as Emerson says. Right or wrong, here I stand, see you in a loud vulgar tone of voice, and the conference is in confusion. The Democratic Party is indebted to you for being its vigorous and articulate spokesman but if another like you should come along before the zip is off your fast one the rest of us are going to turn Republican and let you and him fight it out.

In conclusion, Judge, I would not have you believe from all this that I did not vote for you. I did. You ask my Ward Chairman. I was only in the booth for about five seconds. Zip! The handle was down and up and the curtains flew open. If I can't punch you on the snout, no Republican is going to do it. "Though I've whipped you and I've flayed you
By the living God that made you
You're a better man
Than most men,
Judge O'Toole."

Mr. Leonard arose and said:

Mr. President:—To me this is a sad occasion. Today is your last meeting in City Council. God speed you.

I want you to know my personal feelings toward you. Not only as a member and President of Council, but as a personal friend, you gave me a lot of good advice, which I appreciate. I followed that advice to the best of my ability. I not only lose you as a good advisor but a good companion in Council.

You have always been a splendid example to the other members of Council by your untiring efforts and fearless courage to fight for those things which you thought would benefit your City. You will be missed. What the Council loses the Common Pleas Courts of Allegheny County gain.

I wish you a lot of luck, Jim.

Mr. Gallagher arose and said:

Mr. President:—I want to join with my colleagues in wishing you long life and health, so that you can enjoy the position that the people of Allegheny County elected you to. I don't want to make a flowery speech. My association with you in Council has always been one of friendship and co-operation. Many times, in a humorous way, you brought a lot of wisdom to the question before the Council in its deliberation. I want to add that as Judge of Common Pleas Court you will mete out justice as justice should be meted out to the people who appear before you. I wish you a long life and good health.

Mr. Weir arose and said:

Mr. President:—May I call you "Jim?" I suppose you recall shortly after I became acquainted with you, I told you that I voted for "Jim" O'Toole, when, at that time, I didn't know who "Jim" O'Toole was. On the night of this conversation—it was either in 1931 or 1932—I know distinctly the party broke up about two o'clock in the morning, and I drove you home. During our ride to your home and for many hours thereafter, we stood in front of your residence arguing back and forth. This argument continued until nine o'clock, when you departed for church and I went home. I have never forgotten that

occasion. We didn't get into a fight, but we did discuss, argue and bicker back and forth, each holding out for his opinion. Notwithstanding this argument and difference of opinion, we parted friends, and have been such ever since.

I have always admired your spunk. When you thought a thing was right, you stood up for it.

In conclusion, I want to say this, a very worthy man is going to a very worthy position.

Mr. Wolk arose and said:

Mr. O'Toole, I want to say a few words. Four years ago I don't think any two men were closer than you and I. That friendship was formed, as far as I was concerned, because I had the greatest confidence in your integrity and character. During these four years while I have differed with you on many questions of City Government, my regard for you as a man, for your integrity, character and mental stamina, has never changed. May you enjoy good health. I say to you that you have my best wishes. I feel confident that you are going to serve in your position of Judge in accordance with the best traditions of our profession.

Mr. Duff arose and said:

Jim, I endorse all the good things that my colleagues said of you. If you have any deficiency, they are only apparent when you lose your temper. I know that when you take your position on the bench, you will possess all the qualities of mind and character that will make you a credit to the Court and be a great help to the people whom you serve. God speed you.

Mr. Demmler arose and said:

I just want to say, Mr. O'Toole, my best wishes for your success.

Mr. Evans arose and said:

Mr. O'Toole, I am not going to tell any lies; what I am going to say about you is from the heart. We have had many a battle with you and disagreed with you many times. I say this, that you are a good fighter, and I believe you stood up for what you thought was right, although I did not feel you were right.

I wish you the best of luck in your new position, and I feel sure that you

are going to conduct yourself like a man the same as you have done in this Council.

President O'Toole said:

Gentlemen:—In order to make this unanimous I want to say a few words. I want to thank you for these unexpected and very welcome remarks. It is unusual for a fellow to attend his own wake.

I want to express my gratitude to you for the courtesies shown me while with you. If I at any time irritated you, it was not altogether due to bad temper, but it was in an effort to gain a point, and if I have made you mad, it was not because I loved you less, but because I loved Pittsburgh more. I was sincere in my efforts to getting Council to follow

my idea of what constitutes good city government. In my new position, I hope I don't see you facing me in the prisoner's box, because if found guilty, I will have to give you 20 years, and I will send you somewhere where your friends cannot come to see you.

In conclusion, I again want to thank you for your co-operation during my term of office as President of Council.

Mr. Weir moved

That the Minutes of Council of Monday, Dec. 29, 1941, be approved.

Which motion prevailed.

Mr. Weir moved

That Council adjourn, sine die.

Which motion prevailed.

And Council adjourned.

No. 1

AN ORDINANCE—Granting unto Vitagraph, Incorporated, of Pittsburgh, Pa., its successors and assigns, the right to construct, maintain and use a footer course on Boulevard of the Allies and on Miltenberger street, in the First Ward of the City of Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Vitagraph, Incorporated, of Pittsburgh, Pa., is hereby given the right and authority at their own cost and expense, to use such part of the Northerly sidewalk of the Boulevard of the Allies and such part of the Easterly sidewalk of Miltenberger street as may be necessary for the construction of footer projections for the extension of a building, said footers to be located and constructed as follows:*

BOULEVARD OF THE ALLIES

Beginning along the Northerly line of the Boulevard of the Allies 48 feet 10-5/16 inches Eastwardly from the Easterly line of Miltenberger street, at an elevation of 827.76 feet, having a projection in Boulevard of the Allies of 0 feet 6 inches, thence for a length of 35 feet 10 1/4 inches at an elevation of 827.76 feet to a point, having a projection of 0 feet 6 inches, thence for a length of 4 feet 6 inches at an elevation of 827.76 feet to a point having a projection of 0 feet 8 inches, thence for a length of 2 feet 7 1/2 inches at an elevation of 832.76 feet to a point of curve, having a projection of 0 feet 4 inches, thence by the arc of a circle with a central angle of 77°—34'—15" and a radius of 5 feet 1

inch at an elevation of 832.76 feet, for a distance of 1 foot 9 inches, having a variable projection of 0 feet 4 inches to zero.

MILTENBERGER STREET

Beginning on the Easterly line of Miltenberger street, 124 feet 9 1/2 inches Northwardly from the Northerly line of the Boulevard of the Allies, at an elevation of 821.76 feet, having a projection in Miltenberger street of 0 feet 6 inches, thence for a length of 15 feet 5 inches at an elevation of 821.76 feet to a point, having a projection of 0 feet 6 inches, thence for a length of 3 feet 2 inches, at an elevation of 821.76 feet to a point, having a projection of 0 feet 8 inches, thence for a length of 12 feet 10 inches at an elevation of 823.09 feet to a point, having a projection of 0 feet 6 inches, thence for a length of 3 feet 2 inches at an elevation of 823.09 feet having a projection of 0 feet 8 inches, thence for a length of 7 feet 4 inches at an elevation of 823.09 feet to a point, having a projection of 0 feet 6 inches, thence for a length of 5 feet 6 inches at an elevation of 824.26 feet to a point, having a projection of 0 feet 6 inches, thence for a length of 3 feet 2 inches at an elevation of 824.26 feet, to a point having a projection of 0 feet 8 inches, thence for a length of 13 feet 2 inches having no projection, thence for a length of 3 feet 2 inches at an elevation of 825.26 feet to a point, having a projection of 0 feet 8 inches, thence for a length of 12 feet 6 inches having no projection, thence for a length of 3 feet 2 inches at an elevation of 826.26 feet to a point, having a projection of 0 feet 8 inches, thence for a length of 11 feet 8 inches having no projection, thence for a length of 3 feet 2 inches, at an

elevation of 826.76 feet to a point, having a projection of 0 feet 8 inches, thence for a length of 13 feet 10-7/16 inches having no projection, thence for a length of 4 feet 6 inches at an elevation of 827.76 feet to a point, having a projection of 0 feet 8 inches, thence for a length of 2 feet 7 1/2 inches to a point of curve at an elevation of 827.76 feet having a projection of 0 feet 4 inches, thence for a length of 1 foot 9-21/32 inches by the arc of a circle with a central angle of 20° 51' 50" and a radius of 5 feet 1 inch at an elevation of 832.76 feet, having a variable projection of 0 feet 4 inches to zero. The elevations given above refer to U. S. Datum, the said footing projections shall be constructed according to the provisions of this Ordinance, and in accordance with the plan identified as proposed Footers Projecting over City Building Lines on Boulevard of the Allies and Miltenberger street, for the extension of a Motion Picture Exchange Building, and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pa., and known as Accession B-504.

Section 2. The said Vitagraph, Incorporated, prior to the beginning of the construction of the footer projections shall submit to the Director of the Department of Public Works, of the City of Pittsburgh, a complete set of plans in triplicate showing the location and all details for the construction of the said footer projections, said plans and the construction of the footer projections shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure

which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said footing projections; all of said work including repairs of street or sidewalk shall be done in a manner and at such time as said Director may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said footer projections upon giving to the said Vitagraph, Incorporated, at least six months written notice from the proper officers of the City pursuant to a resolution or ordinance of Council and the said Vitagraph, Incorporated, when so notified, shall at or before the expiration of the said six months, remove the said footer projections and restore the street to proper condition at their own cost and expense and to the satisfaction of the Director of Department of Public Works.

Section 6. The said Vitagraph, Incorporated, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said footer projections, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approved by the Mayor of the City of Pittsburgh, the said Vitagraph, Incorporated, shall file with the proper officers of the City of Pittsburgh, their certificate of acceptance, accepting the provisions of this Ordinance, said certificate of acceptance to be executed by the said Vitagraph, Incorporated.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the

same is hereby repealed so far as the same affects this Ordinance.

No. 2

AN ORDINANCE—Refixing the width and position of the roadways, the divisor between roadways, and the sidewalks of SAW MILL RUN BOULEVARD, from a point 21.57 feet south of Line street to Saw Mill Run boulevard, McKinley Park Branch; prescribing portions to be used for slopes, landscaping, retaining walls, steps and relocation of portions of the channel of Saw Mill Run; and re-establishing the grade thereof from a point 21.57 feet south of Line street to Whited street, and from the third curve south of Saw Mill Run boulevard, McKinley Park branch, to Saw Mill Run boulevard, McKinley Park Branch.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the width and position of the roadways, the divisor between roadways and the sidewalks of SAW MILL RUN BOULEVARD, from a point 21.57 feet south of Line street to Saw Mill Run boulevard, McKinley Park Branch, be and the same are hereby refixed as follows, to wit:*

The following described survey line shall be used as a reference line for the purpose of this ordinance:

BEGINNING on the center line of the roadway of SAW MILL RUN BOULEVARD, 40.0 feet in width, as refixed by Ordinance No. 243, approved July 31, 1934, at a point distant 21.57 feet southwardly thereon from the southerly line of Line street produced, said place of beginning being at Station 209 + 18.14 on the survey line as described in the said ordinance, and to be known as Station 493 + 66.46 for the purpose of this ordinance; thence extending along the center line of the said roadway, 40.0

feet in width, and coinciding with the survey line as described in the said ordinance, North 6° 42' 30" East, to a point of curve at Station 494 + 46.83; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 600.0 feet and a central angle of 37° 19' to a point of tangent at Station 498 + 37.60; thence by the tangent, along the center line of Saw Mill Run boulevard, 70.0 feet in width, to a point of curve on the same at Station 508 + 21.96; thence northwestwardly by the arc of a circle deflecting to the right with a radius of 1200.0 feet, a central angle of 27° 13', and continuing along the said center line to a point of tangent on the same at Station 513 + 91.98; thence by the tangent, North 3° 23' 30" West, continuing along the same, to a point of curve on the same at Station 521 + 52.40; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 1200.0 feet, a central angle of 12° 49' and continuing along the said center line, to a point of tangent at Station 524 + 20.83; thence by the tangent, North 16° 12' 30" West, parallel to and 35.0 feet west of the easterly line of Saw Mill Run boulevard to a point of curve at Station 529 + 32.72; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 2400.0 feet and a central angle of 23° 22', parallel to and 35.0 feet west of the easterly line of Saw Mill Run boulevard, to a point of tangent at Station 539 + 11.50; thence by the tangent, North 39° 34' 30" West, parallel to and 35.0 feet west of the easterly line of Saw Mill Run boulevard as widened by Ordinance No. 460, approved September 17, 1940, to a point of curve at Station 540 + 62.88; thence northwestwardly by the arc of a circle deflecting to the right, with a radius of 1432.69 feet and a central angle of 35° 16', to a point of tangent at Station 549 + 44.73; thence by the tangent, North 4° 18' 30" West, to a point of curve at Station 551 + 55.31; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 1432.69 feet and a central angle of 29° 03', to a point of tangent at Station 558 + 81.71, said point of tangent being on

the center line of Saw Mill Run boulevard (formerly Library road), as opened to a width of 70.0 feet by Ordinance No. 165, approved March 21, 1929; thence by the tangent, North $33^{\circ} 21' 30''$ West, to the center line of Saw Mill Run boulevard, McKinley Park Branch, at Station 560 + 95.19.

The roadway from Station 493 + 66.46 to Station 494 + 46.83, shall conform to the present roadway, 40.0 feet in width, with the center line thereof coinciding with the above described survey line; thence to Station 498 + 37.60 shall have a variable width ranging from 40.0 feet at the former to 46.0 feet at the latter mentioned station with the westerly curb line thereof being parallel to and 20.0 feet west of the above described survey line; thence to Station 500 + 47.0 shall have a uniform width of 46.0 feet, the westerly curb line thereof being parallel to and 20.0 feet west of the above described survey line; thence to Station 503 + 50.0 shall have a variable width ranging from 46.0 feet at the former to 54.0 feet at the latter mentioned station, at which latter mentioned station the westerly and easterly curb lines shall be 27.0 feet west and east, respectively, of the above described survey line; from Station 503 + 0.0 to Station 503 + 50.0, the above described roadway shall be separated into northbound and southbound roadways by a divisor ranging in width from 2.0 feet at Station 503 + 0.0 to 4.0 feet at Station 503 + 50.0, with the center line of said divisor coinciding with the above described survey line; thence to Station 558 + 81.71 the northbound and southbound roadways shall each have a uniform width of 25.0 feet, lying along and contiguous to the divisor between the roadways, which have a uniform width of 4.0 feet, with the center line of said divisor coinciding with the above described survey line; thence to Station 559 + 31.71, shall each have variable widths ranging from 25.0 feet at the former to 26.0 feet at the latter mentioned station, lying along and continuous to a divisor which shall have a variable width ranging from 4.0 feet at the former to 2.0 feet at the latter mentioned station, with the center line

thereof coinciding with the above described survey line; thence to Saw Mill Run boulevard, McKinley Park Branch, the roadway shall have a uniform width of 54.0 feet, the center line of which shall coincide with the above described survey line.

The westerly sidewalk, from Station 493 + 66.46 to Station 497 + 90.0, shall have a uniform width of 8.0 feet; thence to Station 500 + 47.0 shall have a uniform width of 6.0 feet; thence to Saw Mill Run boulevard, McKinley Park Branch, a uniform width of 8.0 feet; the westerly sidewalk shall lie west of and contiguous to the above described roadway throughout.

The easterly sidewalk, from Station 493 + 66.46 to Nobles Lane, shall have a uniform width of 8.0 feet; thence to Station 502 + 0.0, a uniform width of 9.0 feet; thence to Station 503 + 0.0, a variable width ranging from 9.0 feet at the former to 8.0 feet at the latter mentioned station; thence to Station 542 + 28.0, a uniform width of 8.0 feet; thence to Station 546 + 0.0, a uniform width of 6.0 feet; thence to Saw Mill Run boulevard, McKinley Park Branch, a uniform width of 8.0 feet; the easterly sidewalk shall lie east of and contiguous to the above described roadway throughout, except at the overhead crossing of the bridge of the Pittsburgh and Castle Shannon Railroad Company, at about Station 500 + 25.0 where the said easterly sidewalk shall deflect and extend northwardly and westwardly along and contiguous to the easterly end and northerly side of a bridge pier at that location.

The remaining portions of the street lying without the line of the roadways and sidewalks as above described shall be used for slopes, landscaping, retaining walls, steps and relocation of portions of the channel of Saw Mill Run.

Section 2. The grade of the roadway along the above described survey line where no divisor is to be constructed, and the grade of the roadway at the divisor where the same is to be constructed, shall be and the same is hereby re-established as follows, to wit:

BEGINNING at a point 21.57 feet south of the southerly line of Line street, at Station 493 + 66.46 on the above described survey line, at an elevation of 910.72 feet, as at present constructed; thence falling at the rate of 4.0% to a point of curve at Station 493 + 91.46, to an elevation of 909.72 feet; thence by a concave parabolic curve to a point of tangent at Station 494 + 91.46, to an elevation of 907.21 feet; thence falling at the rate of 1.026% to a point of curve at Station 497 + 41.46, to an elevation of 904.64 feet; thence by a concave parabolic curve to a point of tangent at Station 498 + 41.46, to an elevation of 904.35 feet; thence rising at the rate of 0.44% to a point of curve at Station 498 + 70.0, to an elevation of 904.47 feet; thence by a convex parabolic curve to a point of tangent at Station 499 + 70.0, to an elevation of 903.68 feet; thence falling at the rate of 2.025% to Station 501 + 50.0 at Whited street, to an elevation of 900.03 feet; also

BEGINNING at Station 539 + 0.0 on the above described survey line at an elevation of 869.94 feet, said place of beginning being near the northerly terminus of the third curve south of Saw Mill Run boulevard, McKinley Park Branch; thence falling by a concave parabolic curve having an apex elevation of 868.44 feet to a point of tangent at Station 542 + 0.0, to an elevation of 867.53 feet; thence falling at the rate of 0.606% to a point of curve at Station 555 + 0.0, to an elevation of 859.65 feet; thence by a concave parabolic curve to a point of tangent at Station 557 + 0.0, to an elevation of 860.08 feet; thence rising at the rate of 1.027% to a point at Station 559 + 32.0, to an elevation of 862.46 feet; thence rising at the rate of 1.04% to a point at the intersection of Saw Mill Run boulevard, McKinley Park Branch, at Station 559 + 95.0, to an elevation of 863.12 feet, as at present constructed.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

Twenty-Ninth Street Track Connection Across Smallman Street and 28th Street

The center line of the proposed track shall begin at a point on the Westerly line of Smallman street, said point being distant Northeastwardly and along the Westerly line of Smallman street 22.50 feet from the intersection of the Westerly line of Smallman street with the Northerly line of 28th Street; thence deflecting in a Southeasterly direction by the arc of a circle with a central angle of 11° 52' 0" and a radius of 328.70 feet for an arc distance of 67.80 feet to a point, on the Easterly line of Smallman street, said point being distant Southwardly and along the Easterly line of Smallman street 8.60 feet from the intersection of the Easterly line of Smallman street with the Northerly line of 28th Street, thence still deflecting in a Southeasterly direction by the arc of a circle with a central angle of 11° 24' 0" and a radius of 328.70 feet, for an arc distance of 65.20 feet, to a point of tangent, thence continuing in a Southeasterly direction by the tangent of said curve 5.50 feet to a point of curve, thence deflecting in a Southwesterly direction by the

arc of a circle with a central angle of $4^{\circ} 12' 0''$ and a radius of 410.30 feet for an arc distance of 30.00 feet to a point in the center line of the existing track, said point being Eastwardly and at a perpendicular distance of 17.00 feet from the Southerly line of 28th Street, the said point or perpendicular being distant 17.00 feet from the Southerly line of 28th Street, the said point or perpendicular being distant Eastwardly 97.00 feet from the Easterly line of Smallman street.

Twenty-Ninth Street Track Connection Crossing Spring Way

The center line of the proposed track shall begin at a point on the Westerly line of Spring way, said point being distant 117.00 feet along the Westerly line of Spring way Southwestwardly from the Southerly line of 28th Street, thence in a Southerly direction by a tangent a distance of 12.00 feet to a point of curve, thence deflecting in a Southwestwardly direction by the arc of a circle with a central angle of $2^{\circ} 16' 30''$ and a radius of 328.70 feet for an arc distance of 13.00 feet to a point, on the Easterly line of Spring way, said point being distant Southwestwardly along the Easterly line of Spring way 132.00 feet from the Southerly line of 28th Street.

Section 2. The said company, prior to the beginning of construction of said tracks, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location, paving, repaving, sewerage and all details for the construction of said tracks, and the said plans and the construction of the sidetracks shall be subject to the approval and supervision of the Director of Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of tracks on City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said tracks. All of the said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance, are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said sidetracks upon giving six (6) months' notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Pennsylvania Railroad Company, its successors and assigns, to that effect, and that the said grantee shall, when so notified, at the expiration of the said six (6) months, forthwith, remove the said tracks and replace to their original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of the said tracks, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Pennsylvania Railroad Company, shall file with the City Controller their certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the

provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 23

AN ORDINANCE—Authorizing and directing the issuance of funding bonds of the City of Pittsburgh in the aggregate principal amount of One

Million, Three Hundred Thousand Dollars (\$1,300,000.00), for the purpose of funding the existing unfunded indebtedness of the City of Pittsburgh, consisting of contractors' claims, claims for damages arising from the opening and widening and improving of streets, construction of sewers, judgments, interest on the above contractors' claims, damages and judgments, including the obligation of the City of Pittsburgh under the tripartite agreement with the County of Allegheny and Commonwealth of Pennsylvania for the City's share of the expense of the Bigelow boulevard Seventh avenue Grade Separation, and levying taxes to provide funds for the redemption of said bonds at maturity and the payment of the interest and tax thereon.

WHEREAS, The City Controller has submitted to Council a detailed statement, under date of January ----, 1941, of the floating indebtedness of the City in the sum of One Million Three Hundred Thousand (\$1,300,000.00) Dollars over and above the funds on hand available for the liquidation thereof; and

WHEREAS, It is desirable to issue bonds for the purpose of funding said unfunded indebtedness; Now, Therefore.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That bonds of the City of Pittsburgh be issued in the aggregate principal amount of One Million Three Hundred Thousand (\$1,300,000.00) Dollars for the purpose of funding the existing unfunded indebtedness of the City of Pittsburgh, consisting of contractors' claims, claims for damages arising from the opening and widening and improving of streets, construction of sewers, judgments, interest on the above contractors' claims, damages and judgments, including the obligation of the City of Pittsburgh under the tripartite agreement with the County of Allegheny and Commonwealth of Pennsylvania for the City's share of the expense of the Bigelow Boulevard Seventh Avenue Grade Separation.*

Section 2. Said bonds shall be in denominations of One Thousand (\$1,000.00) Dollars each, shall be dated as of the first day of February 1941, and shall be payable in twenty (20) equal annual installments of Sixty-five Thousand (\$65,000.00) Dollars each, one of which installments shall mature on the first day of February in each of the years 1942 to 1961, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as hereinafter provided, payable semi-annually on the first days of February and August in each year during the term thereof, without deduction for any taxes which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which taxes is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity, by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh.

Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with a facsimile signature of the City Controller. In case of the absence or disability of any such officials, the bonds shall be signed by the city official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

FUNDING BOND OF 1941

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1942, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds August 1, 1941.

Section 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be and become part of the funded debt of the City of Pittsburgh and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the form of coupon bonds issued in pursuance of this ordi-

nance shall be substantially as follows:

AN ORDINANCE—Authorizing and directing the issuance and sale of refunding bonds of the City of Pittsburgh in the aggregate principal amount of Five Hundred Thousand Dollars (\$500,000.00) for the purpose of refunding a part of the existing indebtedness of the City, evidenced by certain outstanding councilmanic short-term promissory notes in that amount, and levying taxes to provide funds for the redemption of said bonds at

maturity and the payment of the interest and State taxes thereon.

WHEREAS, short-term General Public Improvement Note of 1940 C-907, dated March 1, 1940, bearing interest at the rate of twenty-five hundredths per centum (.25%) per annum, in the total aggregate principal amount of Five Hundred Thousand Dollars (\$500,000.00), and issued pursuant to the provisions of Ordinance No. 84 of 1940, which became a law on the 14th day of March, 1940, becomes due and payable March 1, 1941; and

WHEREAS, under an Act of Assembly of the Commonwealth of Pennsylvania, approved April 14, 1881, P. L. 10, as amended, the City of Pittsburgh has the power to issue refunding bonds for the purpose of redeeming the aforesaid notes; and

WHEREAS, the Act of Assembly authorizing the issuance and sale of the above short-term promissory notes by the City contemplates the funding or refunding of such indebtedness by the issuance and sale of long-term funding or refunding bonds to take the place thereof, and it is deemed for the best interest of the City and the citizens and taxpayers thereof that Refunding Bonds now be issued for the aforesaid purpose:

NOW, THEREFORE,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same.* That Bonds of the City of Pittsburgh be issued in the aggregate principal amount of Five Hundred Thousand Dollars (\$500,000.00) for the purpose of refunding the aforesaid indebtedness of the City evidenced by short-term promissory notes of the City dated March 1, 1940, in the principal sum of Five Hundred Thousand Dollars (\$500,000.00).

Section 2. That the proceeds arising from the sale of said bonds shall be applied to the redemption of the said short-term promissory notes and for no other purpose whatsoever.

Section 3. Said bonds shall be issued in denominations of One Thousand

Dollars (\$1,000.00) each; shall be dated as of the first day of February, 1941, and shall be payable in twenty equal annual installments of Twenty-five Thousands Dollars (\$25,000.00) each; one of which installments shall mature on the first day of February in each of the years 1942 to 1961 inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with public advertisements, as hereinafter provided, payable semi-annually on the first days of February and August in each year during the term thereof, without deduction for any taxes which may be levied on said bonds or on the debt secured thereby by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which taxes is hereby assumed by the City of Pittsburgh. The Principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity, by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh.

Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with a facsimile signature of the City Controller. In case of the absence or disability of any such officials, the bonds shall be signed by the city official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

AN ORDINANCE—Making an emergency appropriation of an additional sum of \$45,000.00 for repairing and reconstructing sewers and appurtenances on Hermitage street, North Lang avenue, Kedron avenue and Private Property, between points about 350

feet east of North Homewood avenue and 300 feet southwest of the westerly terminus of Kedron avenue, and ratifying the Contract entered into with Raymond Mannella, doing business as Mike Mannella Company, for carrying out said work.

WHEREAS, By certification of the Mayor and the City Controller on file in the office of the Clerk of Council, an emergency has been declared due to the damaged condition of the aforesaid sewers and facilities, as a result of the explosion occurring therein Wednesday evening, November 27, 1940; and predicated thereon, Ordinance No. 615, approved December 10, 1940, authorized an emergency appropriation of \$50,000.00 for carrying out said work; and,

WHEREAS, Contract No. 8518, Controller's File Number, which was countersigned January 4, 1941, was entered into with Raymond Mannella, doing business as Mike Mannella Company, for carrying out said work and, pursuant thereto, expenditures incurred by said Contractor up to January 13, 1941 equalled or exceeded the sum of \$50,000.00 appropriated therefor; and,

WHEREAS, The Mayor and the City Controller, pursuant to certification dated January 16, 1941 on file in the office of the Clerk of Council, have declared continuance of the emergency; and,

WHEREAS, It is estimated that an additional appropriation of \$45,000.00 will be required to complete the emergency work; and,

WHEREAS, The public interest indicates the necessity of foregoing the requirements pertaining to public advertisement of proposals and securing of competitive bids; NOW, THEREFORE.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That an emergency appropriation in the additional amount of \$45,000.00 is hereby made in favor of the Department of Public Works, Bureau of Engineering, for repairing and reconstructing sewers and appurtenances on Hermitage street North Lang avenue, Kedron avenue and*

Private Property, between points about 350 feet east of North Homewood avenue and 300 feet southwest of the westerly terminus of Kedron avenue, to meet the aforementioned emergency.

Section 2. That Contract No. 8518, Controller's File Number, which was countersigned January 4, 1941, entered into with Raymond Mannella, doing business as Mike Mannella Company, for carrying out the aforesaid work, is hereby ratified.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Safety, for and in behalf of the City of Pittsburgh, to enter into an Agreement with The Pennsylvania Railroad Company, a corporation, and W. D. George, Thomas M. Benner and Thomas Fitzgerald, Trustees of the Pittsburgh Railways Company, for the purpose of removal of the crossing gates in Liberty avenue, Penn avenue, at Twenty-eighth and Smallman streets, and of the highway crossing bells on Spring way and on Mul-

berry way, and the substitution and addition in lieu thereof of standard intersection traffic lights, railroad flashing light signals, railroad fixed signals, pedestrian stop lights, standard railroad highway crossing signs with letters in reflector buttons, and other equipment.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Safety be and they are hereby authorized and directed, for and in behalf of the City of Pittsburgh, to enter into an Agreement with The Pennsylvania Railroad Company, a corporation, and W. D. George, Thomas M. Benner and Thomas Fitzgerald, Trustees of the Pittsburgh Railways Company, for the purpose of removal of the crossing gates in Liberty avenue, Penn avenue, at Twenty-eighth and Smallman streets, and of the highway crossing bells on Spring way and on Mulberry way, and the substitution and addition in lieu thereof of standard intersection traffic lights, railroad flashing light signals, railroad fixed signals, pedestrian stop lights, standard railroad highway crossing signs with letters in reflector buttons, and other equipment, in the following form, to-wit:*

THIS AGREEMENT, made and entered into in quadruplicate this----- day of -----, 194-----, by, between and among the CITY OF PITTSBURGH, a municipal corporation, hereinafter called "City;" THE PENNSYLVANIA RAILROAD COMPANY, a corporation, hereinafter called "Railroad," and W. D. GEORGE, THOMAS M. BENNER, and THOMAS FITZGERALD, as TRUSTEES of the PITTSBURGH RAILWAYS COMPANY, under Section 77-B of the Bankruptcy Act, hereinafter called "Trustees."

WITNESSETH:

WHEREAS, The present methods and devices for the control, direction and protection of vehicular and pedestrian traffic on Liberty avenue, Spring way, Penn avenue, Mulberry way, and Small-

man street, (east and west streets of said City), and on Twenty-eighth street, (a north and south street intersecting the highways aforesaid) at the places where said highways are crossed at grade by tracks of Railroad, and at the points on Liberty avenue and Penn avenue a short distance westwardly from Twenty-eighth street, where the street railway lines of the Pittsburgh Railways Company operated by the Trustees, cross one of said tracks of said Railroad, appear to be unsatisfactory and capable of improvement, especially in view of the increase in vehicular traffic on Liberty avenue, Penn avenue, and Smallman street, brought about by the recent widening and improvement of Liberty avenue and the repaving of Penn avenue and of Smallman street and other developments in the district; and

WHEREAS, The installation at this time of the standard type of traffic light signals at the intersections of Twenty-eighth street with Penn avenue and with Smallman street, is deemed advisable to facilitate and protect movements of street traffic and at the same time to furnish protection with respect to the movements of trains and street cars when used in conjunction with flashing light signals and other signal devices; and

WHEREAS, It is mutually agreed between and among the parties hereto, that the removal of the crossing gates in Liberty avenue, in Penn avenue, and at 28th and Smallman streets, and of the highway crossing bells on Spring way and on Mulberry way, and the substitution and addition in lieu thereof of standard street intersection traffic lights, railroad flashing light signals, railroad fixed signals, pedestrian stop lights, standard railroad highway crossing signs with letters in reflector buttons, and other equipment, to be operated in part by a watchman from the tower near Liberty avenue, will effectuate the prevention of accidents, facilitate the movement of traffic, and is necessary for the service, accommodation, and convenience of the public;

NOW, THEREFORE, The parties here-

to mutually covenant and agree as follows:

1. There is attached hereto and made a part hereof as Exhibit "A," blueprint of plan No. 11378, revised August 5, 1940, showing the streets, crossings and railroad tracks, with the new installations indicated in yellow thereon and the equipment to be removed in green. Also attached and made a part hereof is Exhibit "B," that being a blue print from another sheet of the same plan No. 11378, revised August 5, 1940, on which is indicated the detail of the traffic light units, flashing light signals, railroad fixed signals, pedestrian stop lights, railroad highway crossing signs, and other equipment, to be installed.

2. Two standard city traffic signal light units shall be erected and installed on Liberty avenue at the westerly side of said railroad crossing, one on each side of said avenue. A standard railroad flashing light signal unit shall be erected and installed immediately adjacent to the traffic light aforesaid located on the southerly side of Liberty avenue and a small unit showing in flashing red the word "STOP" on the approach of a train, shall be erected and installed on the northerly side of said Avenue inside the curb line, east of the railroad track or crossing for the benefit of pedestrians.

3. Four city traffic light units shall be erected and installed at the intersection of Penn avenue and Twenty-eighth street, the arrows on Exhibit "A" indicating the direction of the lights. One standard railroad flashing light signal unit shall be erected and installed on the northerly side of Penn avenue east of the railroad track or crossing, and two small units showing in flashing red the word "STOP" on the approach of a train, shall be erected and installed, one on each side of the said avenue inside the curb line, west of the railroad track or crossing, for the benefit of pedestrians.

4. Four city traffic light units shall be erected and installed in and near the intersection of Smallman street and

Twenty-eighth street, the arrows on Exhibit "A" indicating the direction of the lights. One standard railroad flashing light signal unit, with back lights, shall be erected and installed on the northerly side of Smallman street east of the railroad track or crossing.

5. At Spring way there shall be erected two standard railroad highway crossing signs with letters in reflector buttons, one on either side of the railroad crossing. At Mulberry way and Twenty-eighth street there shall be erected and installed at the northeast corner of the intersection a railroad flashing light signal unit with back lights for indication east and west on Mulberry way and a similar unit without back lights to show to the south on Twenty-eighth street. Also a standard railroad highway crossing sign with letters in reflector buttons shall be erected and installed on the south side of Mulberry way west of the railroad track or crossing.

6. Railroad signals governing train movements shall be placed alongside the railroad track on either side of Liberty avenue, Penn avenue and Smallman street, to serve as an indication to railroad enginemen that the lights are set against the highway traffic.

7. All crossing gates and equipment at said railroad crossings on Liberty avenue, Penn avenue and at Smallman and Twenty-eighth streets, and also the highway crossing bells and equipment now in use on Spring way and Mulberry way at the easterly side of said railroad tracks, shall be removed and eliminated upon the installation and placing in operation of the traffic lights, flashing light signals, railroad fixed signals pedestrian stop lights, standard railroad highway crossing signs, and other equipment, aforesaid.

8. The use of watchmen located at said Penn avenue and Smallman street grade crossings shall be discontinued. A watchman shall be stationed and on duty at all times in the watch box or tower located at Liberty avenue, to operate the signal devices, and regulate the movement of street traffic, trains, and street cars as hereinafter described.

9. Single track operation both northwardly and southwardly shall obtain, and train movements over all of said crossings are hereby restricted to a speed of ten miles per hour. A panel board shall be placed in the tower at Liberty avenue and track circuits provided to enable the crossing watchman to properly control traffic, and the railroad fixed signals along said track shall be inter-controlled with the city traffic lights and flashing light signals so as to prevent movement of trains and highway traffic at the same time over any crossing.

10. Except upon the approach of a train, the city traffic light signals herein provided for at the intersections of Twenty-eighth street with Penn avenue, and with Smallman street, shall operate on fixed cycles of red, amber, and green, as at any city intersection, and shall be regarded as a part of the City traffic control system.

11. Upon approach of a train from either direction to Smallman street and before the signal governing train movements is cleared for train movement, all traffic lights at Twenty-eighth and Smallman streets shall go to red, actuated by the watchman in the tower at Liberty avenue, and at the same time the flashing light signal located on Smallman street east of the railroad crossing shall start to alternately flash red. After the traffic lights have been set to red the railroad fixed signal shall clear for train movement, but the traffic lights shall be kept set at red and the flashing light signal at the crossing shall remain set to continue flashing red, until such train shall have passed over Smallman street, when the traffic lights will be returned to their normal cycle and the flashing light signal will cease to operate.

12. Upon approach of a train to Penn avenue, and before the signal governing train movements is cleared for train movement, all traffic lights at the intersection of Twenty-eighth street and Penn avenue shall go to red, actuated by the watchman in the tower at Liberty avenue, and at the same time

the flashing light signal located on the northerly side of Penn avenue east of the railroad crossing shall start to alternately flash red. At the same time the pedestrian stop lights on the north and south sides of Penn avenue west of the crossing shall flash the word "STOP." After the traffic lights have been set to red the railroad fixed signal shall clear for train movement but the traffic lights shall be kept set at red, and the flashing light signal and the two pedestrian stop lights at the crossing shall remain set to continue flashing red, until such train shall have passed over Penn avenue when the traffic lights will be returned to their normal cycle and the flashing light signal and the two pedestrian stop lights will cease to operate.

13. The two City traffic lights on Liberty avenue herein provided for, being not at an intersection, shall continuously flash amber, until a train approaches said street, at which time they shall be set to show green and amber, then amber, then red, and the railroad flashing light signal on Liberty avenue west of the crossing and the pedestrian stop light east of the crossing, shall be placed in operation at the time the two traffic lights are changed to green-amber, both sets of lights and signals being actuated as aforesaid by the watchmen in the tower at Liberty avenue. After the traffic lights have been set to red, the railroad fixed signal shall clear for train movement, but the city traffic lights shall be kept set at red, and the flashing light signal and the pedestrian stop light shall remain set to continue flashing red as aforesaid, until such train shall have passed over Liberty avenue, when the railroad flashing light signal and pedestrian stop light will cease to operate, and the two city traffic lights will return to flashing amber.

14. The railroad flashing light signals at the intersection of Mulberry way and 28th Street, herein provided for, shall be so connected in circuit that they will start to operate and flash red as the railroad fixed signal is cleared for the movement of a train over the street in advance of said alley, and

will continue to flash red until such train shall have passed over said alley.

15. City agrees to furnish at its cost the ten traffic light units provided for herein at the intersections of Twenty-eighth street with Penn avenue and with Smallman street, and on Liberty avenue west of the railroad crossing, and following their installation, to inspect and maintain at its cost such ten traffic signal units and all cable and traffic control equipment interconnecting the local control boxes with said units, in the same manner as other City traffic control signals and equipment are inspected and maintained.

16. Railroad agrees to remove at its expense all crossing gates, watchboxes, highway crossing bells and other equipment herein specified to be removed and eliminated, and it is agreed that the Railroad may keep and retain all salvage; to erect and install all traffic light units to be furnished by the City as aforesaid, which traffic light units shall thereafter be maintained and renewed by and at the cost and expense of the City; to furnish, erect and maintain all poles required for attachment thereto of said City traffic light units; to furnish, install and maintain all railroad fixed signals for movement of trains, and all railroad flashing light signals; pedestrian stop lights, and railroad highway crossing signs; to furnish, install and maintain at its expense the necessary equipment in the tower at Liberty avenue; to furnish and install all interconnecting cable necessary for the operation of the entire system covered in this agreement, and maintain all cable except that connecting the local control boxes with the City traffic signal units; and to furnish and install all control equipment necessary to regulate both train and traffic movements, subject to the approval of the Traffic Engineer of the City of Pittsburgh. The Railroad further agrees to furnish at its expense, electric current for the operation of all traffic light units, flashing light signals, pedestrian stop lights and the controls for operating the entire system.

17. Trustees agree to remove at their expense all trolley crossing signals and apparatus now in use at 28th Street and Liberty avenue, and at 28th Street and Penn avenue, including illuminated push button switches, and auxiliary equipment located in the watch boxes; and it is agreed that the Trustees may keep and retain all salvage following the removal of same; to pay to Railroad one-half the total cost to it of the installation of the traffic light units, and traffic control equipment on Liberty and Penn avenues (traffic light units to be furnished by the City of Pittsburgh), one-half the cost to Railroad for the purchase and installation of the flashing light signals, pedestrian stop lights, and auxiliary equipment together with additional poles and excavations, if required, on Liberty and Penn avenues, and to all wages paid shall be added 10% for supervision, accounting and use of tools, and in addition thereto the percentages paid or accrued by the Railroad on wages under the Railroad Retirement and Unemployment Insurance Laws. Likewise, to the value of material or equipment furnished by Railroad there shall be added 15% to cover supervision, stores expenses, inspection, accounting, purchasing, handling and transportation to point of use, before dividing with Trustees.

18. Railroad agrees to furnish, carry on its payroll and pay the necessary watchmen at the Liberty avenue tower throughout the twenty-four (24) hours of each day, the force at present to consist of three watchmen each working for an eight-hour trick. The Trustees agree on bill rendered at the end of each month, promptly to pay to the Railroad one-third of the entire cost and expense of employment of such watchmen, including 10% to be added to the direct wages to cover supervision and accounting, to which shall also be added the current payroll taxes assessed as a contribution to the Railroad Retirement Fund and for Unemployment Insurance. The charge against the Trustees shall also include one-third of the cost of heating the watchmen's tower, and one-third of the value

of any supplies furnished said watchmen including 15% for supervision, purchasing, accounting, etc.

19. It is mutually agreed that future replacements or renewals of the entire traffic and railroad signal system, made necessary by obsolescence or depreciation beyond practical maintenance, shall be furnished and installed by and at the cost of the respective party or parties obligated herein to furnish or make the original installation, but the responsibility of the City in this respect shall be limited to furnishing to the Railroad the necessary traffic signal units for it to install.

20. It is fully recognized and understood that crossing protection of the involved highways and railroad tracks is subject to approval and order of the Pennsylvania Public Utility Commission and in the event such Commission acting within its jurisdiction should require other protection or signals than as herein provided, but substantially in accordance herewith, then the protection or signals so required shall be construed as herein contemplated and as within the terms and conditions hereof.

21. In executing this agreement to effectuate the purposes set forth in the preamble hereof, the parties hereto mutually covenant and agree that it shall not be interpreted as affecting or altering in any respect the rights and obligations of the parties, and each of them as fixed by the laws of Pennsylvania, including the rules of law with respect to the duties of travelers on a highway in approaching and passing over a railroad crossing at grade, the duties of the operators of trains on approach to grade crossings, the duties of travelers on a highway in connection with entering upon or crossing over the tracks of street railways, the obligations of the operators of street cars to passengers and other users of a highway, and the rights and obligations of municipalities with respect to the care and maintenance of public highways and regulations of traffic thereon; and to such intent solely in event of damage occurring to property of the Trustees, or their employees,

passengers or licensees, attributable to fault or negligence of the watchmen, provided for in preceding Section 18, then as among the parties hereto and respecting the payment of such damages, said watchmen shall be construed as employees of the Trustees.

22. This agreement shall be binding upon the respective successors and assigns of the Railroad and the City. It is understood and agreed that W. D. George, Thomas M. Benner and Thomas Fitzgerald, Trustees, and any successor Trustee or Trustees, shall only be obligated to perform hereunder during the pendency of the present reorganization proceedings in the District Court of the United States for the Western District of Pennsylvania at Number 20,-225 in Bankruptcy.

23. It is further mutually understood and agreed, that if at any time the Trustees or their successor Trustees, desire to and are permitted to discontinue their operations and remove their tracks at the crossings, then in that event the Railroad shall be given thirty (30) days' notice in writing of such intention and upon the lapse of said thirty (30) days' notice and removal of the tracks by said Trustees, the Railroad shall then be entirely responsible for the maintenances of the aforesaid devices for the control, direction and protection of vehicular and pedestrian traffic on the highways at said crossings, and it shall pay to the Trustees the then value (to be agreed upon as the reasonably depreciated value thereof) of so much of the devices and apparatus installed pursuant to this agreement and order of the Pennsylvania Public Utility Commission as is owned and was paid for by the said Trustees; provided, however, that if the Railroad removes its tracks at the crossings, then this agreement shall forthwith terminate and all devices, except those which the City may wish to purchase, shall be removed by the owners and the value thereof shall be divided between the Railroad and the Trustees in the proportions that they originally or subsequently contributed to the cost of construction and installation of the devices so removed.

24. This agreement shall take effect at the expiration of thirty (30) days from the date when a copy thereof shall be filed in the office of the Secretary of the Pennsylvania Public Utility Commission, Harrisburg, Pennsylvania; provided, that if the said Commission shall, prior to the expiration of such period, institute a proceeding affecting its validity under the provisions of Section 911, Article IX, of the Public Utility Law, this contract shall become effective only upon the approval thereof by the said Commission.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works to enter into an agreement, for and in behalf of the City of Pittsburgh, with Vira I. Heinz and H. J. Heinz II., for a right-of-way through and across certain property owned by said Vira I. Heinz and H. J. Heinz II. for the purpose of maintaining, repairing and continuing the use in its present location of a certain 42½-inch water main of said City now crossing said property, together with the right in the City to enter upon said premises for the purpose of repairing and inspecting said water main; and further providing as consideration therefor that the City furnish to the said Vira I. Heinz and H. J. Heinz II. free water to the amount of not more than \$2,000 per annum.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, are hereby authorized and directed to enter into an agreement with Vira I. Heinz and H. J. Heinz II., in manner and form as follows:*

THIS AGREEMENT

MADE this.....day of....., 1940,

between VIRA I. HEINZ and H. J. HEINZ II, of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, parties of the first part, (hereinafter called "Owners"),

AND

CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania, party of the second part, (hereinafter called "City").

WITNESSETH:

That the parties hereto, intending to be legally bound hereby, mutually covenant and agree as follows:

1. The Owners, subject to the right hereinafter reserved to build and to continue to maintain structures already built over the same, hereby grant unto the City of Pittsburgh, for the period hereinafter designated, a right-of-way through and across the Arsenal Terminal property (formerly known as the Allegheny Arsenal), the said property being on the northerly side of Butler Street, between Thirty-ninth and Fortieth streets, in the said City of Pittsburgh, for the purpose of maintaining, repairing and continuing the use in its present location of a certain forty-two-and-one-half-inch (42½") water main of said City, now crossing said property, together with the right in the City to enter upon the premises of the Owners for the purpose of repairing and inspecting said water main.

2. The City shall furnish to the Owners, as full and complete compensation and consideration for the grant of the aforesaid right-of-way, City water to the amount of not more than Two Thousand Dollars (\$2,000.00) per annum during the term of this agreement, for the use of the Owners and their tenants. The value of such water is to be computed at the rates prevailing from time to time, as fixed by the ordinances of the City of Pittsburgh and as measured by the aggregate annual readings of properly approved water meter or meters to be installed by said Owners.

3. The Owners agree to install, at their own expense, such approved water meter or meters as may be necessary to measure the amount of water supplied by the City of Pittsburgh for the use of

the property of the said Owners, in accordance with the terms of this agreement.

4. In full payment and satisfaction of the amounts claimed by the Owners to be due by the City for the maintenance by the City of the water main above referred to over and across the property of the owners for the years beginning 1927 to 1939, inclusive, a period of thirteen (13) years, the City agrees to issue exonerations for and satisfy water liens and charges owing to the City of Pittsburgh by said Owners for water furnished by the City of Pittsburgh on said property during said years, in an amount aggregating Two Thousand Dollars (\$2,000.00) per year during said period from 1927 to 1939, inclusive, it being the intention of the parties that Two Thousand Dollars (\$2,000.00) per annum is to be fixed and considered as the fair annual rental charge for the said right-of-way during said period.

5. The City agrees to indemnify and save harmless the Owners of any loss and damage to the property of said Owners or to the property of the lessees of said Owners upon said Arsenal Terminal property, arising out of breaks in, leakage or damage to the aforesaid water main, except any said breaks or leakage arising through negligence or wilful acts of the Owners or their lessees.

6. The Owners reserve the right to continue to maintain existing structures, improvements and buildings over and above said right-of-way, to erect further buildings, structures and improvements over said right-of-way, and to extend existing buildings, structures and improvements over said right-of-way; provided that such future buildings, structures and improvements shall be erected in such a manner as not to damage said water line and as to allow reasonable access to said water line for the purposes of repair, removal, replacement or inspection.

7. Upon termination of this agreement by either party, or upon its expiration, the City will, at the request of the Owners, back-fill said water main with furnace slag or other suitable ma-

terial, tightly tamped to the satisfaction of the Owners' engineer; provided, however, that if, on the basis of proof to be furnished by the City of Pittsburgh, satisfactory to the said Owners, as the result of inspection and tests of said water main, said water main, upon its abandonment as aforesaid, does not present a then existing hazard, said Owners will not require such backfill unless and until the presence of said abandoned water main becomes a hazard in the Owners' judgment to the use of Owners' property, whereupon City will, upon notice from said Owners, promptly do said backfilling.

8. This agreement shall be in force for five (5) years from January 1, 1940, and from year to year thereafter unless terminated by three months' written notice given by either party at any time during said term or any extension thereof. In the event of any such termination by either party, the provisions of this contract with respect to the furnishing of water by the City of Pittsburgh during any calendar year shall cease from effective date of said termination.

9. This agreement shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, executors, administrators, successors and assigns.

IN WITNESS WHEREOF, the parties of the first part have hereunto set their hands and seals, and the party of the second part has caused this agreement to be sealed with its corporate seal and to be signed by its Mayor and its Director of the Department of Public Works, and to be countersigned by its Controller, the day and year first above written.

No. 89

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to enter into an agreement with the Commonwealth of Pennsylvania, acting through the Secretary of Highways, and the County of Allegheny, acting through its Board of County Commissioners, relating to the widening, relocation and reconstruction of Saw Mill Run boulevard, State Highway Route 247, Section 5, between a point about 40 feet southwest of the intersection with Line street, and east from Saw Mill Run at Station 493 + 75, and a point approximately 1000 feet southeast of the south end of the Liberty Tubes at Station 565 + 51.5.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the De-*

partment of Public Works, for and on behalf of the City of Pittsburgh, shall be and are hereby authorized and directed to enter into an agreement with the Commonwealth of Pennsylvania, acting through the Secretary of Highways, and the County of Allegheny, acting through its Board of County Commissioners, relating to the widening, relocation and reconstruction of Saw Mill Run boulevard, State Highway Route 247, Section 5, between a point about 40 feet southwest of the intersection with Line street, and east from Saw Mill Run at Station 493 + 75, and a point approximately 1000 feet southeast of the South end of the Liberty Tubes at Station 565 + 51.5; said Agreement to be in the following form:

THIS AGREEMENT

MADE and entered into the----- day of-----, 1941, by and between the COMMONWEALTH OF PENNSYLVANIA, acting through the Secretary of Highways, hereinafter called COMMONWEALTH, party of the first part;

and

the COUNTY OF ALLEGHENY, acting through its Board of County Commissioners, hereinafter called COUNTY, party of the second part;

and

the CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania hereinafter called CITY, party of the third part;

WHEREAS the said CITY desires to construct concrete curb left and right, construct two (2) new superstructures on existing abutments extended and construct pavement on approaches outside face of curb lines, and any other items not legally payable by said Commonwealth of Pennsylvania, all in accordance with drawings approved by the Secretary of Highways November 14, 1940, in connection with the reconstruction of the following described Section 5 of Legislative Route 247 to a varying width of forty-six (46) to fifty-four (54) feet by the said COMMONWEALTH:

From a point on present Route 247, approximately 40 feet southwest from

intersection with Line street and east from Saw Mill Run at Station 493 + 75 to a point approximately 1000 feet southeast of the south end of the Liberty Tubes at Station 565 + 51.5.

AND WHEREAS, The said COUNTY is authorized by the Act of 1919, P. L. 450, and its amendments, to appropriate and expend money for the construction of any State Highway or any public highway, including property damages, upon approval of the Secretary of Highways so to do; and

WHEREAS, The said CITY is authorized by law to grant to the Board of County Commissioners of the County of Allegheny and the Commonwealth of Pennsylvania the right to enter into the City of Pittsburgh for the purpose of constructing the work in accordance with the drawings approved by said Secretary of Highways on November 14, 1940;

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the parties hereto do agree as follows:

FIRST: That the COMMONWEALTH, pursuant to the provisions of the Act of June 1, 1933, P. L. 1410, and the Act of May 31, 1911, P. L. 468, its supplements and amendments, shall advertise for bids for the reconstruction of said section of highway approximately 7185 feet in length, and will let contract or contracts for the improvement of said highway forty-six (46) to fifty-four (54) feet in width, the type of reconstruction to be 12 feet, 9 inches reinforced cement concrete left and right (outside lanes); 13 feet bituminous surface JA-1 or JC-2 on existing pavement, right and left (inside lanes) or on 14 feet, 8 inch uniform concrete base, four (4) foot divisor, estimated to cost One hundred forty-five thousand ninety three dollars and forty-five cents (\$145,093.45), and will on behalf of the CITY, receive bids for such work as cannot legally be borne and paid for by the COMMONWEALTH, which work is estimated to cost One hundred thirty-one thousand four hundred dollars and ninety-one cents (\$131,400.91), based upon preliminary

estimate prepared by and on file with the Department of Highways.

SECOND: That the COMMONWEALTH has prepared all necessary plans for the construction of the proposed improvement, said plans having been approved by the Secretary of Highways November 14, 1940, a copy of the said plans being on file in the proper offices of record in City and County. Said construction drawings or plans shall be submitted to and approved by the CITY and the COUNTY prior to the letting of contracts for the proposed work, and any changes that the COMMONWEALTH may desire to make in such plans subsequent to the approval thereof by the CITY and the COUNTY shall first be submitted to and approved by the CITY and the COUNTY before such change is incorporated therein. It is further understood that said drawings or plans shall be subject to the approval of the Public Roads Administration of the Federal Works Agency and that the CITY will prepare any necessary detailed survey and plans of private property as may be necessary for the CITY to ordain and enact such legislation as may be required for the establishment of right-of-way lines and the establishment of grades for the proposed improvement, as well as all necessary legislation to authorize the performance of the terms of the within agreement and the expenditure of City funds for such purpose.

THIRD: That the COMMONWEALTH shall defray the total cost and expense of said improvement, forty-six (46) to fifty-four (54) feet in width, and shall pay all advertising, engineering, inspection and overhead expenses.

FOURTH: That the CITY agrees to enter into a contract with the COMMONWEALTH'S contractor for constructing concrete curb left and right; constructing two (2) new superstructures on existing abutments extended and constructing pavement on approaches outside face on curb lines, at the unit prices bid by said contractor, the approximate cost of such additional improvements being one hundred thirty-

one thousand four hundred dollars and ninety-one cents (\$131,400.91).

FIFTH: Any work done and material furnished under this agreement in excess of the estimated quantities shall be paid for at the unit prices bid by the contractor, and deductions for work not done and material not furnished shall be made in a similar manner from the contract price, provided that such work done or materials furnished shall have first been submitted to and approved by the CITY and COUNTY. Any extra work upon which unit prices have not been received shall not be incorporated in the work until the cost of such work and the necessity for the same has been approved by the CITY and COUNTY.

SIXTH: The CITY further agrees to reimburse the COMMONWEALTH for the additional inspectional costs up to the amount of liquidated damages assessed on the City contract in the event such damages are assessed. No claim for payment of such costs shall be made on the County by either the COMMONWEALTH or the CITY.

SEVENTH: The COMMONWEALTH agrees to furnish the CITY and COUNTY with copies of all estimates for payment of work performed by the successful bidder or bidders on the City contract.

EIGHTH: It is agreed that the COMMONWEALTH shall have full and complete charge of the work. The COMMONWEALTH agrees that the CITY and COUNTY shall have the right to place engineers and inspectors on the site of the proposed work at their own cost and expense for the purpose of protecting both the CITY'S and COUNTY'S interests in said work. Any complaint that the CITY or COUNTY may have as to the method of work or materials used shall be made to the district representative of the Secretary of Highways. The COMMONWEALTH agrees that any justifiable complaint made by the COUNTY or the CITY shall be immediately corrected in conformity with the approved plans, specifications and this agreement.

NINTH: The CITY agrees to give all necessary notices to fully advise all parties concerned, public or private, of the proposed improvement and to secure all necessary permits other than those which may be obtained by the COMMONWEALTH for the construction of the proposed improvement.

TENTH: Prior to the commencement of the work the CITY will secure possession of and remove or cause to be removed all dwellings, buildings or other structures, as required by said plans.

ELEVENTH: The CITY agrees to take all necessary action to require all private parties, utility and public service corporations, to make necessary alterations, repairs or adjustments to existing utility facilities and to install any new facilities with their proper connections which may be required, and to take all necessary action to require all changes set forth herein to be made in strict conformity with the plans approved for said changes. The CITY further covenants and agrees to take all necessary action to require that the entire expense of all the work, adjustments and alterations, as set forth in this paragraph, be borne by the public utility concerned, and in any event, that all of said work shall be at no expense to the COUNTY or the COMMONWEALTH.

TWELFTH: The CITY agrees that it will, upon completion of all the construction work on State Highway Route 247, Section 5, assume full and complete maintenance of all of the work outside of the jurisdiction of the Department of Highways.

THIRTEENTH: It is mutually agreed between all of the parties hereto that the execution of this agreement by the said CITY shall be its application to the said COUNTY for County Aid in the construction aforesaid, and the payment of property damages under the Act of June 12, 1919, P. L. 450, as last amended by the Act of April 12, 1939, P. L. 25, and that execution of this agreement by the said COUNTY shall be its acceptance of said application

and the granting of County Aid, and that the execution hereof by the said COMMONWEALTH shall be its approval of the appropriation and expenditure by the said COUNTY of County funds, for the purposes aforementioned.

FOURTEENTH: It is understood and agreed that the granting of County Aid as aforesaid shall be upon the express condition that the CITY protect and save harmless the COUNTY from any and all suits, actions, demands and claims in law or equity, arising out of or during the construction or reconstruction of State Highway Route No. 247, Section 5, and further, that the only obligation imposed upon the County is the payment to the City of the County Aid herein provided for.

FIFTEENTH: The COUNTY agrees that it will, upon certification of the Secretary of Highways, pay to the CITY sixty (60%) per centum of the cost of the CITY'S share of the construction cost and sixty (60%) per centum of the net actual property damage assessed against the City by reason of condemnation of right-of-way and construction of State Highway Route No. 247, Section 5, provided however, that the total amount of such County Aid, both for construction costs and actual property damage, shall not exceed the sum of Ninety-six thousand (\$96,000.00) Dollars. The balance of said construction cost and property damage shall be paid by the City.

The City agrees to immediately proceed with the preparation of a Viewers Plan and present its petition to the proper Court for the appointment to viewers to ascertain the damages and benefits occasioned by said improvement and to notify the County of the time set for hearings thereon. The City further agrees that the County may if it so desires participate in hearings before the Board of Viewers or in trials on appeals therefrom. All awards of the Viewers shall be submitted to the County for its approval before the payment thereof.

SIXTEENTH: It is mutually agreed between all of the parties hereto that

execution of this agreement by the said CITY shall be its consent to allow and authority for the COMMONWEALTH to enter into the CITY OF PITTSBURGH for the purpose of performing any and all work in accordance with the drawings approved by said Secretary of Highways on November 14, 1940.

IN WITNESS WHEREOF, the Secretary of Highways, acting for and on behalf of the COMMONWEALTH OF PENNSYLVANIA, has hereunto affixed his hand and the seal of the Department of Highways, and the County Commissioners of the COUNTY OF ALLEGHENY, acting for and on behalf of the said County, and the proper officers of the CITY OF PITTSBURGH, acting for and in behalf of said City, have hereunto set their hands and official seals pursuant to due and legal action by the County authorizing the same, and by Ordinance of said City, Ordinance No. _____, approved the _____ day of _____, 1941.

AN ORDINANCE—Granting unto the Housing Authority of the City of Pittsburgh, its successors and assigns, the right to construct, maintain and use conduits, pipe lines, manholes, and other appurtenances for the conveyance and distribution of steam, domestic hot water and gas in the streets and ways within their Housing Sites, known as Terrace Village, Unit No. 1, Project Pa. 1-1, Bedford Dwellings, Project Pa. 1-2, and Terrace Village, Unit No. 2, Project Pa. 1-3, subject to certain terms and conditions as herein provided.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Housing Authority of the City of Pittsburgh, its successors and assigns, be and are hereby given the right and authority at its own cost and expense

to construct, maintain, and use conduits, pipe lines, manholes and other appurtenances for the conveyance and distribution of steam, domestic hot water and gas in the streets and ways within their Housing Sites known as Terrace Village, Unit No. 1, Project Pa. 1-1, Bedford Dwellings, Project Pa. 1-2 and Terrace Village, Unit No. 2, Project Pa. 1-3, in the locations shown on the Housing Authority Plans for Terrace Village, Unit No. 1, Drawings H-651, H-660 and P-701; Bedford Dwellings, Drawings H-658, M-601, M-602, and M-603; Terrace Village, Unit No. 2, Drawings H-651, H-686 and P-702, all of which are identified as Accession No. B-507, in the files of the Division of Public Utilities, Bureau of Engineering, Department of Public Works.

Section 2. The said Housing Authority of the City of Pittsburgh shall submit to the Director of the Department of Public Works a complete set of plans, in triplicate, showing the location and details for the construction of the said conduits, pipe lines, manholes and other appurtenances and said plans and the construction of said conduits, pipe lines, manholes and other appurtenances shall be subject to the approval and supervisions of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its power over City Streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of said conduits, pipe lines, manholes and other appurtenances on City Streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repairing of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said conduits, pipe lines, manholes and other appurtenances. All of the said work, including the repaving of the streets damaged, shall be

done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said conduits, pipe lines, manholes and other appurtenances upon giving six (6) month's notice through the proper officers pursuant to resolution or ordinance of Council to the said Housing Authority of the City of Pittsburgh, its successors and assigns, to that effect, and that the said grantee when so notified, shall at the expiration of the said six (6) months, forthwith remove the said conduits, pipe lines, manholes and other appurtenances and replace the streets in their original condition, at its own expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said conduits, pipe lines, manholes and other appurtenances, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the Housing Authority of the City of Pittsburgh shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate of acceptance to be executed by the proper officials of the Housing Authority of the City of Pittsburgh, with its corporate seal attached.

No. 121

AN ORDINANCE—Granting unto the Harry P. Davis Estate, its successors or assigns, the right to construct, maintain, use and operate a cellar door in

the Southerly sidewalk at No. 6006 Kirkwood street, in the 11th Ward of the City of Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Harry P. Davis Estate, its successors or assigns, are hereby given the right, privilege and authority to construct, maintain, use and operate at its own cost and expense, a cellar door in the Southerly sidewalk at No. 6006 Kirkwood street, in the 11th Ward of the City of Pittsburgh, Pa.

The cellar door to be constructed by virtue of this ordinance shall begin at a point on the Southerly line of Kirkwood street, distant Eastwardly 95.00 feet from the Easterly line of North Highland avenue, thence extending Eastwardly 4.00 feet along the Southerly line of Kirkwood street, to a point; thence deflecting to the left 90° 0' 0" and in a Northerly direction of 4.00 feet to a point; thence deflecting to the left 90° 0' 0" and in a Westerly direction 4.00 feet to a point; thence deflecting to the left 90° 0' 0" and in a Southerly direction 4.00 feet to the Southerly line of Kirkwood street, the place of beginning. The said cellar door shall be constructed according to the provisions of this ordinance and in accord with the plans identified as proposed cellar door for the Harry P. Davis Estate, and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, City of Pittsburgh, and known as Accession B-507.

Section 2. The said Harry P. Davis Estate prior to the beginning of the construction of the said cellar door, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans in triplicate, showing the location and all details for the construction of the said cellar door, said plans and the construction of the cellar door shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and sub-

ordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinances which have been or may hereafter be passed relating to the construction, maintenance and use of cellar doors on City streets and compensation for same.

Section 4. The Harry P. Davis Estate shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures; which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said cellar door. All of the work, including the repaving or repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said cellar door upon giving to the said Harry P. Davis Estate at least six months written notice from the proper officers of the City, pursuant to a resolution or ordinance of Council to Harry P. Davis Estate, and that the said Harry P. Davis Estate, when so notified, shall at or before the expiration of the said six months, remove the said cellar door, and restore the sidewalk to its proper condition at their own cost and expense and to the satisfaction of the Director of Public Works.

Section 6. The said Harry P. Davis Estate shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said cellar door, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing right and privilege are granted subject to the condition that this ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approved by the Mayor of the City of Pittsburgh, the said Harry P. Davis Estate shall file with the proper officers of the City of Pittsburgh, their certificate of acceptance, accepting the provisions of this ordinance, said certificate of acceptance to be executed by the said Harry P. Davis Estate.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

A^N ORDINANCE—Authorizing the City of Pittsburgh to enter into a contract with the Housing Authority of the City of Pittsburgh for reimbursement to the City of Pittsburgh of the cost of the uncompleted portion of the grading of Ammon Playground and work incidental thereto, in connection with Project PA-1-2 (Bedford Dwellings) of the Authority, that was not performed by the Housing Authority of the City of Pittsburgh in conformity with an agreement duly entered into therefor by said agencies; providing that said work shall be performed by the City of Pittsburgh and for payment of an amount equal to the said reimbursement in a special fund to be established, to be known as the "Housing Authority of the City of Pittsburgh Special Ammon Playground Fund," and prescribing a form of contract with the Housing Authority of the City of Pittsburgh with reference thereto, and authorizing the execution of said contract.

WHEREAS, the agreement entered into pursuant to Ordinance No. 587, approved December 16, 1938, provided that the Housing Authority of the City of Pittsburgh shall agree to grade the new Ammon Playground property acquired

for playground and other public purposes in a manner satisfactory to the Department of Public Works, and

WHEREAS, the Housing Authority of the City of Pittsburgh actually entered into a contract for the grading of the said playground area, and

WHEREAS, it developed that sufficient surplus excavation to complete the grading of the said playground was not made available to the contractor required to grade the playground and because thereof, it was deemed reasonable and proper that the said contractor be relieved of the necessity of completing certain items of construction work subject to adjustment of payment made on the Final Estimate therefor by way of a deduction of \$1,210.00 from the contract price, and

WHEREAS, such procedure was recommended by the Authority, and was approved by the Director of the Department of Public Works on condition that an agreement be entered into for the payment to the City by the Housing Authority of a sum equal to the said deduction, to be applied by the City toward the cost of completing the grading and work incidental thereto of the said playground, and

WHEREAS, the City and the Authority are desirous of entering into an agreement to provide for the said work and for reimbursing the City in the amount of the sum deducted for the non-completion of the required work,

NOW, THEREFORE,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to enter into an agreement, on behalf of the City of Pittsburgh, with the Authority substantially in the following form:*

AGREEMENT BETWEEN THE CITY OF PITTSBURGH AND THE HOUSING AUTHORITY OF THE CITY OF PITTSBURGH.

WHEREAS, the Housing Authorities Law of the Commonwealth of Pennsylvania authorized the Authority to contract with respect to the improve-

ments, services and facilities to be furnished for the benefit of low-rent housing projects in the City, and the Housing Co-operation Law authorizes the City to contract with respect to the municipal aid for projects:

NOW, THEREFORE, THIS AGREEMENT WITNESSETH; That in consideration of the mutual promises of the City and the Authority hereinafter set forth, the City and the Authority agree as follows:

1. The City agrees to complete the grading and work incidental thereto on the Ammon Playground in connection with Project PA-1-2 of the Authority in a manner satisfactory to the Authority within 120 calendar days of the execution of this agreement.
2. The Authority agrees to deposit into the City Treasury, in a fund to be known as the "Housing Authority of the City of Pittsburgh Special Ammon Playground Fund," the sum of \$1,210.00, to be appropriated to the Department of Public Works to pay for the Authority's full share of the cost of completing the necessary grading and work incidental thereto in connection with the development of the new Ammon Playground.
3. This agreement shall continue in full force and effect with respect to the projects of the Authority so long as the title thereto (except for the lien or title conveyed to the Trustee or Trustees under the Indenture or Indentures securing bonds issued to aid in the development of the projects) is held by the Authority or some other public body or agency of the state.

IN WITNESS WHEREOF, the City of Pittsburgh, Pennsylvania, and the Housing Authority of the City of Pittsburgh, have respectively caused this agreement to be duly executed in ten copies as of the.....day of

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor be, and he is hereby authorized to appoint 15 citizens of the County of Allegheny who, together with those City officials who are hereinafter constituted as members ex officio, shall constitute and be known as the "Better Traffic Committee," 3 of said Committee shall be designated to serve for a period of 1 year from the first day of the month next following the Passage of this Ordinance; 3 shall be designated to serve for a period of 2 years from the first day of the month next following the passage of this Ordinance; 3 shall be designated to serve for a period of 3 years from the first day of the month next following the passage of this Ordinance; 3 shall be designated to serve for a period of 4 years from the first day of the month next following the passage of this Ordinance, and 3 shall be designated to serve for a period of 5 years from the first day of the month next following the passage of this Ordinance. Vacancies occurring otherwise than through the expiration*

of the terms above set forth shall be filled for the unexpired term. After the expiration of the original terms as above set forth, appointments shall be made for a term of 5 years. All members of the Better Traffic Committee shall serve as such without compensation.

Section 2. MEMBERS EX OFFICIO: That a member of Council to be appointed by the President of Council, the Director of the Department of Public Safety, the Director of the Department of Public Works, the Superintendent of the Bureau of Police, the Traffic Engineer of the Bureau of Traffic Planning in the Department of Public Safety, the Chief Engineer of the Department of City Planning, and the Police Magistrate assigned to Traffic Court, shall be members ex officio of the Better Traffic Committee.

Section 3. ORGANIZATION AND MEETINGS: That the Committee shall elect a Chairman and such other officers as it may require, and shall hold meetings at such regular intervals, not less frequently than once a month, as it shall determine. The Committee may adopt rules for the conduct of its business, and shall keep records of its proceedings and determinations, which records shall be public.

Section 4. POWERS AND DUTIES: That the Better Traffic Committee shall have the power, at the request of the Mayor, Chairman of Council's Committee on Public Safety, or any other official of the City of Pittsburgh charged with any duty or function affecting traffic or its regulation or on its own initiative, to examine any matter relating to traffic or the regulation thereof, as defined in the Charter Act of the City of Pittsburgh, the amendments and supplements thereto, and in the Ordinances of the City of Pittsburgh, and to make reports and recommendations thereon to the officer requesting such study; it being the intention of this Ordinance that the powers and functions of the Better Traffic Committee shall be advisory only, and shall in no way be construed as a delegation of the authority vested by law in any of the officers of the City of Pittsburgh, or in

any department or bureau of the City of Pittsburgh. The Better Traffic Committee shall have no power to make contracts on behalf of the City of Pittsburgh, nor to employ any persons as regular employees or as consultants, but shall have the power to request the proper officer of the City of Pittsburgh to assign to said Committee such employees or consultants as it may from time to time require and as may be available from those then employed by the City of Pittsburgh; and may further request the proper officer of the City of Pittsburgh to create positions or employ needed personnel and provide for the payment thereof in accordance with the laws and ordinances governing the City of Pittsburgh, said employees, however, to be employees of the proper department and not employees of the Better Traffic Committee. No appropriation shall be made to the Better Traffic Committee, but said Committee shall furnish to the Director of the Department of Public Safety, before September 1 of each year, an estimate of its requirements, and the Director of the Department of Public Safety may include in the Departmental Estimates of the Bureau of Traffic Planning such request for appropriation for the use of the Better Traffic Committee as he may deem proper, and Council may make appropriation therefor in accordance with existing laws.

Leo Well Elementary School Building with the Kennard Playground, in the 5th Ward, Pittsburgh, Pa., subject to the terms and conditions herein set forth.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Board of Public Education of Pittsburgh, its successors and assigns be and it is hereby given the right and authority at its own cost and expense, to construct, maintain and use an overhead foot bridge over and across Reed street with a footer projection for the South abutment in Reed street and a walkway and steps on Kennard Playground to connect the A. Leo Weil School Building with the Kennard Playground, in the 5th Ward, Pittsburgh, Pa.*

The said bridge, footer projection, walkway and steps shall be constructed in accordance with the provisions of this ordinance and in accordance with the plan hereto attached and identified as Accession No. B-508 in the files of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, entitled Proposed Foot Bridge over and across Reed street with a walkway and steps in Kennard Playground; for the Board of Public Education in the 5th Ward, Pittsburgh, Pa., and located as follows:

LOCATION OF BRIDGE

The center line of said bridge, walkway and steps to cross Reed street at an angle of 90° therewith and to be distant 117.50 feet Westwardly from the Westerly line of Soho street. The bridge shall have a minimum clearance of 17.00 feet about the curb grade of Reed street, with a width of 10 feet 8½ inches and a length of 60.00 feet, crossing Reed street.

FOOTER PROJECTION

The footer projection of the South abutment of the proposed bridge shall extend 1 foot 3½ inches in Reed street for a length of 16.00 feet, symmetrical about the center line. The elevation at bottom of footer course being 974.42 feet. The elevation at top of footer course being 977.92 feet. U. S. Government datum.

WALKWAY

The center line of the walkway shall begin at a point on the Westerly line of Reed street at an elevation of 999

feet 9 inches; thence extending Westwardly into Kennard Playground 45 feet 11½ inches to a point; to an elevation of 1,000 feet, said walkway having a width of approximately 8 feet 2 inches.

STEPS AND LANDINGS

The center line of the steps shall begin at a point distant 45 feet 11½ inches Southwestwardly from the Westerly line of Reed street, at an elevation of 1,000 feet, rising by 16 risers and thence extending Southwestwardly 16.00 feet to a point, to an elevation 1,008 feet; thence Southwardly and level for a distance of 7.00 feet; thence rising by 12 risers and extending Southwestwardly for a distance of 11.00 feet, to an elevation of 1,014 feet; thence Southwestwardly and level for a distance of 5.90 feet; thence rising by 12 risers and extending Southwestwardly 13.00 feet to a point to an elevation of 1,020 feet more or less.

Section 2. The said Board of Public Education, prior to the beginning of construction of said overhead foot bridge, walkway and steps, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location, and all details of the construction of said facilities, and no work shall be commenced thereon until said plans have been approved by the Director of Public Works who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of overhead foot bridges across City streets and which may provide for compensation for the use thereof.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks affected by this improve-

ment; or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said overhead bridge; all of said work including repairs of street or sidewalk, shall be done in a manner and at such times as said Director may order and shall be subject to his approval and supervision.

Section 5. The said Grantee shall be responsible for and shall assume any liability whatsoever either of the said Grantee or of the City of Pittsburgh for damage to persons or property by reason of the construction, maintenance and use of said overhead foot bridge, walkway and steps, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said overhead foot bridge, walkway and steps, upon giving six (6) months' notice thereof through the proper officers of the City pursuant to resolution or ordinance of Council, and that the said Grantee when so notified shall at the expiration of said six (6) months forthwith remove the said overhead foot bridge, walkway and steps, and restore the said street and grounds to a safe and proper condition.

Section 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this ordinance shall become null and void unless within thirty (30) days after the passage and approval of the ordinance the said Board of Public Education shall file with the City Controller its certificate of acceptance of this ordinance duly executed.

No. 185

AN ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the amount of One Million Seven Hundred Fifty Thousand (\$1,750,000.00) Dollars and providing for the issuance of bonds of said City in said amount to provide funds to pay the cost, or the City's share thereof, for the construction of General Public Improvements within the City, including the materials necessary therefor and the preliminary expenses in connection therewith and to pay for engineering, architectural and labor costs, property damages, and all other necessary expenses incurred or to be incurred in connection with such General Public Improvements; and to provide funds to pay for expenses incurred or to be incurred in connection with contracts for other municipal improvements and for the acquisition of lands and buildings; and improvements, alterations and repairs to buildings and to provide funds to pay for expenses incurred or to be incurred in repairing, replacing and acquiring various equipment; and to further provide funds to pay the City's share of the cost of Unemployment Relief Projects in connection with General Public Improvements and Surveys to be carried out by the Department of Public Works and other departments of the City in conjunction with the Federal Work Projects Administration; and levying taxes to provide funds for the redemption of said bonds at maturity and the payment of the interest and State taxes thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That bonds of the City of Pittsburgh be issued in the aggregate principal amount of One Million Seven Hundred Fifty Thousand (\$1,750,000.00) Dollars to provide funds to pay the cost or the City's share thereof, for the construction of General Public Improvements within the City, including the materials necessary therefor and the pre-*

liminary expenses in connection therewith and to pay for engineering, architectural and labor costs, property damages, and all other necessary expenses incurred or to be incurred in connection with such General Public Improvements; and to provide funds for expenses incurred or to be incurred in connection with contracts for other municipal improvements and for the acquisition of lands and buildings; and improvements, alterations and repairs to buildings and to provide funds to pay for expenses incurred or to be incurred in repairing, replacing and acquiring various equipment; and to further provide funds to pay the City's share of the cost of Unemployment Relief Projects in connection with General Public Improvements and Surveys to be carried out by the Department of Public Works and other departments of the City in conjunction with the Federal Work Projects Administration.

Section 2. Said bonds shall be in denominations of One Thousand (\$1,000.00) Dollars each, shall be dated as of the first day of May, 1941, and shall be payable in nineteen (19) equal annual installments of Eighty-eight Thousand (\$88,000.00) Dollars each, one of which installments shall mature on the first day of May in each of the years 1942 to 1960, inclusive, and one installment of Seventy-eight Thousand (\$78,000.00) Dollars, which shall mature on the first day of May in the year 1961. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as hereinafter provided, payable semi-annually on the first days of November and May in each year during the term thereof, without deduction for any taxes which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which taxes is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money

of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity, by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Code Account No. 42, Contingent Fund.

Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the city official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

**GENERAL PUBLIC IMPROVEMENT
BOND OF 1941**

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1942, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total

amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds

Section 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be and become part of the funded debt of the City of Pittsburgh and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the form of coupon bonds issued in pursuance of this ordinance shall be substantially as follows:

No. 307

AN ORDINANCE—Providing for a joint agreement between the City of Pittsburgh, School District of Pittsburgh and

the Federal Works Administrator of the United States of America for the payment of sums of money in lieu of City and School taxes on Federal Defense Housing Units erected by the Federal Works Administrator within the limits of the City.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the City Treasurer are hereby authorized and directed to enter into a joint agreement between the City of Pittsburgh, School District of Pittsburgh and the Federal Works Administrator of the United States of America for the payment of sums of money in lieu of City and School taxes on Federal Defense Housing Units erected by the Federal Works Administrator within the limits of the City, in the manner and form as follows:

AGREEMENT BETWEEN
THE UNITED STATES OF AMERICA
(Herein Called the "Government"), THE
CITY OF PITTSBURGH (Herein Called
the "City"), and THE SCHOOL DISTRICT OF PITTSBURGH (Herein Called the "School District") ON PAYMENTS IN LIEU OF TAXES.

WHEREAS, pursuant to Public No. 849, 76th Congress—the Lanham Act as amended (herein referred to as the "Act"), the Federal Works Administrator (herein referred to as the "Administrator") is authorized to develop housing, to accommodate persons engaged in national defense activities (as defined in the Act); and

WHEREAS, the Administrator has authorized the development of such housing, consisting of approximately 1,000 units to be located in the City (identification No. PA. 36101-X and herein referred to as the "Development"); and

WHEREAS, by virtue of the fact that the Development and land acquired or to be acquired in connection therewith and the improvements thereon are owned or are to be owned by the Government, such land and improvements are or will be exempt from taxation by the City, the School District, and by all other political subdivisions of the Commonwealth of Pennsylvania; and

WHEREAS, the Administrator, by virtue of Section 9 of the Act is authorized to enter into agreements to pay annual sums in lieu of taxes and the Administrator is willing to make certain payments in lieu of taxes to the City and School District and to other political subdivisions in which the Development is situated:

NOW, THEREFORE, THIS AGREEMENT WITNESSETH:

That in consideration of the mutual covenants and conditions hereinafter set forth, the parties hereto agree as follows:

1. The Administrator shall pay to the City Treasurer annually a sum equal to 11.205% of the total annual dwelling shelter rentals charged for occupied units in the Development which amount is to be distributed between the City and the School District in accordance with Paragraph 7 of this Agreement, provided that the amount to be paid in lieu of taxes to the City and School District for any year with respect to the Development shall never exceed the taxes that would be paid upon such property to the City and the School District if it were not exempt from taxation. For the purpose of evidencing compliance with the provisions of this Paragraph, the City and the School District will furnish the Administrator with such information as may from time to time be requested. For purposes of this Paragraph, shelter rent shall mean the charge established for the use of a dwelling excluding the furnishing of any utilities (i. e., water, heating of water, light, cooking fuel, or refrigeration energy).

2. For the purpose of fixing a time for making such payments to the Treasurer of the City (who is herein designated by the City and the School District to receive such payments and distribute same as provided in Paragraph 7 hereof), the Administrator, the City and the School District agree that the amount to be paid annually by the Administrator pursuant to Paragraph 1 hereof shall be paid at the same time as ad valorem taxes are due the City. Such payments shall be for the annual period commencing with the preceding first day of January in each year and termi-

nating on the ensuing thirty-first day of December. The first payment shall be computed on the basis of the total dwelling shelter rentals charged for occupied units in the Development from the completion date of the first building in the Development to December 31 next succeeding such date.

3-A. The City agrees that during the period commencing with the date of the acquisition of any part of the site or sites for the Development and continuing for the life of this Agreement, it will not make any charge against the Government for any special services in connection with the construction and administration of the Development except such charges as may be agreed to by or on behalf of the Administrator.

3-B. The School District agrees that during the period commencing with the date of the acquisition of any part of the site for the Development and continuing for the life of this Agreement, it will not levy or impose any taxes or make any charge against the Government in connection with the administration of the Development and will accept a payment in lieu of taxes, to be computed in accordance with Paragraph 7 of this Agreement, which payment is to be collected by the Treasurer of the City on its behalf.

4-A. The City will furnish to the Government and the tenants of the Development, the usual municipal services and facilities which are or may be furnished without cost or charge to other dwellings and inhabitants in the City, including, but not limited to, fire, police and health protection and services; street lighting; fire hydrant service; sewer service; the collection and disposal of garbage, trash and ashes for the Development and the tenants thereof.

4-B. The School District agrees that it will furnish, without cost or charge to the Administrator and the tenants of the Development, the usual services and facilities which it now does or may hereafter furnish, without cost or charge, to other dwellings and inhabitants within its jurisdiction.

5. The City will maintain in good repair and working order any and all municipal utilities and facilities pro-

vided by it for the use and benefit of the Development and the tenants thereof; and will maintain in good repair streets, roads and alleys which are adjacent or leading to, or which are within the boundaries of the Development.

6. Nothing in this Agreement shall be construed to confer any exemption upon the tenants who may occupy the Development from the payment of taxes which may be lawfully assessed against them.

7. The City will distribute each such annual payment in lieu of taxes to the taxing bodies in such proportion that each taxing body will receive from the total payment by the Administrator hereunder the same proportion as said taxing body's ad valorem tax would bear to the total ad valorem taxes which would be levied against the Development by the City and the School District if it were operated by private enterprise and subject to normal taxation. For the purposes of this Agreement, the term "taxing bodies" shall mean the City and the School District or any taxing unit thereof which shall have authority to levy taxes, or to certify taxes to a taxing body or public officer, to be levied for its use and benefit, and in which the Development is situated.

8. This Agreement shall continue in full force and effect with respect to the Development so long as the title thereto is held by the Government and so long as the emergency declared by the President on September 8, 1939, to exist continues; provided, however, that so long as the title to the Development is held by the Government after said emergency has terminated, this Agreement shall continue in full force and effect until sixty (60) days after either party has given to the other written notice that the Agreement shall terminate at the end of said sixty (60) days.

9. Upon the sale by the Government of any part or parts of the Development, the part or parts so sold shall, from the date of sale, no longer be considered part of the Development. Upon the termination of this Agreement as to the whole of the Development, the Government will pay such portion of

the annual payment called for by Paragraph 1 hereof as the elapsed portion of the twelve-month period bears to twelve months.

10. No member of or Delegate to the Congress of the United States of America shall participate in the funds made available under this Agreement.

This agreement is executed on behalf of the City pursuant to Ordinance No. _____ approved by the Mayor on _____, 1941, and recorded in Ordinance Book Volume _____, Page _____, and on behalf of the School District pursuant to a Resolution of the Board of Public Education at a regular meeting approved _____, 1941.

IN WITNESS WHEREOF, the City, the School District and the Government have respectively caused this Agreement to be duly executed as of this _____ day of _____, 1941.

No. 310

AN ORDINANCE—Vacating MAGAW STREET, from Saw Mill Run Boulevard to a point 82.0 feet east of Level way, and reserving the right of the City of Pittsburgh to maintain, repair, construct and reconstruct existing sewers or new sewers in, under, across and through MAGAW STREET within the limits of the said vacation, and providing certain terms and conditions.

WHEREAS, It appears by the petition and affidavit on file in the Office of the City Clerk that all the owners of the property fronting or abutting on the lines of MAGAW STREET, between Saw Mill Run boulevard and a point 82.0 feet east of Level way, have petitioned the Council of the City of Pittsburgh to enact an ordinance for the vacation of the same; Therefore,

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That MAGAW STREET, from Saw Mill Run boulevard to a point 82.0 feet east of the easterly line of Level way, as laid out in the Magaw and Goff, Limited, Plan of Lots, of record in the Recorder's Office of Allegheny County in Plan Book Volume 10, page 69, be and the same is hereby vacated.

Section 2. The vacation of MAGAW STREET, from Saw Mill Run boulevard to a point 82.0 feet east of Level way, is made upon the following terms and conditions to be accepted by the JOHN D. PAGE SONS COMPANY, the owner of all the property fronting or abutting upon Magaw street, within the limits of the said vacation, before said vacation shall become effective:

(a) The City of Pittsburgh reserves the right to continue, maintain and use all existing sewers now located under said street, between the said points, and specifically reserves the right to enter upon the land formerly within the lines of said Magaw street, within the limits of the said vacation, for said purposes.

(b) The City of Pittsburgh reserves the right to construct, maintain and use within the lines of the said Magaw street as vacated, any future sewers, and for said purposes to enter upon said property for the construction, inspection, maintenance and repair of any future sewers.

(c) The John D. Page Sons Company, for itself, its successors and assigns, covenants and agrees to reimburse the said City of Pittsburgh for any additional expense incurred by it in connection with the construction of any future sewers, and/or the maintenance of any existing or future sewers made necessary by reason of any paving, improvements, structures or buildings erected on the vacated street.

(d) The John D. Page Sons Company, for itself, its successors and assigns, waives all damage, claims or demands arising by reason of entry upon and/or construction, maintenance and repair of existing and future sewers on the vacated street.

(e) The John D. Page Sons Company, for itself, its successors and assigns,

agrees within thirty (30) days from the final passage and approval of this ordinance, to file with the City Controller an acceptance of the terms and conditions hereof, said acceptance being duly authorized by the Board of Directors of the said John D. Page Sons Company, and upon failure to file such acceptance within thirty (30) days from the passage and final approval of this ordinance, the same shall be void and of no effect.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 311

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works, on behalf of the City, to jointly with the School District of Pittsburgh, enter into an agreement with the Hampton Hall Improvement Company, a Pennsylvania corporation, and the Phillips Avenue Improvement Company, a Pennsylvania Corporation, for the purchase of approximately 58½ acres of land in the 19th Ward of the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works on behalf of the City of Pittsburgh are hereby authorized and directed to enter into an agreement jointly with the School District of Pittsburgh, together hereinafter called "The Municipalities," on the one part, with the Hampton Hall Improvement Company, a Pennsylvania Corporation, and the Phillips Avenue Improvement Company, a Pennsylvania Corporation, on the other part, for the purchase of approximately 58½ acres of land in the 19th Ward of the City of Pittsburgh adjoining the present*

Moore Playground and West Liberty School property, under terms and conditions and in manner and form as follows:

THIS AGREEMENT

Made and entered into this _____ day of _____, 1941, between the HAMPTON HALL IMPROVEMENT COMPANY, a corporation organized and existing under and by virtue of the laws of the Commonwealth of Pennsylvania, and the PHILLIPS AVENUE IMPROVEMENT CORPORATION, a corporation organized and existing under and by virtue of the laws of the Commonwealth of Pennsylvania, hereinafter called "parties of the first part;"

AND

the CITY OF PITTSBURGH and the SCHOOL DISTRICT OF PITTSBURGH, parties of the second part, hereinafter called the "Municipalities;"

WITNESSETH:

WHEREAS, the parties of the first part are the record title owners in fee simple of a certain tract or tracts of land in the Nineteenth ward of the City of Pittsburgh, approximating one hundred eight and one-half (108½) acres, and more fully described in deeds recorded in the Recorder's Office of Allegheny County in Deed Books Volume 2481, page 264, and Volume 2604, page 700; and,

WHEREAS, there is due the Municipalities certain sums of money for delinquent taxes assessed and levied against said land, both lien and unlien, up to and including the year 1941, together with penalties, interest and costs thereon; and,

WHEREAS, the said parties of the first part desire to convey to the Municipalities fifty-eight and one-half (58½) acres, more fully hereinafter described, of the said land, subject to all City, County and School taxes levied and unpaid against the same, for a sum or price equivalent to the combined sum of all City of Pittsburgh and School District of Pittsburgh delinquent taxes, penalties, interest and costs, calculated as of the date of this Agreement, levied and unpaid against the remaining fifty (50) acres of the aforesaid one hundred eight and one-half (108½) acres; and,

WHEREAS, the said Municipalities desire to take title to the said fifty-eight and one-half (58½) acres in proportion to their delinquent taxes involved in this transaction; the interests of the City and School District to be determined by their respective delinquent taxes against the entire tract of one hundred eight and one-half (108½) acres.

NOW, THEREFORE, the parties to this agreement, for and in consideration of the mutual covenants and conditions hereinafter specified, do hereby covenant and agree as follows:

FIRST: Said parties of the first part, by their proper officers, hereby covenant and agree to grant and convey to the City of Pittsburgh and the School District of Pittsburgh by deed of general warranty, free and clear of all encumbrances, except City, School and County taxes, and subject to pipe lines, mining rights, rights of way or easements in prior deeds of record, the following described real estate:

ALL that certain tract of land situate in the Nineteenth (19th) Ward of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, containing 58½ acres more or less, and being bounded and described as follows, to-wit:

one and six hundredths (1.06) acres aforesaid.

SECOND: The parties of the first part agree that they will erect or cause to be erected upon the tracts of land containing respectively five and thirty-three hundredths (5.33) acres and one and six hundredths (1.06) acres, or on land lying within one hundred fifty (150) feet of the boundaries of the tract of five and thirty-three hundredths (5.33) acres, dwellings or other buildings complying with the Zoning Laws of the City of Pittsburgh which will represent an increase in assessment for the purpose of taxation of at least One Hundred Thousand (\$100,000.00) Dollars. The development of this tract of land is to be commenced promptly upon the execution and delivery of this Agreement and prosecuted with diligence so that at least Thirty Thousand (\$30,000.00) Dollars in assessed value will be fully completed on or before October 1, 1942, and the remainder of said One Hundred Thousand (\$100,000.00) Dollars in assessed value shall be fully completed on or before two years from the date of the delivery of this Agreement.

THIRD: At the end of two years after the delivery of this Agreement, provided the new construction work to be performed under the provisions of the preceding paragraph has been fully completed and the terms of this contract fully complied with, the City of Pittsburgh and the School District of Pittsburgh shall pay to the parties of the first part a sum equivalent to the combined City and School delinquent taxes, penalties, interest and costs calculated as of December 31, 1941, covering City and School taxes for the year 1941 and prior years on the remainder of the land not conveyed to the Municipalities containing approximately forty-three and sixty-one hundredths (43.61) acres, said sum to be immediately paid by said parties of the first part to the City of Pittsburgh and the School District of Pittsburgh and applied in payment of delinquent taxes, penalties, interest and costs on that portion of the fifty (50) acre tract remaining after deducting the tract of five and thirty-three hundredths (5.33) acres and the tract of one and six

hundredths (1.06) acres above mentioned.

FOURTH: It is expressly understood and agreed between the parties to this Agreement that the new construction and increase in assessment is the inducing cause for the execution of this Agreement by the parties of the second part, and if the parties of the first part should fail to complete new buildings having an assessed value of Thirty Thousand (\$30,000.00) Dollars on or before October 1, 1942, or having completed this amount by that date, should fail to complete new buildings having a total assessed value of One Hundred Thousand (\$100,000.00) Dollars on or before the expiration of two years from the date of the delivery of this Agreement, then in either such case, this Agreement shall become null and void and the Municipalities shall be entitled to retain title to the tract of fifty-eight and one-half (58½) acres conveyed to them without any further payment and may proceed to collect any taxes remaining unpaid on the remainder of the entire tract of one hundred eight and one-half (108½) acres, more or less.

FIFTH: If the parties of the first part perform this Agreement according to its terms so that they become entitled to payment of the remainder of the moneys payable for the land conveyed to the Municipalities, they shall first pay all County taxes against the tract of land conveyed to the Municipalities.

SIXTH: That the title to the said fifty-eight and one-half (58½) acres acquired by the Municipalities shall be insured in the sum of the value placed thereon by the Board of Assessors of the City, and said Municipalities agree to pay their proportionate share of such insurance, and that the policy and deed, after recording, shall be deposited with the Controller of the City of Pittsburgh.

SEVENTH: Provided the terms of this agreement are fully complied with, no interest shall be added after December 31, 1941, to City and School taxes for the year 1941 and prior years assessed and levied against the aforesaid fifty (50) acres for the purpose of calculating payments to be made

under this agreement. This provision shall in no wise apply to County taxes.

EIGHTH: The Municipalities hereby agree that the fifty-eight and one-half (58½) acres, more fully described in Paragraph First hereof, shall be under the control and supervision of the City of Pittsburgh, and that the City of Pittsburgh will protect and save harmless the school District of Pittsburgh of and from all actions or claims for damages which may arise and which may be based upon any claim for negligence in connection with the maintenance and control of said land or any operations conducted thereon.

THIS AGREEMENT is authorized and executed pursuant to a resolution of the School District of Pittsburgh adopted at a regular meeting of The Board of Public Education on the _____ day of _____, 1941; and by the City of Pittsburgh pursuant to Ordinance No. _____, approved by the Mayor the _____ day of _____, 1941; and recorded in Ordinance Book Volume _____, page _____; and by resolution of the stockholders of the Phillips Avenue Improvement Company adopted at a special meeting called for that purpose on the _____ day of _____, 1941; and by resolution of the stockholders of the Hampton Hall Improvement Company adopted at a special meeting called for that purpose on the _____ day of _____, 1941.

IN WITNESS WHEREOF, the parties to this Agreement have caused this Agreement to be executed by their proper officers and their seals hereunto affixed the day and year aforesaid.

Smoke shall be considered dense when it is equal to or of greater density than No. 2 of said Chart.

The following exceptions to the provisions of this Section shall be permitted:

(a) When a fire box is being cleaned out or a new fire being built therein, smoke shall be permitted to a density of No. 2 smoke or less for a period or periods aggregating nine minutes or less in any one hour, or of a density in excess of No. 2 smoke for a period or periods aggregating six minutes or less in any one hour.

(b) After a locomotive is in service or ready for service, dense smoke shall be permitted for a period or periods aggregating one minute or less in any one hour.

All persons, firms or corporations violating any of the provisions of this Section shall be subject to the fines and penalties hereinafter provided. All persons participating in any such violation, either as owners, proprietors, lessees, agents, tenants, managers, superintendents, captains, engineers, firemen or janitors, or otherwise, shall severally be liable therefor and subject to the fines and penalties fixed by this Ordinance.

Section 2. In order to implement an effective system of inspection and enforcement, and in order to permit of a reasonable period for compliance with the provisions of this Ordinance, the provisions of Section 1 shall become effective on October 1, 1941, with the following exceptions:

DWELLINGS:

1. For the period beginning October 1, 1941, and ending September 30, 1943, the provisions of Section 1 shall not apply to buildings used exclusively for private residences containing less than three dwelling units or flats.

2. For the period beginning October 1, 1941, and ending September 30, 1943, the provisions of Section 1 shall not apply to buildings used exclusively for

private residences that do not contain a central heating plant.

LOCOMOTIVES:

3. The provisions of Section 1 shall not apply to locomotives in service or ready for service until October 1, 1942. Provided, however, in the interim period, beginning October 1, 1941, and ending September 30, 1942, the emission of dense smoke within the City from the stack of any locomotive after it is in service or ready for service, except for a period or periods aggregating two minutes or less of a density of No. 2 smoke, in any period of eight minutes, or one minute or less of a density of No. 3 smoke, in any period of eight minutes, or thirty seconds or less of a density greater than No. 3 smoke, in any period of four minutes, is prohibited and is hereby declared to be a nuisance, and may be summarily abated by the Superintendent of Smoke Prevention, or anyone whom he may authorize for such purpose. Such abatement may be in addition to the fines and penalties hereinafter provided.

BOATS, TUGS:

4. The provisions of Section 1 shall not apply to boats or tugs until October 1, 1943. Provided, however, in the interim period, beginning October 1, 1941, and ending September 30, 1943, the emission of dense smoke within the City of Pittsburgh from the stack of any boat or tug except for a period of or periods aggregating five minutes or less of a density of No. 2 smoke, in any period of fifteen minutes, or two minutes or less of a density greater than No. 2 smoke, in any period of fifteen minutes, is prohibited and is hereby declared to be a nuisance, and may be summarily abated by the Superintendent of Smoke Prevention, or anyone whom he may duly authorize for such purpose. Such abatement may be in addition to the fines and penalties hereinafter provided.

SOOT, CINDERS, NOXIOUS ACIDS, FUMES, GASES:

Section 3. No persons, firm or corporation shall cause or allow the escape from any stack into the open air of such quantities of soot, cinders, noxious acids, fumes or gases in such place or manner as to cause injury, detriment, or nuisance to any person or to the public,

or to endanger the comfort, health or safety of any such person or of the public, or in such manner as to cause or have a tendency to cause injury or damage to business or property.

FLY ASH:

No person, firm or corporation shall operate or cause to be operated, maintain or cause to be maintained, any furnace or combustion device for the burning of coal without maintaining and operating while using said furnace or combustion device recognized and approved equipment, means, method, device or contrivance to reduce the quantity of fly ash emitted into the open air, which is operated in conjunction with said furnace or combustion device so that the quantity of fly ash shall not exceed 0.75 grains per cubic foot of flue gas at a stack temperature of 500 degrees Fahrenheit, of which amount not to exceed 0.2 of a grain per cubic foot shall be of such size as to be retained on a 325 mesh U. S. Standard Sieve. These conditions are to be conformed to when the percentage of excess air in the stack does not exceed 50 per cent at full load. The foregoing requirements shall be measured by the methods outlined in the Tentative Test Code for dust separating apparatus of the American Society of Mechanical Engineers which is hereby made a part of this Ordinance by reference, a copy of which is and shall remain on file in the office of the Superintendent of Smoke Prevention.

The escape of soot, cinders, noxious acids, fumes, gases or fly ash as herein prohibited is hereby declared to be a nuisance and may be summarily abated by the Superintendent of Smoke Prevention or by anyone whom he may duly authorize for such purpose. Such abatement may be in addition to the fines and penalties hereinafter provided.

Any person, firm or corporation violating any of the provisions of this section shall be subject to the fines and penalties hereinafter provided.

All persons participating in any such violation, either as owners, proprietors, lessees, agents, tenants, managers, superintendents, captains, engineers, firemen or janitors, or otherwise, shall

severally be liable therefor and subject to the fines and penalties fixed by this Ordinance.

The provisions of Section 3 shall become effective on October 1, 1941, provided however that the provisions relating to fly ash shall not become effective until October 1, 1943.

IMPORTATION, SALE, USE OR CONSUMPTION OF CERTAIN FUELS PROHIBITED:

Section 4. It shall be unlawful to import, sell, offer for sale, expose for sale, exchange, deliver or transport for use and consumption in the City of Pittsburgh, or to use or consume in the City of Pittsburgh, any solid fuel for hand-firing or surface-burning types of equipment which does not meet the standard of a smokeless solid fuel as set forth in this section.

Smokeless solid fuel for the purpose of the enforcement of this Ordinance shall be considered a fuel, the volatile content of which is 20 per cent or less on a dry basis. Provided, however, that if a fuel contains volatile matter in excess of 20 per cent on a dry basis, it shall be acceptable under the terms of this Ordinance provided that it meets the same standards in regard to smoke production as that of a fuel containing less than 20 per cent volatile matter on a dry basis, and subject to the following conditions in order to ascertain whether or not such standards are met:

(1) Complete plans and specifications of such process must be submitted to the Superintendent of Smoke Prevention, and from time to time any additional information he may reasonably require regarding the product.

(2) An adequate supply of the finished product must be made available to the Superintendent of Smoke Prevention to conduct whatever tests he deems necessary to establish its value as a smokeless solid fuel.

(3) Any person, firm or corporation whose product is submitted to such tests must pay in advance all expenses necessary to the attendant tests. The Superintendent of Smoke Prevention shall be authorized to publish a list of brands or trade names of smokeless solid fuels as defined under this section, and to com-

pile and publish from time to time statistics in reference to the supply, prevailing prices and other pertinent facts for the guidance of the public.

Solid fuel having a volatile content in excess of 20 per cent on a dry basis but not meeting the conditions hereinabove enumerated can be used or consumed only in approved mechanical fuel-burning equipment or devices as provided in this Ordinance.

The provisions of this section shall go into effect October 1, 1943, save as otherwise provided in this Ordinance.
RAILROADS:

Section 5. All persons, firms or corporations owning, operating or controlling steam railroads or locomotives using solid fuel in the operation of locomotives within the corporate limits of the City of Pittsburgh shall operate said locomotives with smokeless solid fuel or shall use locomotives equipped with mechanical fuel-burning equipment or devices as provided in this Ordinance.

The foregoing provisions shall apply to all locomotives either in service or being prepared for service in transfer, yard or switching operations, but shall not apply to road engines which are serviced in roundhouses so equipped as to enable them to comply with the other provisions of this Ordinance regarding the emission of dense smoke while in operation within the corporate limits of the City of Pittsburgh.

The provisions of this section shall go into effect October 1, 1942.

CONSTRUCTION, RECONSTRUCTION, ADDITION TO AND REPAIR

Section 6. No new fuel-burning plants nor reconstruction, repair or addition to any existing fuel-burning plants for producing power and heat, or either of them, nor refuse-burning equipment, nor any stack or furnace connected with such fuel or refuse-burning equipment, shall be installed, erected, reconstructed, repaired, or added to in the City of Pittsburgh until plans and specifications of the same have been filed by the owner, contractor, installer or other person in the office of and approved by the Superintendent of the Bureau of Smoke Prevention as being so designed that same can be managed and operated to conform to the provisions of

this Ordinance, and a permit issued by him for such installation, erection, reconstruction, addition to, or repair.

Plans and specifications so filed with the Bureau of Smoke Prevention shall show the type of installation, the amount of work and the amount of heating to be done by such fuel or refuse-burning plant and all appurtenance thereto, including all provisions made for the purpose of securing complete combustion of the fuel or refuse to be used and the manner in which it is to be burned for the purpose of preventing smoke and other air pollution as provided by this Ordinance. Said plans and specifications shall also contain a statement of the rate of burning and kind of fuel or refuse proposed to be used and the manner in which it is to be burned; and said plans and specifications shall also show that the room or premises in which the fuel or refuse-burning plants shall be located is provided with doors, windows, air-shafts, fans or other means of ventilation sufficient to prevent the temperature of such room, basement or other portion of building wherein such fuel or refuse-burning equipment is to be used, from rising to a point higher than 120 degrees Fahrenheit and sufficient also to provide that the atmosphere of any such room, basement or other portion of the building wherein such fuel or refuse-burning equipment may be located may be changed at least every ten minutes. Such plans shall further show the dimensions of such room in which such fuel or refuse-burning equipment is to be located, the location and dimensions of all stacks used in connection with or as a part of said fuel or refuse-burning plant. The Superintendent of the Bureau of Smoke Prevention may require such additional data as he deems necessary for the purpose of issuing a permit.

Upon the inspection and approval of said plans and specifications by the Superintendent of the Bureau of Smoke Prevention and upon the payment of the fees hereinafter provided, and if such plans and specifications shall show that adequate and approved provisions for the purpose of securing complete combustion of the fuel or refuse to be used and for the purpose of preventing and eliminating smoke, soot, fly ash,

noxious acids, fumes or gases have been made, a permit for the installation or for the construction, erection, reconstruction, repair or addition to such fuel or refuse-burning plant shall be issued. As soon as the Superintendent of the Bureau of Smoke Prevention has issued the permit as above provided, it shall be the duty of the various departments having charge of the inspection of the premises wherein said fuel or refuse-burning equipment is located to cooperate with the said Superintendent of the Bureau of Smoke Prevention to see that the execution of the work so authorized by said permit shall be done in conformity with the approved plans and specifications, and the standards, rules and regulations fixed by the Bureau of Smoke Prevention; provided that repairs to previously approved fuel or refuse-burning plants may be made without first securing a permit, but the owner, contractor, installer or other person making or causing such repairs shall report the same to the Superintendent of the Bureau of Smoke Prevention within three days after commencing such repairs.

Any person, firm or corporation which shall violate any provision of this section shall be subject to the fines and penalties hereinafter provided. Provided that nothing in this section shall be construed as to prohibit the making of emergency repairs to any stack, furnace or device when the necessity for such repair arises outside of the business hours of the Bureau of Smoke Prevention; provided, further, that the owner, contractor, installer or other person permitting or making such repairs shall report the same to the Bureau of Smoke Prevention on the first business day after such emergency repairs are commenced and apply for a permit therefor.

"Repair" as used herein means any work which requires the heating or power equipment to be wholly or partially dismantled and which results in the restoration of the heating or power equipment to its original state.

If such plans and specifications as described above are not submitted to the Bureau of Smoke Prevention for approval previous to the installation of any new fuel-burning plant, addition to

or the repair or reconstruction of any existing fuel-burning plant, for producing power, heat, or either of them, or refuse-burning plant, or any stack connected with such fuel or refuse-burning plant, the Superintendent of the Bureau of Smoke Prevention is authorized to seal immediately such equipment until the owner, contractor, installer or other person has complied with the provisions of this section.

The provisions of this section shall go into effect October 1, 1941.

REPORTING OF SALES AND PURCHASES:

Section 7. It shall be the duty of all persons, firms or corporations engaged in the business of selling refuse or fuel-burning equipment or devices for producing heat or power, or both, which are required to be connected to a vent or stack, to report to the Superintendent of Smoke Prevention the sale of every such article to be installed or used anywhere within the City of Pittsburgh; and it shall be the duty of every person, firm or corporation purchasing any of said articles, at the time of making such purchase, to give to the seller a statement in writing signed by such purchaser or his duly authorized agent setting forth the correct address or addresses of the building or buildings in which such articles are to be installed and used.

The report herein provided for shall be in writing and be delivered or mailed to the Superintendent of Smoke Prevention within seven days after such sale, and shall contain the name and address of the purchaser and the location of the building in which each article is to be installed or used.

Any person, firm or corporation violating any of the provisions of this section, or making any false statement or report in connection with the sale of any such articles mentioned in this section shall be subject to the fines and penalties hereinafter provided.

The provisions of this section shall not apply to wholesale transactions made for the purpose of resale.

For the purpose of obtaining facts with respect to the compliance with this section, the Bureau of Smoke Prevention Inspectors are hereby authorized to enter at all reasonable business hours

upon and into the places of business of any person, firm or corporation engaged in the selling of refuse or fuel-burning equipment or devices, and to examine all books, papers and records pertaining to the sales.

The provisions of this section shall go into effect October 1, 1941.

USE OF PLANT—

CERTIFICATE REQUIRED:

Section 8. It shall be unlawful for any person to use any new, reconstructed or repaired plant or addition thereto, or any plant duly sealed under the provisions of this Ordinance, for the production and generation of heat and power, or either of them, or for the burning of refuse, until he shall have first procured a certificate from the Superintendent of Smoke Prevention certifying that the plant is so constructed that it will do the work required with the type of fuel and equipment used; and that, in the opinion of the Superintendent of Smoke Prevention, it can consistently be so managed by an ordinary person that, in burning the type of fuel in the manner specified in the permit, no dense smoke shall be emitted from the stack connected with the furnace or firebox in violation of the provisions of this Ordinance; and until a notice of the size, type, kind of fuel and the manner of burning the fuel as specified in the permit has been prominently displayed and permanently attached to said plant.

Any person, firm or corporation violating the provisions of this section shall be subject to the fines and penalties prescribed in this Ordinance. The issuance and delivery by the Superintendent of Smoke Prevention of any permit or certificate for the construction, reconstruction, alteration, repair, or addition thereto, of any plant or stack connected with a plant shall not be held to exempt any person, firm or corporation to whom any such permit or certificate has been issued and delivered, or who is in possession of any such permit or certificate, from prosecution on account of the emission of dense smoke, fly ash, soot, cinders, noxious acids, fumes or gases caused or permitted by any such person, firm or corporation.

The provisions of this section shall go into effect October 1, 1941.

PERMIT FOR THE ERECTION OF BUILDINGS:

Section 9. The Bureau of Building Inspection shall not issue a permit for the erection, construction, reconstruction or alteration of any building or structure where the plans for such building or structure show any stack in connection with such building or structure until such plans have been submitted to the Superintendent of Smoke Prevention and the dimensions of such stack approved by him as having sufficient capacity and as being suitable for the type of equipment and fuel to be used.

The Superintendent of Smoke Prevention shall not approve plans or issue permits for the installation of any fuel-burning equipment or device of the surface-burning type unless the fuel to be used in such device shall be a smokeless solid fuel, as defined in Section 4 of this Ordinance, or a mechanical fuel-burning device is to be used of a type which will so operate as not to emit smoke or permit the escape of soot, cinders, noxious acids, fumes, gases and fly ash, or otherwise pollute the air, in violation of the provisions of this Ordinance.

DEFINITIONS:

The term "surface-burning type" as used in this Ordinance is meant to include any fuel-burning equipment or device in which the fresh fuel can be thrown directly on the hot fuel bed. A mechanical fuel-burning equipment or device is defined as any device by means of which fresh fuel is mechanically fired from outside the furnace into the zone of combustion, the same being actuated by automatic controls; provided, however, that where the Superintendent of Smoke Prevention finds as a fact, and so certifies, that a stove or other fuel-burning equipment in which the fresh fuel is fired by hand, is so designed as to automatically burn the fuel smokelessly in a manner so as not to violate the provisions of this Ordinance, such a stove will be considered a mechanical fuel-burning device within the meaning of this Ordinance.

The provisions of this section shall go into effect October 1, 1941.

SEALING OF BOILERS OR OTHER HEATING EQUIPMENT:

Section 10. After any owner, agent, occupant, manager or lessee of any premises has been previously notified of three or more violations of this Ordinance within any consecutive 12-month period, in respect to the omission of dense smoke, soot, cinders, noxious acids, fumes, gases, or fly ash, the owner, agent, occupant, manager or lessee of said premises shall be notified to show cause before the Superintendent of Smoke Prevention on a day certain, not less than ten days from the date of notice, why the equipment causing such violations should not be sealed. The notice herein provided for may be given by mail directed to the last known address of the party to be notified, or if said party or his whereabouts is unknown, then by posting a notice on or near the premises at which the violations shall have occurred. Upon said date said violator may appear and be heard. Upon such hearing, if the Superintendent finds that adequate corrective means and methods have not been employed to correct the cause of such condition, then it shall be his duty to seal said equipment until such time as a permit and certificate as herein provided have been applied for and issued for said plant. The owner, agent, occupant, manager or lessee, may, within ten days of said decision appeal said finding to the Appeal Board, and said appeal shall stay the sealing pending said appeal.

It shall be unlawful for any person to break a seal of any refuse burning equipment, any boiler or any equipment or device producing heat or power, that has been duly sealed by the Superintendent of Smoke Prevention unless authorized by the Superintendent in writing.

The provisions of this Section shall go into effect October 1, 1941.

APPEALS:

Section 11. Any person aggrieved by any decision, ruling or order of the Superintendent of Smoke Prevention may take an appeal to the Appeal Board as established by this Ordinance. Such appeal shall be taken within ten days after the decision, ruling or order complained of by filing with the Superintendent of Smoke Prevention a notice of appeal directed to the Appeal Board,

specifying the grounds thereof and the relief prayed for. The Superintendent of Smoke Prevention shall forthwith transmit to the Appeal Board all papers constituting the record upon which the decision, ruling or order appealed from is taken. The Board shall fix a reasonable time for the hearing of the appeal and give due notice thereof by mail to the parties in interest and decide the same within a reasonable time. Such appeal shall act as a stay of any decision, ruling or order until either approved, modified or set aside by said Appeal Board. At the hearing any party may appear in person or by agent or by attorney. A fee of Five Dollars shall be paid to the treasurer of the City of Pittsburgh at the time the appeal is filed. The Board, upon hearing such appeal, shall either affirm, modify or set aside any such decision, ruling or order.

The provisions of this Section shall go into effect October 1, 1941.

INTERFERENCE WITH SUPERINTENDENT OF SMOKE PREVENTION:

Section 12. A person or persons who shall refuse to comply with or who shall assist in the violation of any of the provisions of this Ordinance or who, in any manner, hinders, obstructs, delays, resists, prevents, or in any way interferes or attempts to interfere with the Superintendent of Smoke Prevention or Smoke Prevention Inspectors or police officers in the performance of any duty herein enjoined, or shall refuse to permit such inspectors or officers to perform their duty by refusing them, or either of them, entrance at reasonable hours to any premises in which the provisions of this Ordinance are being violated, or refuse to permit the inspection or examination of such building, establishment, premises or enclosures for the purpose of the enforcement of this Ordinance, shall be subject to the fines and penalties hereinafter provided.

The provisions of this section shall go into effect October 1, 1941.

Section 13. The Bureau of Smoke Prevention shall not examine any plans, issue any permits, inspect any furnaces or other fuel-burning equipment or devices, or issue any certificates, until the fees for each unit enumerated below have been paid to the City Treasurer.

Fees for the examination of plans including the issuance of permits, and for the original and annual inspection of furnaces or other fuel-burning equipment or devices, including the issuance of certificates of operation, shall be as follows:

(a) Permits

- (1) For permits for the erection, installation, reconstruction, repair or alteration of, or addition to any furnace or other fuel-burning equipment, the furnace volume of which does not exceed 10 cubic feet or equivalent or any refuse-burning device, for each unit. \$1.00
- (2) For permits for the erection, installation, reconstruction, repair or alteration of, or addition to, any furnace or other fuel-burning equipment, the furnace volume of which is greater than 10 cubic feet but not in excess of 25 cubic feet, or equivalent ----- \$2.00
- (3) For permits for the erection, installation, reconstruction, repair or alteration of, or addition to, any furnace or other fuel-burning equipment, the furnace volume of which is greater than 25 cubic feet but not in excess of 50 cubic feet, or equivalent, for each unit ----- \$3.00
- (4) For permits for the erection, installation, reconstruction, repair or alteration of, or addition to, any furnace or other fuel-burning equipment, the furnace volume of which is greater than 50 cubic feet but not in excess of 100 cubic feet, or equivalent, for each unit ----- \$4.00
- (5) For permits for the erection, installation, reconstruction, repair or alteration of, or addition to, any furnace or other fuel-burning equipment, the furnace volume of which is greater than 100 cubic feet, for each unit ----- \$5.00

(b) Original Inspection

- (1) For inspecting any new, reconstructed, addition to, repaired or altered furnace or

- other fuel-burning equipment, the furnace volume of which does not exceed 25 cubic feet, or equivalent, or any refuse-burning device, for the purpose of issuing a certificate of operation for each unit -----\$2.00
- (2) For inspecting any new, reconstructed, addition to, repaired or altered furnace or other fuel-burning equipment, the furnace volume of which is greater than 25 cubic feet but not in excess of 50 cubic feet, or equivalent, for the purpose of issuing a certificate of operation for each unit -----\$3.00
- (3) For inspecting any new, reconstructed, addition to, repaired or altered furnace or other fuel-burning equipment, the furnace volume of which is greater than 50 cubic feet but not in excess of 100 cubic feet, or equivalent, for the purpose of issuing a certificate of operation for each unit -----\$4.00
- (4) For inspecting any new, reconstructed, addition to, repaired or altered furnace or other fuel-burning equipment, the furnace volume of which is greater than 100 cubic feet, or equivalent, for the purpose of issuing a certificate of operation, for each unit-----\$5.00

The term "furnace volume" as used in this section, shall mean the volume of the chamber in which combustion occurs, including the space occupied by the fuel bed, which shall include all space up to the point where the products of combustion first enter the flues or ducts through the heating surface.

The fee for the original inspection shall include the issuance of a certificate of operation in case such certificate is granted and shall be paid at the time the permit is secured.

No fees shall be required for examination of plans and the issuance of permits for original inspection of new or reconstructed warm air heating furnaces, or repairs and additions thereto, where such furnaces are installed, reconstructed, repaired, or added to, and a

fee collected therefor pursuant to the provisions of the Warm Air Heating Regulations of the City of Pittsburgh, Ordinance No. 271, Series of 1930, and amendments thereto.

No charge shall be made for permits, original inspections and certificate of operation relating to fuel-burning equipment or devices to be installed to heat buildings used exclusively for private residences that do not contain a central heating plant.

(c) Annual Inspection

A certificate of operation shall be required in the case of annual inspections. The fees for the annual inspection shall be the same as for the original inspection and shall include the issuance of a certificate of operation.

No annual inspection shall be required in the case of furnaces or other fuel-burning equipment or devices installed to heat buildings used exclusively for private residences, containing less than three dwelling units or flats, or in the case of fuel-burning equipment or devices used exclusively for private residences that do not contain a central heating plant.

SEALING:

When a certificate of operation is refused in the case of an original inspection or an annual inspection, the Superintendent of Smoke Prevention is authorized to seal immediately the furnace or other fuel-burning equipment or device or refuse-burning device until the owner, lessee or other person required to procure the certificate of operation shall have complied with the provisions of this Ordinance.

In the event the installation of the fuel-burning equipment or device is not completed or that the Bureau of Building Inspection refuses issuance of a permit for the erection or construction of any building or structure, the fee which has been paid for the certificate of operation may be refunded upon proper presentation of the facts. No refund shall be made after a period of thirty days from the issuance of the permit.

The first annual inspection shall commence on October 1, 1943. The other provisions of this Section shall take effect on October 1, 1941.

PENALTIES:

Section 14. Any person, firm or corporation which shall violate any of the

provisions of this Ordinance shall upon conviction thereof before any alderman or police magistrate, be sentenced to pay a fine of not less than \$25.00 nor more than \$100.00 for each violation, and in default of payment of said fine to be imprisoned in the Allegheny County Jail or Allegheny County Workhouse for a period not exceeding thirty days. Each day's violation shall constitute a separate offense.

The unlawful emission of smoke, soot, cinders, fly ash, noxious acids, fumes or gases from each stack shall constitute a separate offense.

STACK—DEFINITION:

The word "stack" as used in this Ordinance is defined to include chimney, smokestack, open fire, structure or opening of any kind whatsoever capable of emitting smoke.

The provisions of this Section shall become effective October 1, 1941.

Section 15. Where a violator of the provisions of this Ordinance with respect to the emission of smoke, soot, cinders, noxious acids, fumes, gases, produces evidence satisfactory to the Superintendent of the Bureau of Smoke Prevention that he has taken all steps necessary to provide for future compliance with the provisions of the Ordinance but that the acquisition of the proper device or equipment cannot be effected immediately, the Superintendent of the Bureau of Smoke Prevention shall have the discretion in proper cases to allow a period not exceeding six months from October 1, 1941, within which the necessary device or equipment is to be acquired and installed. During said period of grace granted by the said Superintendent, the violator of the Ordinance shall not be subject to the fines or penalties herein provided; provided, however, that where such violator fails in the time allowed to conform with the provisions of this Ordinance he shall be subject to all the fines and penalties herein provided dating from the date of the beginning of the period of grace permitted him.

SMOKE INDICATORS:

Section 16. The owner or operator of every power and heating plant, excepting those in which the only fuel is gas, and excepting buildings used exclusively for private residences containing less than six dwelling units or flats, shall

provide means whereby the fireman may be enabled to know, without leaving the boiler or furnace room, whether or not prohibited smoke is issuing from the stack, so that possible necessary correction may be made at the time. Such means of observation shall be either

(a) A window or other opening through which an unobstructed view of the top of the stack may be had from the boiler or furnace room;

(b) A mirror so placed as to reflect the top of the stack and visible from the boiler or furnace room;

(c) A smoke indicator, approved by the Bureau of Smoke Regulation.

Any person, firm or corporation that violates the provisions of this section shall be subject to the fines and penalties provided in this Ordinance.

The provisions of this section take effect October 1, 1941.

BUREAU OF SMOKE

PREVENTION:

Section 17. For the purpose of enforcing the provisions of this Ordinance, there is hereby established in the Department of Public Health a Bureau of Smoke Prevention headed by the Superintendent of Smoke Prevention, who shall be appointed by the Director of the Department of Public Health. The employees of said Bureau shall be appointed in accordance with the Civil Service regulations, subject to the requirements and qualifications provided in this Ordinance.

(a) **SUPERINTENDENT OF SMOKE PREVENTION:** The Superintendent of the Bureau of Smoke Prevention shall be the head of the Bureau of Smoke Prevention. He shall be in charge of the enforcement of all ordinances pertaining to smoke prevention and air pollution and institute proceedings for the violation thereof; have charge of the preparation and execution of educational plans for securing the cooperation of the public in the reduction of the emission of smoke and air pollution, and shall exercise general supervision over the Bureau of Smoke Prevention.

The Superintendent of Smoke Prevention shall be an engineer, a graduate of a recognized university or college, qualified by technical training, and have at least six years' experience in the theory and practice of the construction and operation of furnaces and combustion

devices, or in the theory and practice of smoke prevention, and shall be qualified by education and experience to cooperate with scientific, educational and civic organizations interested in smoke prevention.

(b) **ASSISTANT SUPERINTENDENT AND INSPECTORS:** The Director of the Department of Public Health shall appoint, subject to the regulations of the Civil Service Commission, an Assistant Superintendent of Smoke Prevention and such Inspectors as may from time to time be provided for by Council.

The Assistant Superintendent of Smoke Prevention shall be an engineer, a graduate of a recognized university or college, qualified by technical training, and have at least four years' experience in the theory and practice of the construction and operation of furnaces and combustion devices, or in the theory and practice of smoke prevention.

Inspectors shall be engineers qualified by technical training in the theory and practice of the construction and operation of furnaces and combustion device.

(c) **CLERKS:** The Director of the Department of Public Health shall also appoint, subject to the regulations of the Civil Service Commission, a Chief Clerk and such clerical and stenographic assistants as Council may provide. The Chief Clerk shall have accounting and auditing training and at least five years' experience in contacting and dealing with the public. Clerks and stenographers shall have the qualifications required by the Civil Service Commission.

APPEAL BOARD:

Section 18. The Mayor shall appoint an Appeal Board, consisting of five members, three of whom shall constitute a quorum. They shall serve without compensation, and shall be appointed for a term of three years, except that of the initially appointed board, one member shall serve for one year, two members for two years, and two members for three years. They shall be persons of good reputation, who have been actively identified with the development and improvement of the City of Pittsburgh, and shall not be interested in the sale to the public of any fuel or of any combustion or smoke abatement device. The Board shall elect its own chairman, who

shall serve for one year. The Board shall adopt from time to time, such rules and regulations as it may deem necessary to carry into effect the provisions of this Ordinance. Meetings of the Board shall be held at the call of the chairman, and at such other times as the Board may determine. Such chairman, or in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. The Board shall keep minutes of its proceedings and keep records of its examinations and other official actions.

SEVERABILITY:

Section 19. If any clause, sentence, paragraph or part of this Ordinance, or the application thereof to any person, firm, corporation or circumstances, shall, for any reason, be adjudged by a Court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this Ordinance and the application of such provision to other persons, firms, corporations or circumstances, but shall be confined in its operation to the clause, sentence, paragraph or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person, firm, corporation or circumstances involved. It is hereby declared to be the legislative intent of this body that this Ordinance would have been adopted had such invalid provisions not been included.

Section 20. All ordinances inconsistent with this Ordinance are hereby repealed; provided, however, that Ordinance No. 566, approved January 4, 1917, and Ordinance No. 27, approved January 23, 1920, shall remain in full force and effect until October 1, 1941, at which time said Ordinances shall be repealed.

Passed July 7, 1941.

Approved July 8, 1941.

No. 345

AN ORDINANCE — Authorizing the Mayor and the Director of the De-

partment of Public Works to enter into an Agreement with the South Pittsburgh Water Company for the purchase of water by the City of Pittsburgh and for the supplying of water to certain water consumers in the City of Pittsburgh through the facilities of the South Pittsburgh Water Company, and also for the furnishing of fire hydrant service to the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be, and they are hereby, authorized to enter into an Agreement with the South Pittsburgh Water Company for the purchase of water by the City of Pittsburgh and for the supplying of water to certain water consumers in the City of Pittsburgh through the facilities of the South Pittsburgh Water Company, and also for the furnishing of fire hydrant service to the City of Pittsburgh, in substantially the following form:*

ARTICLES OF AGREEMENT made and entered into this..... day of, 1941, by and between the CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania, party of the first part, and hereinafter sometimes referred to as the "City," and SOUTH PITTSBURGH WATER COMPANY, a corporation of the Commonwealth of Pennsylvania, party of the second part, and hereinafter sometimes referred to as the "Water Company;"

WHEREAS, South Pittsburgh Water Company supplies water in certain parts of the City of Pittsburgh, lying south of the Ohio and Monongahela Rivers by means of its distribution facilities; and

WHEREAS, the City of Pittsburgh desires to purchase water from the South Pittsburgh Water Company so that it may resell the same to the various consumers of water now or hereafter attached to existing water mains or to any future extensions thereof, constructed by the said South Pittsburgh

Water Company within the limits of the City of Pittsburgh; and

WHEREAS, the City of Pittsburgh desires to have South Pittsburgh Water Company render water service to it for certain public uses;

NOW THEREFORE, THIS AGREEMENT WITNESSETH:

That in consideration of the premises and in further consideration of the covenants and agreements herein contained, it is hereby agreed as follows:

Section 1. Definitions. Hereafter in this agreement the following words and phrases shall be understood to have the meanings herein set forth unless a contrary or different meaning be clearly indicated by the context.

A. "Base" shall mean a memorandum asset account to which shall be charged \$3,888,722, which is the estimated reproduction cost new at December 31, 1940 of the physical property of the Water Company then located within the corporate limits of the City and used and useful as distribution system facilities of the Water Company. Said estimated reproduction cost new is based upon a detailed inventory of the distribution facilities of the Water Company and is priced at prices current as of July 1, 1938, and includes structural overheads, but does not include any allowance for intangible values. In the making of the inventory and in the pricing an allowance was made only for paving actually cut in the laying of mains.

B. "Net Capital Additions" shall mean a memorandum asset account to which shall be charged:

(1) The cost of all distribution system facilities fixed capital additions, improvements, extensions, renewals or replacements installed subsequent to December 31, 1940 by the Water Company within the corporate limits of the City, as such limits existed on December 31, 1940;

(2) The estimated reproduction cost new of all such items of distribution system facilities of the Water Company in territory supplied by the Water Company with public

water supply service and annexed to the City subsequent to December 31, 1940, as were part of such facilities on December 31, 1940, to be inventoried and priced in the same manner and at the same unit prices as were used in the determination of Base;

(3) The cost of such items of distribution system facilities of the Water Company in territory supplied by the Water Company with public water supply service and annexed to the City subsequent to December 31, 1940, as were installed as part of said distribution system subsequent to December 31, 1940, but before the date of annexation;

(4) The cost of all distribution system fixed capital, additions, improvements, extensions, renewals or replacements installed in such annexed territory subsequent to the date of annexation;

and to which account shall be credited retirements of such facilities priced at the same price at which such facilities are included either in Base or in Net Capital Additions.

C. "Special Depreciation Base" shall mean the sum of (Base less \$319,194, which latter amount represents estimated accrued depreciation as of December 31, 1940 on property included in Base) and (Net Capital Additions).

D. "Special Depreciation Reserve" shall mean a memorandum account, distinct from, and not in addition to, the Retirement and Depreciation Reserve account in the balance sheet of the Water Company to which shall be credited:

(1) The estimated accrued depreciation as of December 31, 1940, on property included in Base, in the amount of \$319,194;

(2) The estimated accrued depreciation as of December 31, 1940, on the facilities included in the Net Capital Additions in territory annexed to the City subsequent to December 31, 1940, and included therein at the reproduction cost new of such facilities, such accrued depreciation being estimated in the same manner as was used in estimating the accrued depreciation on the property included in Base, and the calculated accrued depreciation from December 31, 1940,

to the date of annexation on the property hereinbefore in this Sub-Paragraph referred to, calculated by the application of the same percentage as is provided for in Sub-Paragraph L of this Section.

(3) Calculated accrued depreciation as of the date of annexation on the facilities included in Net Capital Additions in territory annexed to the City subsequent to December 31, 1940, and installed before the date of annexation and included in Net Capital Additions at the cost of such facilities, such accrued depreciation being calculated by the application of the same percentage as is provided for in Subparagraph L of this Section.

(4) The accruals from Annual Allowance for Special Depreciation; and to which account shall be charged retirements, priced as set forth in the definition of Net Capital Additions.

E. "Adjusted Base" shall mean an amount in dollars equal to (Base) plus (Net Capital Additions) minus (Special Depreciation Reserve).

F. "Annual Unit Expense for Operation and Maintenance of Distribution Facilities" shall mean the annual cost to the Water Company of operating and maintaining each class of its distribution facilities in its entire system, both within and without the corporate limits of the City, averaged on a unit basis and determined as follows:

The total annual expense to the Water Company for operation and maintenance for each class of distribution system facilities shall be divided by the average number of units of each class. The average number of units of each class shall be equal to one-half the sum of the number of such units of each class at the beginning of the year and the number of such units at the end of the year. The units for each class of facilities shall be determined as follows. Distribution Mains by miles of main; Hydrants by number of hydrants; Services, Meters and Consumers' Premises by number of consumer accounts.

G. "Annual Operating Expenses for Operation and Maintenance of Distribution Facilities" shall mean the total of the amounts in dollars obtained by multiplying the Annual Unit Expense

for Operation and Maintenance of Distribution Facilities for each class of such facilities by the average number of such units of each class in the system of the Water Company within the corporate limits of the City during the year in question. The average number of units of each class within the corporate limits of the City shall be determined in the same manner as the similar determination is defined in Subparagraph F of this Section.

H. "Annual Unaccounted for Water Factor" shall mean the decimal figure obtained by the following calculation:

(Total Number of Gallons of Water Delivered to the entire Distribution System of the Water Company minus: (1) Number of gallons of water accounted for through annual metered water sales for the entire System; (2) fire uses estimated at one per centum of water delivered; (3) plant uses either estimated or metered; (4) estimated allowances for unmetered consumption; all drawn from the system of the Company on the distribution side of the point or points at which the Water Delivered is to be measured or computed) divided by (Total Number of Gallons of Water Delivered to the entire Distribution System of the Water Company). All amounts shall be for an entire year of service.

I. "Annual Amount of Unaccounted for Water" shall mean the number of gallons of water determined by the following calculation:

(The Annual Water Sales) divided by (1,000 less Unaccounted for Water Factor) minus (Annual Water Sales).

J. "Annual Cost of Unaccounted for Water" shall mean the amount in dollars obtained by applying the lowest step of the "Rate for Service" to the Annual Amount of Unaccounted for Water.

K. "Annual Cost of Preparing Statements for City" shall mean the estimated annual cost to the Water Company of preparing for the City statements showing the metered consumption of water by each consumer within the corporate limits of the City and served by lines of the Water Company, and shall be the amount in dollars obtained by multiplying by ten cents the number equal to one-half of the sum

of the number of such aforesaid consumers as of the end of the preceding year and the number of such consumers as of the end of the current year.

L. "Annual Allowance for Special Depreciation" shall mean the annual amount in dollars equal to .8 of one per centum of Special Depreciation Base unless and until Pennsylvania Public Utility Commission or other regulatory body having jurisdiction shall require the Water Company to accrue its Annual Allowance for Depreciation at a percentage different from .8 of one per centum. In the event that Pennsylvania Public Utility Commission or other regulatory body having jurisdiction fixes an applicable rate at which the Water Company shall be required to accrue Annual Allowance for Depreciation, then and in that event the rate as fixed by such regulatory body shall be used in the calculation of Annual Allowance for Special Depreciation.

M. "Annual Expense of Service" shall mean for each year the amount in dollars equal to the total of the items defined in Subparagraphs "G", "J", "K" and "L" of this Section.

N. "Public Fire Service Charge" shall mean the monthly charge for public fire service to be paid by the City to the Water Company and shall be the amount in dollars obtained by applying the monthly rate of the Water Company for public fire service within the corporate limits of the City, as such rate is now or may hereafter be legally established, to the number of public fire hydrants attached to the mains of the Water Company within the corporate limits of the City during the month for which the public fire service charge is to be calculated.

O. "Annual Return on Base" shall mean an amount in dollars which shall be calculated at six per centum per annum on the Adjusted Base.

P. "Rate for Service" shall mean the rates of the Water Company, as now or hereafter legally established.

Q. "Annual Water Sales" shall mean the total amount of water indicated as having been delivered to consumers within the corporate limits of the City through distribution system facilities

of the Water Company by the totalization of the meter readings of all such consumers during each year or as such amount may be in part estimated under certain conditions in accordance with the rules and practices of the Water Company.

R. "Meter Reading Program" shall mean the plan of the Water Company for continuous reading of meters so that approximately one-third of all consumers' meters in the entire system of the Water Company shall be read each month and so that, so far as possible, each consumer's meter shall be read each quarter, with the exception of such meters as are read each month in accordance with the practice of the Water Company.

S. "Monthly Water Sales" shall mean the amount in dollars obtained by applying the Rate for Service to the amount of water indicated by a totalization of the meter readings of consumers' meters within the corporate limits of the City and served through the distribution system facilities of the Company made during each monthly period in accordance with the Meter Reading Program or as the amount consumed by any such consumer may be estimated in accordance with the rules and practices of the Water Company.

T. "Total Annual Charge for Water Service" shall mean the amount in dollars of the addition of the dollar amounts for each year of items defined in this Section in Subparagraphs "M" and "O", plus the total for any year in question of the monthly items defined in Subparagraphs "N" and "S" of this Section, plus or minus additional allowances for Special Depreciation and Return on Base, calculated at the rates provided in Subparagraphs "L" and "O" on one-half of the net change in the respective bases during each current year.

Section 2. Supply of Water. During the term of this agreement the Water Company shall furnish to the City, and the City shall purchase from the Water Company, all water used by the consumers of the Water Company within the corporate limits of the City, now or hereafter receiving water service through the distribution system facilities of the Water Company.

Section 3. During the term of this agreement the Water Company shall operate and maintain, and, when reasonably necessary, supplement or replace, facilities of a water supply distribution system within the corporate limits of the City where the corporate limits of the City are within the charter franchise territory within which South Pittsburgh Water Company shall be authorized to supply water to the public.

Section 4. Reading of Meters and Determination of Quantities. The quantities of water purchased from the Water Company by the City and included in Annual Water Sales and Monthly Water Sales shall be determined by the meters of the Water Company used to measure water delivered to consumers of the Water Company within the corporate limits of the City and read in accordance with the Meter Reading Program of the Company or by estimates of the quantities so delivered made in accordance with the rules of the Water Company. The quantities of said water purchased from the Water Company by the City and included in Annual Unaccounted for Water shall be determined in accordance with the terms of the definition set forth in Subparagraph I of Section 1 of this agreement.

The work of reading the meters shall be performed by the agents and employees of the Water Company, and the Water Company shall render to the City each month quarterly statements of such meter readings, together with monthly statements for such meter readings as are made each month in accordance with the rules of the Water Company. The City shall have the right to check any and all of said meter readings from time to time and to test any and all of said meters.

Section 5. Public Fire Service. The City shall be furnished continuously by the Water Company all the water required for the extinguishment of fires by said City from public fire hydrants located throughout the territory now or hereafter supplied by the Water Company that now or within the term of this agreement shall be within the corporate limits of the City.

Any properly authorized employee of the City is hereby given permission to handle any and all of the public fire

hydrants located within the corporate limits of the City and owned by the Water Company, and to take water therefrom at any time for the purpose hereinbefore described.

The Water Company shall furnish and place at any and all points designated by the proper officer of the City any number of public fire hydrants that may be ordered, together with any and all additional pipe lines (none to be less than six inches in diameter) necessary for supplying said fire hydrants with water, provided the City order installed and shall continuously pay for the additional number of fire hydrants as shall be necessary to bring the total number of such fire hydrants attached to such additional pipe lines to an average of one fire hydrant to four hundred feet of such additional pipe line.

The Water Company shall, upon written order of the proper officer of the City, change the location of any of the fire hydrants covered by this agreement, the cost of making such change of location to be paid by the City.

The Water Company shall keep in good order and repair all fire hydrants heretofore installed, and all fire hydrants furnished and placed under and by virtue of this agreement in the territory covered hereby, and it is expressly understood and agreed that in case of any such fire hydrant being in an unserviceable condition, the Water Co. will, within twenty-four hours after receiving actual notice from the City of such unserviceable condition of any such fire hydrant or any number of them, commence the repairs necessary to restore such fire hydrant or fire hydrants to the required serviceable condition, and prosecute such repairs diligently and continuously until finally completed.

The Water Company shall maintain a sufficient volume of water at all times at such public fire hydrants to supply such fire engines working at their full capacity as are ordinarily employed by the City to extinguish fires in the district in which such fire hydrants are located, one engine only to be connected to a fire hydrant.

It is understood and agreed by the parties hereto that the Water Company

shall not be considered in any manner as an insurer of property or persons, or as having undertaken to extinguish fires or to protect any person or property against loss or damage by fire or otherwise, and it is further understood and agreed by the parties hereto that the Water Company shall undertake to use reasonable care and diligence in order to prevent and avoid interruptions and fluctuations in the service, but that it cannot and does not guarantee that such interruptions and fluctuations in the service will not occur, and that it is not to be liable for any damage or inconvenience caused by reason of any break, leak or defect in its facilities.

Section 6. Charges for Service and Payment Therefor. The City shall pay to the Water Company Total Annual Charge for Water Service payable and calculated as follows: The City shall pay to the Water Company, monthly on or before the thirtieth day after the date of a bill from the Water Company, the Monthly Water Sales and Public Fire Service Charge, together with a payment on account of one-twelfth of the Annual Expense of Service and Annual Return on Base, as those items are defined in Sub-paragraphs "M" and "O" of Section 1 of this agreement. In the calculation of the payments on account of Annual Return on Base such Return shall be calculated on the Adjusted Base as of the end of the preceding year and in the calculation of payments on account of Annual Allowance for Special Depreciation such allowances shall be calculated on the Special Depreciation Base as of the end of the preceding year. On or before March 1st of each year the Water Company shall calculate the net increase or decrease in the Special Depreciation Base and in the Adjusted Base during the preceding year, and an adjustment of Annual Allowance for Special Depreciation and for Return on Base at the rates provided in Sub-paragraphs "L" and "O" of this agreement shall be made by applying said rates to one-half of such increase or decrease and shall be settled by payment or credit, as the case may be, within thirty days after delivery of a statement. It is understood and agreed that the monthly payments on account of Annual Expense of Service (except that

part thereof attributable to Annual Allowance for Special Depreciation) shall be one-twelfth of such item estimated on the basis of the preceding year, with adjustment as of the end of each calendar year to conform to costs for the current year as finally developed.

Section 7. Effective Date of Agreement and Term and Termination of prior Contract between the Parties. This agreement shall become effective as of April 1, 1941, subject to the approval or acceptance thereof by the Pennsylvania Public Utility Commission, and shall terminate March 31, 1951, subject, however, to the right of either party hereto to terminate this agreement at the end of any calendar quarter prior to March 31, 1951 upon not less than ninety (90) days notice in writing served upon the other party hereto, fixing the date of such termination.

It is further understood and agreed that after March 31, 1951, this agreement may be continued in force for another year, and so on from year to year unless terminated sooner in the manner hereinbefore provided.

It is further understood and agreed by the parties that as of the effective date of this agreement, the contract between the parties hereto dated February 11, 1929 and renewed and extended by contract dated November 11, 1938, shall be terminated and made null and void as of April 1, 1941, except to the extent necessary to continue the obligation of the City to pay to the Water Company any sums of money due or to become due in payment for services rendered or water furnished under the terms of such contract prior to April 1, 1941.

Section 8. Reservation of Rights of Parties and of Pennsylvania Public Utility Commission. In case the City shall, at any time within the term of this agreement, acquire the ownership of the property or plant of the Water Company, then this agreement shall thereupon cease and terminate. and this agreement shall not be considered or allowed for in any way as an element of value in ascertaining or determining the value of the properties of the Water Company.

Nothing in this agreement contained shall be construed to interfere with,

waive or in any manner abridge, at the expiration hereof or of any extension or renewal of this agreement, any of the rights, powers or privileges now or at any future time held or enjoyed by either of the parties hereto, or to operate thereafter to the prejudice of any claims of either of the parties hereto, but all such rights, powers and privileges and claims, whether held now or hereafter acquired by contract or otherwise, after the expiration of this agreement, or of any extension or renewal thereof, shall in no wise be affected, or concluded, or prejudiced by this agreement.

It is hereby understood and agreed that neither the purpose nor the intent nor the obligation of this agreement, when approved or accepted by the Pennsylvania Public Utility Commission, is such as to impair or in anywise affect the exercise by said Commission of any of the powers vested in it by the Public Utility Law.

The Base herein adopted is limited to the purposes of this contract and shall not operate as an admission by either party in any proceeding involving the reasonableness of rates or the valuation of the property owned by the Water Company.

Section 9. Provisions regarding Defaults by Water Company under Agreement. If the Water Company be delayed or interfered with in the performance by it of any of its duties or obligations under this agreement by any act or neglect of the City or of any employee of the City, or by any other contractor employed by the City, or by strikes, lockouts, fire, unusual delay in common carriers, unavoidable casualties or any causes beyond the Water Company's control, or by acts of the public enemy, or by riots, insurrections, revolts, malicious mischief or sabotage, failure of machinery, breaks or leaks in facilities or equipment, then and in any of such cases, delay or failure to perform obligations or duties under this agreement shall not be considered as a default which would render the Water Company liable to any claims for damage.

Section 10. Performance Bond. The City shall have the right to require the Water Company to furnish bond covering the faithful performance of its du-

ties and obligations under this agreement and the payment of all obligations arising thereunder, in such form as the City may prescribe, and with such surety as it may approve. If such bond be required, the annual premiums thereon shall be paid by the Water Company, and "The Annual Expense of Service," as defined in subparagraph "M" of Section 1 of this agreement, shall then and in that case have added to it the annual premiums on such bond.

Section 11. Authorization of Agreement. This agreement is entered into by the City of Pittsburgh by virtue of Ordinance No. _____ of the City of Pittsburgh, approved the _____ day of _____, 1941, and recorded in Ordinance Book Volume _____, page _____, entitled, "_____

AN ORDINANCE — Authorizing an agreement granting the United States Government the right, subject to certain conditions, to construct, use, operate and maintain at its own cost, risk and expense a 12" water line on Tesla street from the City of Pittsburgh's 16" water main near Blackstone street to the Defense Housing site property of the United States Government at Bolton street.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed to enter into an agreement with the United States Government as follows:*

This agreement made and entered into this ----- day of -----, 1941, by and between the City of Pittsburgh, a Municipal Corporation, hereinafter called the "City," acting through

its proper officers, and the Government of the United States of America, hereinafter called the "Federal Government." Whereas the Federal Government desires to construct, use, operate and maintain a 12" water pipe line on Tesla street in said City for the purpose of providing a water supply from the said City's 16" water main on Tesla street near Blackstone street to the Federal Government's Defense Housing Project in the Fifteenth Ward of said City;

NOW, THEREFORE, THIS AGREEMENT Witnesseth that the parties hereto, intending to be legally bound hereby, and in consideration of the covenants and agreements herein contained, covenant and agree as follows:

1. The City agrees that the Federal Government, its successors and assigns, be and it is hereby given the right and authority, at its own cost, risk, and expense, to construct, use operate and maintain a 12-inch water pipe line on Tesla street from the City's 16" water main near Blackstone street to the Federal Government's Defense Housing property at Bolton street in the approximate location shown on the attached drawing identified by the number B2032, August 1941—Bureau of Water file.

2. All constructions in connection with said pipe line and appurtenances shall conform to plans and specifications submitted to the City's Director of Public Works. No changes from the original plans or specifications shall be made prior to the notification of said Director. Upon the completion of the construction of the pipe line the Federal Government shall furnish to the City to be attached to and become a part of this agreement a certified record plan showing accurately the location of said pipe line as constructed.

3. The Federal Government shall bear the full cost and expense of repairing water lines, sewers, paving and other surface and/or subsurface structures which may in any way be interfered with, damaged or destroyed incident to the construction, use, operation or maintenance of said 12" water pipe line.

4. The Federal Government agrees that it will assume any and all liability of the City for damages to

persons or property including the street and subsurface structures therein, by reason of the construction, use, operation and/or maintenance of the said 12" water-pipe line.

In witness whereof, the parties have hereto affixed their respective signatures by their properly authorized officials.

No. 378

AN ORDINANCE—Granting unto the Mine Safety Appliance Company of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use footer projections on Meade street, in the 14th Ward of the City of Pittsburgh, Pa.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mine Safety Appliance Company of Pittsburgh, Pa., its successors or as-

signs, is hereby given the right and authority, at its own cost and expense, to use such part of the Northerly sidewalk of Meade street as may be necessary for the construction of footer projections for the extension of a building, said footer projections to be located and constructed as follows:

Beginning along the Northerly line of Meade street 42.00 feet 5 $\frac{1}{8}$ inches from the Westerly line of Braddock avenue at an elevation 213.74 feet, having a projection of 2.00 feet and a length of 18 feet 2 inches; thence continuing along the Northerly line of Meade street 5 feet 1-inch to a footer at an elevation of 216.83 feet, having a projection of 1 foot 8 inches and a length of 21.00 feet 3 inches; thence continuing along the Northerly line of Meade street 7 feet 9 inches to a footer, at an elevation of 219.90 feet, having a projection of 2.00 feet and a length of 19.00 feet.

The elevations given above refer to City Datum.

The said footer projections shall be constructed according to the provisions of this ordinance, and in accordance with the plan identified as proposed Footers Projecting over City Building line on Meade street, for the extension of the Mine Safety Appliance Company six story addition; and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pa., and known as Accession B-511.

Section 2. The said Mine Safety Appliance Company, its successors or assigns, prior to the beginning of the construction of the footer projections, shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans in triplicate showing the location and all details for the construction of the said footer projections; said plans and the construction of the footer projections shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the

City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said footing projections; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said footer projections upon giving to the said Mine Safety Appliance Company, its successors and assigns, at least six (6) months written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Mine Safety Appliance Company, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said footer projections and restore the street to proper condition at its own cost and expense and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Mine Safety Appliance Company, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said footer projections, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within

thirty (30) days after its enactment by Council and approval by the Mayor of the City of Pittsburgh; the said Mine Safety Appliance Company, its successors or assigns, shall file with the proper officers of the City of Pittsburgh, its certificate of acceptance, accepting the provisions of this ordinance, said certificate of acceptance to be executed by said Mine Safety Appliance Company.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE — Authorizing an Agreement between the City and the Department of Public Assistance of the Commonwealth of Pennsylvania, for the purpose of participating in the Federal Surplus Commodities Stamp Plan.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same. That the Mayor and the Director of the Department of Public Welfare are hereby authorized and directed to enter into an Agreement with the Department of Public Assistance of the Commonwealth of Pennsylvania, for the purpose of participating in the Federal Surplus Commodities Stamp Plan, in accordance with Act No. 77, approved June 19, 1941, in manner and form as follows:*

THIS AGREEMENT,

Entered into this _____ day of _____, 1941, by the State Department of Public Assistance, Commonwealth of Pennsylvania, hereinafter referred to as the "State Department," and City of Pittsburgh, Pennsylvania, hereinafter referred to as "City of Pittsburgh,"

WITNESSETH:

WHEREAS, an agreement has been entered into between the Surplus Marketing Administration and the State Department of Public Assistance relative to issuance by the Administration, through the State, of commodity stamps

in the State of Pennsylvania in accordance with the applicable regulations and conditions prescribed by the United States Secretary of Agriculture; and,

WHEREAS, it is the desire of the State Department and City of Pittsburgh to enter into this agreement for the purpose of carrying out within the State of Pennsylvania the surplus removal programs of the United States Department of Agriculture established to effectuate the purposes of Section 32, Public Law No. 320, 74th Congress, as amended;

WHEREAS, the area within the city limits of City of Pittsburgh, Pennsylvania, has been designated by the Surplus Marketing Administration as an area in which food order stamps may be used; and,

WHEREAS, it is the desire of the parties hereto to continue the operation of the plan in City of Pittsburgh;

NOW, THEREFORE, the parties hereto, in consideration of the premises and mutual covenants herein contained, do mutually agree as follows:

ARTICLE 1. DEPOSIT OF REVOLVING FUND. The City of Pittsburgh shall deposit the sum of \$70,000.00 in the Surplus Commodities Stamp Fund of the State Treasury, through the Department of Revenue, as provided by Commonwealth of Pennsylvania Act No. 77, approved the 19th day of June, 1941; and the Secretary of Public Assistance shall use such fund in accordance with the provisions of the said Act.

ARTICLE II. ISSUANCE OF STAMPS. The State Department shall act in lieu of the Surplus Marketing Administration in connection with the issuance of food order stamps to any persons eligible to receive such stamps.

ARTICLE III. BASIS OF ISSUANCE OF STAMPS. The Surplus Marketing Administration shall determine the basis of issuance of stamps to any eligible person. Upon receipt of the determination, or any amendment thereto, from the Surplus Marketing Administration such determination shall be binding upon the parties hereto and shall become a part of this agreement.

ARTICLE IV. CERTIFICATION OF ELIGIBLES. Before any person is eligible to receive food order stamps, the

State Department shall certify such person as eligible, or shall require such person to be certified as eligible in accordance with the determination of basis of issuance of stamps.

TERMINATION

This agreement may be terminated upon thirty (30) days' written notice on the part of any party hereto.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals, all as of the date and year first above written, but actually on the date set forth after their respective signatures.

AN ORDINANCE — Authorizing an Agreement to be entered into between the Trustees of the Pittsburgh Railways Company, Debtor, and the proper officers of the City of Pittsburgh, relating to an easement on private right-of-way of the Glenwood and Dravosburg Electric Street Railway, between Mifflin road and Muldowney avenue, in the 31st Ward of the City of Pittsburgh, for the construction, maintenance and operation of a sanitary sewage force main.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works; for and on behalf of the City of Pittsburgh, are hereby authorized and directed to enter into an Agreement with W. D. George, Thomas M. Benner and Thomas Fitzgerald, Trustees, of the Pittsburgh Railways Company, Debtor, for an easement on private right-of-way of the Glenwood and Dravosburg Electric Street Railway, between Mifflin road and Muldowney avenue, in the 31st Ward of the City of Pittsburgh, for the construction, maintenance and operation of a sanitary sewage force main, said Agreement to be in the following form:*

AGREEMENT

MADE and entered into this-----day of-----, 1941, by and between W. D. George, Thomas M. Benner and Thomas Fitzgerald, Trustees of Pittsburgh Railways Company, Debtor, hereinafter referred to as "Licensors," parties of the first part,

AND

CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania, hereinafter referred to as "Licensee," party of the second part.

WITNESSETH:

WHEREAS, the Licensors are operating the Glenwood and Dravosburg Electric Street Railway, a part of which extends through the Thirty-first Ward of the City of Pittsburgh between Mifflin road and Muldowney avenue, on a private right of way, and

WHEREAS, the Licensee desires to secure the consent of the Licensors to install, maintain, use and operate a twelve (12") inch cast iron, sanitary sewage force main on, along, over and across said private right of way and underneath the tracks of the Glenwood and Dravosburg Electric Street Railway in the location hereinafter set forth, and the Licensors are willing to grant such license and permission under the following terms and conditions:

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: that the Licensors for and in consideration of the sum of Ten (\$10.00) Dollars paid to them, receipt whereof is hereby acknowledged, do hereby give and grant unto the Licensee, insofar as the Licensors' present title enables them so to do, license and permission to install, maintain, use and operate a twelve (12") inch cast iron sewer on, along, over and across the said private right of way and underneath the tracks of the Glenwood and Dravosburg Electric Street Railway in the location and manner shown in red on a portion of the City of Pittsburgh's blueprint No. D-5732, dated July 1941, attached hereto and made a part hereof.

This license and permission is given upon the following conditions and covenants which Licensee hereby agrees to keep and perform:

FIRST: All the work of installation of said sewer shall be done under the direction of the Superintendent of Way of the Licensors or such person as he may designate, who shall direct the time and manner of doing the said work which shall be so done and completed as not to interfere, either during the progress of said work or afterwards with the free and safe passage of cars upon the tracks of the Glenwood and Dravosburg Electric Street Railway, provided, however, that nothing in this paragraph contained or any acts done by or on behalf of the Licensors in the way of the direction of the work shall in any way modify, affect or alter the provisions of the Licensee under the provisions of paragraph "Fifth" hereof. It is understood and agreed that all of such work at the time of construction, and from time to time thereafter, shall be subject to inspection by a duly authorized representative of the Licensors

SECOND: All the costs and charges in connection with the installation and maintenance of said sewer shall be borne by the Licensee which shall immediately reimburse the Licensors for any and all expenditures made by them for or on account of said installation and maintenance, including the cost of flagmen, inspectors and watchmen, while the work is in progress, upon receipt of bill or bills therefor, it being understood and agreed that such obligation is in addition to the obligations assumed by the Licensee under the provisions of paragraph "Tenth" hereof.

THIRD: (a) Where the said sewer crosses underneath the tracks of the street railway, the ballast shall be removed and the trench dug to the required depth. The sides of the trench shall be sufficiently braced to prevent cave-ins. If the width of the trench shall exceed three (3') feet, then substantial support for the tracks shall be furnished and installed. Upon completion of the installation of the said sewer, the trench shall be filled with suitable material and well tamped, in successive layers not over one (1') foot in depth, and such filling beneath the tracks shall be brought to a level sixteen (16") inches below the bottom of the ties. The ballast shall then be replaced and solidly tamped.

(b) The trench in which the said sewer is laid between Mifflin road and Muldowney avenue shall be filled with earth about and above the said sewer and thoroughly tamped and rammed in a manner satisfactory to the said Superintendent of Way, and the drainage ditch affected by the construction of said sewer shall be restored to a condition satisfactory to the said Superintendent of Way.

FOURTH: All the terms and conditions of paragraphs "First," "Second" and "Third" hereof shall apply to any work done by the Licensee in maintaining, repairing or renewing said sewer.

FIFTH: (a) It is understood between the parties hereto that the operations of the Licensors, at or near said sewer involve some risk, and the Licensee, as part of the consideration for this grant, hereby releases and waives any right to make claim or demand of the Licensors

for damage to the said sewer of the Licensee that is in or upon the said right of way whether attributable to the fault, failure or negligence of the Licensors or otherwise.

(b) The Licensee also covenants and agrees to indemnify, protect and save harmless the Licensors from and against all loss, damage and expense of any nature whatsoever, and all claims, suits and demands therefor, to persons and property, caused by or in any manner growing out of the installation, maintenance, use, operation and presence of said sewer, or injury or damage caused thereto or thereby, including damages to the Licensors' property or property in their possession or control, whether attributable to the fault, failure or negligence of the Licensors, their employees or otherwise.

SIXTH: The conditions and stipulations hereof shall apply as well in event that the Licensors may or shall build any other track or tracks on said right of way, and in case said additional track or tracks are built or the grade of the railroad is changed at any time, the Licensee at its sole cost and expense shall make such changes in the location of the said sewer as the said Superintendent of Way may direct.

SEVENTH: It is understood and agreed that long continued use of said sewer and lapse of time whatsoever shall not give the Licensee a permanent interest, estate or easement in, on or across said right of way and that upon cancellation as hereinafter provided the Licensee shall remove the same if directed so to do by the Licensors and leave the premises in a condition satisfactory to the Licensors, all at the sole cost and expense of the Licensee.

EIGHTH: It is also understood and agreed that no guarantee is given by the Licensors of permission from the Grantors of said right of way, or the successors or assigns thereof, for the use of said right of way by the Licensee, and the Licensee shall be solely responsible for, and shall indemnify the Licensors against any claims, suits or demands growing out of the lack of said permission.

NINTH: In the event of an abandonment of said sewer by the Licensee, the

Licensee shall, at its sole cost and expense, remove the said sewer from the said private right of way, if directed so to do by the Licensors, and leave the private right of way in such condition as shall be satisfactory to the Licensors.

TENTH: If the Licensee shall fail to install, maintain, repair, renew, and remove said sewer, in accordance with the provisions of this agreement, the Licensors shall have the right to immediately perform any and all work necessary in connection with said installation, maintenance, repair, renewal, or removal at the sole cost and expense of the Licensee, and the Licensee hereby agrees to reimburse the Licensors for any expenditure on account thereof, together with 15% for supervision and use of tools promptly upon receipt of itemized statement therefor.

ELEVENTH: This agreement shall not become effective until the Licensee shall have obtained such permit or permits as may be necessary for the construction and operation of said sewer from the Sanitary Water Board, Department of Health of the Commonwealth of Pennsylvania nor until; thirty-one (31) days after this contract shall have been filed with the Public Utility Commission of the Commonwealth of Pennsylvania in compliance with Paragraph 911 of the Public Utility Law; said filing of this agreement to be undertaken by the Licensee; the Licensee to bear all expense in connection with obtaining such permit or permits, filing and all other expenses incidental to this agreement.

TWELFTH: This agreement is entered into by the City of Pittsburgh pursuant to an ordinance of said City, duly enacted at a meeting of its Council, held on _____ day of _____, 1941, and approved by its Mayor on _____ day of _____, 1941, which ordinance is in force and effect.

This license is subject to cancellation upon loss of possession of the property hereinbefore described or upon termination of the reorganization proceedings now pending in the District Court of the United States for the Western District of Pennsylvania, at No. 20225 in Bankruptcy, if such can-

cellation is directed by Order of Court.

This agreement shall be binding upon the inure to the benefit of both the parties hereto, their respective successors, lessees and assigns.

IN WITNESS WHEREOF, the parties hereto have executed this agreement, all done the day and year first above written.

AN ORDINANCE—Granting unto the Klein Logan Company, of Pittsburgh, Pa., the right and privilege to construct, maintain, use and operate a jib crane for the purpose of unloading trucks in Enon way, in the 17th Ward of the City of Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Klein Logan Company, of Pittsburgh, Pa., its successors and assigns, are hereby given the right, privilege and authority to construct, maintain, use and operate, at its own cost and expense, a jib crane for the purpose of unloading trucks in Enon way, in the 17th Ward of the City of Pittsburgh, Pennsylvania.

The jib crane to be constructed by virtue of this ordinance is described as follows:

The center line of the jib crane shall be located on the easterly line of Enon way distant northwardly 172 feet 5 inches from the northerly line of Breed street. When operating, the crane shall extend 9 feet 11 inches into Enon way, and when not in use shall be swung northwardly against the building and occupy a space extending into Enon way about 18 inches and 10 feet in length parallel to the building.

The said jib crane shall be constructed according to the provisions of this ordinance and in accord with the plans identified as "Proposed Jib Crane in Enon way for the Klein Logan Company of Pittsburgh, Pa.", and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department

of Public Works, City of Pittsburgh, and known as Accession No. B-514.

Section 2. The said Klein Logan Company of Pittsburgh, prior to the beginning of the construction of the said jib crane, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans in triplicate, showing the location and all details for the construction of said jib crane; said plans and construction of the jib crane shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provision of any general ordinances which have been or may hereafter be passed relating to the construction, maintenance and use of jib cranes on City streets and compensation for same.

Section 4. The Klein Logan Company of Pittsburgh shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said jib crane. All of the work, including the repaving or repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said jib crane upon giving to the said Klein Logan Company of Pittsburgh at least six months written notice from the proper officers of the City, pursuant to a resolution or ordinance of Council, and that the said Klein Logan Company of Pittsburgh, when notified, shall at or before the expiration of the said six months, remove the

said jib crane and restore the street to proper condition at their own cost and expense and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Klein Logan Company of Pittsburgh shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said jib crane, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing right and privilege are granted subject to the conditions that this ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor of the City of Pittsburgh, the said Klein Logan Company of Pittsburgh shall file with the proper officers of the City of Pittsburgh its certificate properly executed accepting the provisions of this ordinance.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 539

AN ORDINANCE—Granting unto the Steel City Electric Company of Pittsburgh, Pennsylvania, the right and privilege to construct, maintain, use and operate a coal vault with two 27-inch coal holes and an ash vault, with sidewalk hoist and cellar doors, in the southerly sidewalk of Columbus avenue, 21st Ward, of the City of Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Steel City Electric Company, its successors and assigns, are hereby given the right, privilege, and authority to construct, maintain, use and operate at their own cost and expense, a coal vault with two 27-inch coal holes and an ash storage vault, with sidewalk hoist and cellar doors, adjoining their property located at 1207 and 1231 Columbus avenue, in the 21st Ward of the City of Pittsburgh, Pennsylvania, and described as follows, to-wit:

The coal vault with two 27-inch coal holes shall begin at a point on the southerly line of Columbus avenue, distant 311 feet 10 inches eastwardly from the easterly line of Fulton street thence

extending eastwardly along the southerly line of Columbus avenue 17 feet 6 inches to a point; thence deflecting to the left 90 degrees in a northerly direction a distance of 6.00 feet to a point; thence deflecting to left 90 degrees in a westerly direction a distance of 17 feet 6 inches to a point; thence deflecting to the left 90 degrees in a southerly direction a distance of 6.00 feet to the southerly line of Columbus avenue at the place of beginning.

The ash storage vault with sidewalk hoist and cellar door shall begin at a point on the southerly line of Columbus avenue, distant 341 feet 2 inches eastwardly from the easterly line of Fulton street; thence extending eastwardly along the southerly line of Columbus avenue a distance of 6 feet 6 inches to a point; thence deflecting to the left 90 degrees in a northerly direction a distance of 6.00 feet to a point; thence deflecting to the left 90 degrees in a westerly direction for a distance of 6 feet 6 inches to a point; thence deflecting to the left 90 degrees in a southerly direction for a distance of 6.00 feet to the southerly line of Columbus avenue, the place of beginning.

The said vault shall be constructed according to the provisions of this ordinance and in accord with the plan identified as "Proposed Sidewalk Vaults and Ash Hoist for the Steel City Electric Company of Pittsburgh," and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, City of Pittsburgh, and known as Accession No. B-513.

Section 2. The said Steel City Electric Company of Pittsburgh, prior to the beginning of the construction of the said vault, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans in triplicate, showing the location and all details for the construction of said vault and ash hoist; said plans and construction of the vault and ash hoist shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of

Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances, which have been or may be hereafter passed, relating to the construction, maintenance, and use of said vault and ash hoist on City streets and compensation for same.

Section 4. The Steel City Electric Company of Pittsburgh shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use, and operation of said vault and ash hoist. All of the work, including the repaving or repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault and ash hoist upon giving to the said Steel City Electric Company of Pittsburgh at least six (6) months written notice from the proper officers of the City, pursuant to a resolution or ordinance of Council and that the said Steel City Electric Company of Pittsburgh, when so notified, shall at or before the expiration of the said six months, remove the said vault and ash hoist, and restore the street to proper condition at its own cost and expense and to the satisfaction of the Director of Public Works.

Section 6. The said Steel City Electric Company of Pittsburgh shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use, and operation of said vault and ash hoist, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless, within thirty (30) days after its enactment by Council and approved by the Mayor of the City of Pittsburgh, the said Steel City Electric Company of Pittsburgh shall file with the proper officers of the City of Pittsburgh, its certificate of acceptance, accepting the provisions of this Ordinance, said certificate of acceptance to be executed by the said Steel City Electric Company.

No. 552

AN ORDINANCE—Granting unto Sears-Roebuck & Co., Pittsburgh, Pa., the right to construct maintain and use a conduit composed of one four inch fiber conduit and one two inch fiber conduit encased in concrete being fifteen inches wide and ten inches in depth, under and across East Park way, at a point 1.5 feet East of the Easterly line of East Diamond street, in the 22nd Ward, City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Sears-Roebuck & Co., Pittsburgh, Pa., its successors and assigns, is hereby given*

the right and authority to construct, maintain and use a conduit composed of one four inch fiber conduit and one two inch fiber conduit encased in concrete being fifteen inches wide and ten inches in depth, under and across East Park way, at a point 1.5 feet East of the Easterly line of East Diamond street, in the 22nd Ward, City of Pittsburgh, to provide access for the installation and maintenance of electric lines and telephone lines between their properties.

The foregoing conduit shall be laid in the location and in conformance with the approved plan on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, and identified as Accession R—Folder 516, said plan being entitled, "Proposed Utility Pipe Lines under East Park way," 22nd Ward, Pittsburgh, Pa., for the Sears Roebuck & Company."

Section 2. The construction, maintenance, and use of the said conduits shall be at the sole expense of the Sears-Roebuck & Company and shall be subject to the approval and supervision of the Director of the department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets and also to all general or special Ordinances of the City of Pittsburgh which may hereafter be passed relating to the construction, maintenance and use of conduits in the City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may in any way be damaged or disturbed by reason of the construction, maintenance and use of the said conduit. All of the said work including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, re-

serves the right to cause the removal of the said conduit upon giving six (6) months' notice through the proper officers pursuant to Resolution or Ordinance of Council to the said Sears-Roe-buck & Co., its successors and assigns, to that effect, and that the said grantee, when so notified, shall at the expiration of the said six months forthwith, remove the said conduit and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of said conduit, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval the Sears-Roe-buck & Company shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Sears-Roe-buck & Company with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE — Vacating LEVEL WAY, from a point 300.0 feet south of Moredale street to a point 515.0 feet south of Moredale street, and reserving the right of the City of Pittsburgh to maintain, repair, construct and reconstruct existing sewers or new sewers in, under, across and through LEVEL WAY

within the limits of the said vacation, and providing certain terms and conditions.

WHEREAS, It appears by the petition and affidavit on file in the Office of the City Clerk that the owner of all the property fronting or abutting on the lines of LEVEL WAY from a point 300.0 feet south of Moredale street to a point 515.0 feet south of Moredale street, have petitioned the Council of the City of Pittsburgh to enact an ordinance for the vacation of the same; Therefore:

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* LEVEL WAY, from a point 300.0 feet south of Moredale street to a point 515.0 feet south of Moredale street, as laid out in the Magaw and Goff, Limited, Plan of Lots, of record in the Recorder's Office of Allegheny County in Plan Book Volume 10, page 69, be and the same is hereby vacated.

Section 2. The vacation of Level way, from a point 300.0 feet south of Moredale street to a point 515.0 feet south of Moredale street, is made upon the following terms and conditions to be accepted by the John D. Page Sons Company, the owner of all the property fronting or abutting upon Level way, within the limits of the said vacation, before said vacation shall become effective:

(a) The City of Pittsburgh reserves the right to continue, maintain and use all existing sewers now located under said street, between the said points, and specifically reserves the right to enter upon the land formerly within the lines of said Level way, within the limits of the said vacation, for said purposes.

(b) The City of Pittsburgh reserves the right to construct, maintain and use within the lines of the said Level way as vacated, any future sewers, and for said purposes to enter upon said property for the construction, inspection, maintenance and repair of any future sewers.

(c) The John D. Page Sons Company, for itself, its successors and assigns, covenants and agrees to reimburse the said City of Pittsburgh for any additional expense incurred by it in con-

nection with the construction of any future sewers, and/or the maintenance of any existing or future sewers made necessary by reason of any paving, improvements, structures or buildings erected on the vacated street.

(d) The John D. Page Sons Company, for itself, its successors and assigns, waives all damage, claims or demands arising by reason of entry upon and/or construction, maintenance and repair of existing and future sewers on the vacated street.

(e) The John D. Page Sons Company, for itself, its successors and assigns, agrees within thirty (30) days from the final passage and approval of this ordinance, to file with the City Controller an acceptance of the terms and conditions hereof, said acceptance being duly authorized by the Board of Directors of the said John D. Page Sons Company, and upon failure to file such acceptance within thirty (30) days from the passage and final approval of this ordinance, the same shall be void and of no effect.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Grant'ng unto the Penn Overall Supply Company the right to construct, maintain and use a 36 inch concrete tunnel under and across Avon way, at a point on the Northerly line of Avon way, a distance of 146 feet 6 inches Eastwardly from the Easterly line of Kirkpatrick street, in the 5th Ward, City of Pittsburgh, for the purpose of carrying steam pipes between their buildings.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Penn Overall Supply Company, its successors or assigns, is hereby given the right to construct, maintain and*

use a 36 inch concrete tunnel under and across Avon way, at a point on the Northerly line of Avon way, a distance of 146 feet 6 inches Eastwardly from the Easterly line of Kirkpatrick street, in the 5th Ward, City of Pittsburgh, for the purpose of carrying steam pipes between their buildings.

The center line of said tunnel shall be normal to the line of Avon way and shall be laid in the location and in full conformance with the approved plan on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works and identified as Accession B-516, said plan being entitled "Tunnel crossing Avon way for the Penn Overall Supply Co., 5th Ward, Pittsburgh, Pa."

Section 2. The construction, maintenance and use of said tunnel shall be at all times at the sole expense of the Penn Overall Supply Co., as shown on Plan B-516, and shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over city streets and also to all general or special ordinances of the City of Pittsburgh which may hereafter be passed relating to the construction, maintenance and use of tunnels in the City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may in any way be damaged or disturbed by reason of the construction, maintenance and use of the said tunnel. All of the said work including the repaving of the street damaged shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said tunnel upon giving six (6) months notice through the proper officers pursuant to Resolution or Ordinance of

Council to the said Penn Overall Supply Company, its successors and assigns, to that effect, and that said grantee, when so notified, shall at the expiration of the said six months, forthwith remove the said tunnel and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of the said tunnel, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval the Penn Overall Supply Company shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Penn Overall Supply Company with its corporate seal attached.

No. 566

AN ORDINANCE—Regulating the use, within the City of Pittsburgh, of

flammable liquids for cleaning clothing, hats, furs, textile materials or furnishings in establishments now operated, or to be operated, other than commercial dry cleaning establishments; requiring permits therefor, and prohibiting the delivery to or the taking into certain buildings or premises, for cleaning purposes, of such flammable liquids.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That from and after the passage of this ordinance the following requirements regulating the use, within the City of Pittsburgh, of flammable liquids for cleaning clothing, hats, furs, textile materials or furnishings in establishments now operated, or to be operated, other than commercial dry cleaning establishments, and prohibiting the delivery to or the taking into certain buildings or premises, for cleaning purposes, of such flammable liquids, shall be in full force and effect. This ordinance shall not be construed as applying to spotting or the local application of flammable liquids for the purpose of removing spots of dirt, grease, paints or stains where liquids are applied from an approved safety can of not more than one quart capacity.

Section 2. The term flammable liquid shall include any combustible liquid having a flash point below 200 degrees Fahrenheit as determined with the Elliott, Abel, Abel-Pensky or the Tag cup tester. Listings of liquids by the Underwriters Laboratories, Inc., may be accepted or a certificate of test from some reputable disinterested testing laboratory may be required by the Bureau of Building Inspection when deemed necessary.

Section 3. Any shop or establishment for cleaning clothing, hats, furs, textile materials or furnishings of any kind by immersion in any flammable liquid, or cleaning such articles or materials by brushing, rubbing or scrubbing with a flammable liquid having a flash point below 100 degrees Fahrenheit, shall be classified as a dry cleaning establishment and be subject to all the regulations pertaining thereto established in Ordinance No. 288 of 1927 and any amendments thereto. Any such establishment storing or keeping on hand

for use more than five (5) gallons of a flammable liquid having a flash point of 100 degrees Fahrenheit or higher shall also be classified as a dry cleaning establishment.

Section 4. Every person, firm or corporation, now or hereafter owning or operating any of the trades or establishments as set forth in Section 1 of this ordinance, and not classified as a dry cleaning establishment, shall annually apply for and obtain from the Bureau of Building Inspection a permit authorizing the use of such liquids. Permits shall expire on January 31st of each year. The fee for such a permit shall be six dollars (\$6.00) per annum. When the period covered by permit is less than one year, the fee shall be prorated on a monthly basis, one half or larger portion of a month being charged as a full month.

Section 5. No permit shall be issued for the operation of a hat or fur cleaning shop or similar establishment in a frame building, or in any building occupied as an apartment house, school, theatre, hotel, hospital or sanitarium, or place of public assembly, unless separated therefrom by unpierced walls, floors and ceilings of not less than three hour fire resistive construction. No such shop or establishment shall be permitted in a cellar or basement. Rooms or places of hat or fur cleaning shops or similar establishments where flammable liquids are used shall be provided with mechanical means of ventilation that will change the air at least once every three minutes. No open fire or flame shall be permitted in such rooms or places and lighting shall be electric incandescent.

Section 6. Flammable liquids shall be stored in original metal containers or approved safety cans. At least one fire extinguisher of a type suitable for use on flammable liquid fires shall be provided for each room or place where such liquids are stored or used.

Section 7. All dealers in flammable cleaning liquids having a flash point below 100 degrees Fahrenheit are prohibited from delivering such liquids for use in any dwelling, place of public assembly or place of business, other than a licensed dry cleaning establishment.

Section 8. It shall be unlawful for

any person, firm or corporation to take any flammable liquid, or cause any such liquid to be taken, into any office building, apartment building, hotel, school, theatre, hospital or sanitarium, place of public assembly, mercantile building, manufacturing building or warehouse within the City of Pittsburgh for the purpose of cleaning upholstery, draperies, rugs or similar furnishings.

Section 9. Any person, firm or corporation violating any of the provisions of this ordinance, shall upon conviction thereof before any alderman or police magistrate be subject to a fine of not less than Ten (\$10.00) Dollars nor more than One Hundred (\$100.00) Dollars for each and every offense, or in default of payment thereof by imprisonment in the Allegheny County Jail or Workhouse for a period of not less than five (5) days nor more than thirty (30) days.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 567

AN ORDINANCE — Authorizing the Trustees of the Federal Surplus Commodities Corporation and the State Department of Public Assistance to transfer the sum of \$70,000.00, provided by the City of Pittsburgh, to the Surplus Commodities Stamp Fund of the State Treasury.

WHEREAS, Ordinance No. 72, approved March 5, 1940, authorized the Mayor and the Director of the Department of Public Welfare to enter into a contract with the Federal Surplus Commodities Corporation and the State Department of Public Assistance for the sale of food order stamps in the City of Pittsburgh, and further provided that the City shall deposit certain funds in the hands of a Trustee or Trustees to be mutually agreed upon by the State and City for the purpose of enabling the Trustee or

Trustees to purchase food stamps for delivery to the State for issuance to eligible persons within the City limits of Pittsburgh, Pennsylvania; and

WHEREAS, Pursuant to Act No. 77, approved June 19, 1941, the City of Pittsburgh by Ordinance No. 502, approved October 16, 1941, extended their agreement with the Department of Public Assistance, Commonwealth of Pennsylvania, and provided that the City shall deposit the sum of \$70,000.00 in the Surplus Commodities Stamp Fund of the State Treasury through the Department of Revenue; Therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same.* That the Mayor and the Director of the Department of Public Welfare be authorized and directed to notify the Trustees of the Federal Surplus Commodities Corporation and the State Department of Public Assistance to transfer the sum of \$70,000.00, being the sum provided by the City of Pittsburgh for the purchase of commodity stamps to Surplus Commodities Stamp Fund of the State Treasury, Harrisburg, Pa., through the Department of Revenue as provided by Act No. 77, approved June 19, 1941 and Ordinance No. 502, approved October 16, 1941.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

EXONERATIONS (FLAT RATE ONLY)

FOR VACANCIES—Where the premises is vacant and the entire supply of water shall, at the owner's written notice served on the Board of Water Assessors, be turned off by their direction by the Bureau of Water, and such water shall be turned on only by the Bureau of Water, at the owner's written notice to the Board of Water Assessors, exonerations of ninety (90%) per cent. for the flat assessment for the period during which the water is shut off shall be issued; provided that the period during

which the water is shut off is greater than sixty (60) days consecutively.

All requests for exonerations for excessive assessments must be made during the current year in which the assessments are made, or during twelve (12) months after the termination of said year, and no exonerations shall be granted after said period has expired.

FOR CHANGES IN WATER USES—

Where fixtures are removed and water uses discontinued, exonerations will be issued covering the discontinued use from the date of approval of contract covering the revised water use. In case any owner of any premises shall cause or allow water to be used for any purpose or in any fixtures for which there is no approved water contract on file in the office of the Bureau of Water, the rate for such usage or fixtures shall be at rate specified in the foregoing schedule and shall date from the preceding January 1st, and the water for the entire premises shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Bureau of Water.

All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

WATER FOR FIRE PURPOSES

No charge shall be made for water used during fires. All water used through fire systems except during fires, shall be charged for at metered rates. All fire systems shall be metered, excepting sprinkler head systems, and the minimum charge for each quarter year shall be as follows:

2" and 3" meters-----	\$2.00 per quarter
4" meters -----	\$3.00 per quarter
6" meters and over-----	\$4.50 per quarter

EXPLANATION OF THE FOREGOING SCHEDULE

In the foregoing schedule of rates, in cases where both flat and metered rates are specified, such flat rates shall govern until a meter or meters, controlling the entire supply of water, shall have been installed, when the metered water rates, rules and regulations shall govern. In the foregoing schedule of rates, in cases where metered rates, only, are specified, and the meter or meters are not in service or approved service dur-

ing any portion of the water rent period, the registration for the portion of the water rent period during which the meter or meters are in approved service, or the registration during the preceding water rent period, shall be applied pro rata to the period during which the meter or meters are not in approved service. All water supplied at metered rates shall be at the following rate per quarter year:

METERED WATER RATES

	Per 1000 Gals.
First 250,000 gallons or less.....	\$.20
Second 250,000 gallons or less.....	.18
Third 250,000 gallons or less.....	.16
Fourth 250,000 gallons or more.....	.14

Hospitals, dispensaries and such other charities as are supported by public and private contributions, shall be charged at the rate of seven (7) cents per thousand gallons; provided, however, that hospitals supported by public charity shall receive free of all charge two hundred fifty (250) gallons of water per person per day, and schools supported by private charity shall receive free of all charge twenty-five hundred (2500) gallons of water per pupil per annum.

All hospitals and charitable institutions operating and maintaining laundries for commercial purposes, or maintaining and operating hydraulic power producing machinery, shall pay the usual and fixed rate for all water used for such purposes.

All hospitals and charitable institutions within the City of Pittsburgh which operate and maintain laundries for commercial purposes, or operate hydraulic power producing machinery, shall maintain separate water lines for such laundries or hydraulic power producing machinery. All water used for such purposes shall be separately and specially metered.

For all water taken, the rate for which is not specifically provided and which is not measured by meter, the quantities shall be estimated and charged for at the above metered rates; and provided, further, that in no case where metered water rates are in force shall the charge for such premise for each quarter be less than the amount specified in the following schedule.

25 cents per quarter for 1 and 2 roomed dwelling house premises
50 cents per quarter for 3 and 4 roomed dwelling house premises
\$1.00 per quarter for 5 and 6 roomed dwelling house premises
\$1.25 per quarter for 7 and 8 roomed dwelling house premises
\$2.00 per quarter for 9 and 10 roomed dwelling house premises
\$2.50 per quarter for 11 and 12 roomed dwelling house premises
\$3.00 per quarter for 13 and 14 roomed dwelling house premises
\$4.00 per quarter for 15 and 16 roomed dwelling house premises
\$5.00 per quarter for dwelling house premises of more than 16 rooms.

For all premises not included in the above schedule the minimum charge shall be 2½ per cent of the yearly flat assessment per quarter, excepting in each case where a premise is equipped with an auxiliary water supply consisting of a pumping engine of not less than 50,000 gallons per day capacity and a reserve tank of not less than 3,000 gallons capacity, the minimum charge for each quarter shall be as follows:

For each ½ inch meter.....	\$ 2.00
For each ¾ inch meter.....	3.00
For each 1 inch meter.....	5.00
For each 1¼ inch meter.....	7.50
For each 1½ inch meter.....	10.00
For each 2 inch meter.....	12.50
For each 3 inch meter.....	20.00
For each 4 inch meter.....	30.00
For each meter larger than 4 inch.	50.00

The meter or meters to be used must be approved by the Bureau of Water, must be installed under the direction of and in a manner satisfactory to the Bureau of Water and shall at all times be accessible to the Board of Water Assessors and the Managing Engineer of the Bureau of Water, their agents or assistants. Metered rates charged to any premise cannot be changed to flat rates. All meters must be furnished by and at the expense of the property owner. Meters will be tested, repaired and replaced by the Department of Public Works. For this service there will be levied on each metered service the following quarterly charge:

	Per Quarter
¾x¾x¾ inch meter.....	\$.50

¾ inch meter.....	.75
1 inch meter.....	1.00
1¼ inch meter.....	1.25
1½ inch meter.....	2.00
2 inch meter.....	3.00
3 inch meter.....	6.00
4 inch meter.....	11.00
6 inch meter.....	20.00
8 inch meter.....	40.00
10 inch meter.....	60.00

That all meters shall be read quarterly and as promptly thereafter as possible, a statement of water used by consumer in the preceding quarter, together with the amount then due the City of Pittsburgh, shall be promptly mailed to said consumer. All charges to metered water consumers shall be subject to a discount of two (2%) per centum on the face thereof if paid within ten days; shall be payable at face if paid within the next succeeding ten days, and if not paid within twenty days after date of said notice shall be subject to penalty for non payment of two (2%) per centum additional plus one-half of one per centum for each month or any part thereof that the same shall not be paid.

In case the said accounts are not paid within twenty days as provided in above paragraph hereof, they shall become delinquent and the said accounts shall thereafter be collected by the Collector of Delinquent Taxes, who shall, in default of payments, proceed with the collection thereof and the filing of liens in the same manner and at the same time as is provided under the Acts of Assembly for the year.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 570

AN ORDINANCE—Regulating the design, construction, installation and control of certain air duct systems, or parts thereof, which employ mechanical means for the movement of air and which are used in connection with sys-

terms of ventilating or air heating, cooling, conditioning or exhausting; providing for the issuance of permits for and the inspection of such installations; fixing fees for permits, and providing penalties for the violation of the provisions of the ordinance.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That from and after the approval of this ordinance, the following provisions regulating the design, construction, installation and control of certain air duct systems, or parts thereof, which employ mechanical means for the movement of air and which are used in connection with systems of ventilating or air heating, cooling, conditioning or exhausting; providing for the issuance of permits for and the inspection of such installations; fixing fees for permits; and providing penalties for the violation of the provisions of the ordinance, shall be in full force and effect.*

Section 2 SCOPE AND PURPOSE

(1) **Short Title.** This ordinance shall be known and cited as the Mechanical Duct Code.

(2) **Scope.** This ordinance shall apply to new installations, to alterations, replacements and additions to existing installations, and to the control of unsafe installations of air duct systems of the type and use specified in Section 1, except such systems in, (a) one and two family dwellings; (b) single family dwellings not exceeding three stories in height converted without extensions or additions to multiple dwellings, or to combination commercial and dwelling occupancy when the commercial occupancy is confined to the first floor and basement; and (c) one story commercial buildings not exceeding 2500 square feet in floor area and where the first floor only is accessible to the public. It shall not apply to systems for removal of flammable vapors and residues, nor to systems for conveying dust, stock or refuse by means of air currents.

(3) **Purpose.** This ordinance is intended to provide reasonable safeguards to life, limb and property.

Section 3 ADMINISTRATION

(1) **Permits.** Any person, firm or corporation desiring to install, alter or make major replacements in any air duct system regulated by this ordinance shall apply to the Bureau of Building Inspection for a permit authorizing such work.

Application for permit shall be accompanied by drawings in duplicate giving all necessary information to show compliance with the provisions of this ordinance. Upon approval one set of drawings shall be returned to the applicant to be retained on the job until completion of the work. The Superintendent shall have authority to waive the requirement for submission of drawings when, in his opinion, sufficient detailed information may be obtained from the application.

No work for which a permit is required shall be started until after issuance of said permit.

The Superintendent is authorized and empowered to revoke any permit issued by him upon failure of the holder thereof to comply with any of the provisions of this ordinance.

(2) **Inspection.** The Superintendent and his authorized assistants shall have the right, during reasonable hours, to enter any building or premises in the City of Pittsburgh for the purpose of making any inspection or tests of any air duct system regulated by this ordinance, as are deemed necessary for the purpose of safety and the enforcement of this ordinance.

It shall be unlawful to lath over or in any way conceal any ducts or other parts of any air duct system regulated by this ordinance until an inspection has been made and the installation of such parts approved by the inspector. The Superintendent may remove or cause to be removed any such cover or concealment unlawfully placed.

Whenever any air duct system regulated by this ordinance is found to be in a condition unsafe to life or property, the Superintendent is hereby authorized and empowered to order the use of such system discontinued until it has been placed in a safe condition and approved.

(3) **Fees.** The following fees shall be charged for permits.

New Installation — 50c for each connected fan motor horsepower.
 Minimum fee\$3.00
 Alterations and Additions—50c for each additional fan motor horsepower. Minimum fee.....\$3.00
 Major Replacements\$3.00

Section 4.

DESIGN, CONSTRUCTION AND INSTALLATION

1. DEFINITIONS.

Approved—Acceptable to the Bureau of Building Inspection. (Except where another meaning is clearly indicated in this ordinance, the foregoing definition shall apply.)

Fans—The assembly comprising blades or runners and housings or casings, including both blowers and exhausters.

Fire Partitions—A fire partition within the meaning of this ordinance is a wall or partition which subdivides a story of a building to restrict the spread of fire or to provide an area of refuge. A required partition is one which is required by the Building Code of the City of Pittsburgh.

Fire Wall—A fire wall within the meaning of this ordinance is a wall which subdivides a building or separates buildings to restrict the spread of fire and which starts at the foundation and extends continuously through all stories to and above the roof.

2. CONSTRUCTION OF DUCTS.

2.1—Ducts shall be constructed entirely of incombustible material, such as iron, steel or other approved material.

2.2—Ducts may be of independent construction or a part of the building structure, provided they are installed in accordance with the requirements of these regulations. Construction consisting of not less than ¾ inch cement or gypsum plaster on metal lath applied to either combustible or incombustible supports may be used as duct walls.

2.3—Where flexible connections are used in ducts they shall be of woven asbestos or other approved fire resistive material when located in any room other than that in which the fan is located.

2.4—Only approved fire resistive linings may be used inside of ducts. Combustible exterior coverings shall not be used on supply ducts connected to direct fired systems.

Work involving the use of torches shall not be undertaken on ducts until the system has been shut down, the duct cleaned and all combustible lining and covering material has been removed from the portion of the duct being repaired.

2.5—Ducts shall be so constructed as to provide structural strength and durability at least the equivalent of galvanized sheet iron or steel of the thickness specified in the following table:

Rectangular Ducts		
Round Ducts Diameter (Inches)	Longer Dimension (Inches)	Minimum Thickness U.S. Gauge
6 to 10	Up to 12	26
11 to 29	13 to 30	24
30 to 39	31 to 60	22
40 to 49	61 to 118	20
50 and above	119 and above	18

2.6—Ducts shall be made reasonably tight throughout and shall have no openings other than those required for the proper operation and maintenance of the system.

2.7—Return ducts, other than vertical, shall be so constructed that the interior is accessible to facilitate the cleaning of possible accumulations of dust and combustible material, except that accessibility is not required where all of the following conditions prevail.

(a) The occupancy is not productive of combustible material, such as lint, dust, greasy vapors, etc. Such occupancies are banks, office buildings, churches, hotels and institutions, (but not kitchens, service rooms and manufacturing portions).

(b) The return openings are at least 7 feet above the floor or the return grille or screen in back of grille are of such design that they will not pass a 3/16 inch diameter sphere.

Cleanout openings at approximately 20 foot intervals shall be provided where accessibility to facilitate cleaning is required and where the ducts are smaller than 18x24 inches. Removable grilles may be accepted as cleanout openings.

2.8—Supply ducts, other than vertical, shall conform to the above regulations for return ducts, unless all of the supply air passes through either water spray or filters.

3. INSTALLATION OF DUCTS.

3.1—Metal ducts shall have a clearance of at least $\frac{1}{2}$ inch from combustible construction, including plaster on wood lath, unless protected with at least $\frac{1}{4}$ inch of asbestos or other approved insulating material. Grille or register mountings shall be exempt from this requirement.

3.2—Where ducts pass through walls, floors or partitions the space around the duct shall be sealed with rope asbestos, mineral wool or other incombustible material to prevent the passage of flame and smoke.

3.3—The integrity of fire stopping shall not be destroyed. The spaces between the ducts and the fire stopping shall be filled solidly with brick, asbestos, mineral wool or other approved incombustible material.

3.4—Ducts which pass through floors of Fireproof Construction, Semi-fireproof construction, or in buildings over three stories high and having wood floors in which vertical openings are generally protected, shall be incased in 4 inch hollow clay tile, 4 inch gypsum block, $\frac{3}{4}$ inch cement or gypsum plaster on metal lath and supported on metal studs or their equivalent. Such construction, however, shall not be required for branches which are cut off from the main portion of the duct by approved fire dampers.

3.5—No room, attic, concealed space, or other portion of a building shall be used as an integral part of a duct system unless it conforms to all the requirements for ducts. Such arrangements shall be subject to the approval of the Superintendent of the Bureau of Building Inspection. Plenum chambers which conform to all the requirements for ducts may be located in any such portion of the building; such chambers shall not be used for storage or occupational purposes. A room in which a direct fired unit is installed shall not be used as a return air plenum.

3.6—Ducts shall not be built into a building in such a way as to impair the effectiveness of the fireproofing around steel or iron structural members, such as placing ducts between the fireproofing and the members protected.

3.7—Ducts shall be substantially supported from structural members of the

building. Hangers and brackets for supporting ducts shall be of metal.

4. AUTOMATIC FIRE DOORS AND DAMPERS.

4.1—The passing of ducts through fire walls shall be avoided wherever possible. When ducts or the outlets from or inlets to them pass through fire walls, they shall be provided with approved automatic fire doors on both sides of the wall through which they pass. On small openings, not exceeding 18 inches in diameter, $\frac{3}{8}$ inch steel plates may be used in lieu of fire doors.

4.2—Fire dampers installed in the system, as required at other than fire wall openings, shall be No. 16 U. S. Gauge metal on ducts up to 18 inches in diameter or greatest width, No. 12 U. S. Gauge on diameters up to 36 inches or greatest width and No. 7 U. S. Gauge on ducts above 36 inches in width.

4.3—Fire doors and fire dampers shall be arranged to close automatically and remain tightly closed upon the operation of a fusible link or other approved heat actuated device located where readily affected by an abnormal rise of temperature in the duct. Hinged dampers shall be equipped with spring catches and pins of hinges shall be of corrosion-resistant material.

4.4—Approved fire damper shall be provided on each opening through a required fire partition.

4.5—Where ducts pass through floors, approved fire dampers shall be provided as follows:

- (a) Where such ducts serve only one floor, only one fire damper shall be required in the main supply duct from the unit and only one in the return.
- (b) Where ducts serve two or more floors, fire dampers shall be required at each direct outlet or inlet and in each branch duct at its junction with the main vertical duct. Dampers are not required at room openings in the branch duct.
- (c) Where supply ducts serve two or more floors and the vertical ducts are not enclosed in accordance with Paragraph 3.4 of this Section, there shall also be a damper in the fan discharge.

Dampers provided in ducts used solely for exhaust of air to the outside shall be installed in such a way that they will not interfere with the flow of air in the main duct. No dampers are required in a system serving only one floor and used only for the exhaust of air to the outside.

4.6—Outside air intakes shall be protected with approved automatic fire dampers. Outdoor air dampers operated by temperature control system shall be considered to meet this requirement provided gauge of metal conforms to Paragraph 4.2 of this Section.

4.7—Fire doors at openings through fire walls and fire dampers at fire partitions shall be so arranged that the disruption of the duct will not cause failure to protect the opening. This may be accomplished by locating the fire door or damper in a collar securely fastened to the wall.

5. AIR INTAKES AND OUTLETS.

5.1—Air shall not be re-circulated from any space in which objectionable quantities of flammable vapors, flyings or dust are given off.

5.2—Supply and exhaust openings and re-circulating air intakes when located less than 7 feet above floor shall be protected by a substantial grille or screen through the openings of which a ½ inch sphere will not pass.

5.3—Fresh air intakes shall be protected by screens of corrosion resistant material not larger than ¼ inch mesh.

5.4—Care shall be exercised in choosing the location of fresh air intakes to avoid drawing in combustible material and to minimize the hazard from fires in other structures.

6. AIR FILTERS.

6.1—The filtering medium of air filters shall be of incombustible materials. Ordinary combustible material which has been flame proofed and approved by the Underwriters Laboratories Incorporated for the purpose shall be construed as being incombustible. Liquid adhesive coatings on air filters shall have a flash not lower than 350 degrees F., Cleveland Open Cup Tester.

6.2—Automatic continuous operating filters using oil as the cleaning medium shall not be permitted in institutional buildings or places of public assembly

unless the oil reservoir is protected with a suitable foam type extinguisher so arranged as to operate automatically through the action of a suitable heat actuating device.

6.3—Liquid adhesive tanks into which removable filters are dipped shall be located outside the building or in a separate room cut off from other portions of the building by construction having a fire resistive rating of not less than one hour. Such tanks shall be of metal, equipped with tight fitting covers, and shall be kept tightly covered when not in actual use.

6.4—Where filters are flushed with liquid adhesives flowing through the air stream the system shall be arranged so that the filters cannot be flushed while the fan is in operation.

7. FANS.

7.1—Fans shall be so located and arranged as to afford ready access for repairing, cleaning, inspection and lubricating. They shall be placed on substantial foundations or firmly secured to substantial supports.

7.2—Exposed openings into fan housings shall be protected with substantial metal screens or gratings to prevent accidents or the entry of foreign material.

7.3—Fans and air handling equipment connected thereto such as washers, filters and heat exchangers shall be located in a room cut off from other portions of the building by construction having a fire resistance rating of not less than one hour, where either of the following conditions prevail:

- (a) The main portion of the duct system served by the fan passes through floors in buildings in which the Building Regulations of the City of Pittsburgh require that vertical openings be protected, or
- (b) The system serves more than a single room of a public or institutional building, such as schools, libraries, exhibition buildings, assembly halls, dance halls and theatres, hospitals, asylums, sanitariums and jails.

8. CONTROLS.

8.1—Each installation shall be equip-

ed with a manual control, located at a conveniently accessible point, for quick shutting down of the fan in case of fire. This location shall be submitted to the Superintendent of the Bureau of Building Inspection for his approval.

8.2—In systems using re-circulation, serving more than one story of a building, or more than one fire section of a single story, fans shall be arranged to shut down automatically when the temperature of the air in the system becomes excessive, as from fire. For this purpose an approved thermostatic device, with a maximum setting of 150 degrees F., shall be located in the system at a suitable point in the return air duct ahead of the fresh air intake. The control circuit shall be so connected that after the fan is stopped by the thermostat the fan cannot be started except manually.

9. ELECTRIC WIRING AND EQUIPMENT.

9.1—Electric wiring and equipment shall be installed in accordance with the provisions of the Electrical Regulations of the City of Pittsburgh.

Section 5.

PENALTY

Any person, firm or corporation violating any of the provisions of this ordinance shall, upon conviction thereof, be fined not to exceed one hundred dollars (\$100.00) for any one offense recoverable with costs, together with judgment or imprisonment not exceeding thirty (30) days, if the amount of said judgment and said costs shall not be paid. The non-abatement of a violation shall be considered to constitute a separate violation for every day such violation is continued.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE—Amending Section 1 and the title of Ordinance No. 60, entitled, "An Ordinance authorizing and directing the Board of Water Assessors to allow all schools in the City of Pittsburgh, supported by private charity, to receive free of charge twenty-five hundred (2500) gallons of water per annum per pupil, and providing for exonerations to that extent and the method of determining the same," approved March 15, 1919.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That Section 1 of Ordinance No. 60, entitled, "An Ordinance authorizing and directing the Board of Water Assessors to allow all schools in the City of Pittsburgh, supported by private charity to receive free of charge twenty-five hundred (2500) gallons of water per annum per pupil, and providing for exonerations to that extent and the method of determining the same," approved March 15, 1919, shall be and the same is hereby amended to read as follows:

"SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Board of Water

Assessors of the City of Pittsburgh shall be and is hereby authorized and directed to allow all public schools in the City of Pittsburgh and all schools, supported by private charity, to receive free of charge twenty-five hundred (2500) gallons of water per pupil per annum; all water used in excess thereof to be charged for at the rate of seven (7c) cents per thousand (1000) gallons."

That the title thereof shall be amended to read as follows:

"AN ORDINANCE authorizing and directing the Board of Water Assessors to allow all public schools in the City of Pittsburgh and all schools supported by private charity to receive free of charge twenty-five hundred (2,500) gallons of water per pupil per annum, and providing for exonerations to that extent; the method of determining the same, and the rate to be charged for water in excess thereof."

AN ORDINANCE—Amending Zoning Ordinance No. 372, approved August 9, 1923, by making a change in Section 3, Definitions; by adding a new Section 12½, and by conferring an additional power upon the Board of Adjustment.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* Zoning Ordinance No. 372, approved August 9, 1923, be and the same is hereby amended as follows:

Add a new paragraph to Section 3, which shall read:

Parking Lot: Any lot or part thereof on which one or more vehicles are only stored or kept, not included within other definitions of this Ordinance.

Add a new Section 12½. In Neighborhood Retail and "A" and "B" Residence Districts a Parking Lot may be established or enlarged, provided it is designated as a Parking Lot in a plan of lots or subdivision plot approved by the Department of City Planning.

Add a new paragraph to the lettered part of Section 54, which shall read:

For a temporary Parking Lot in a

Neighborhood Retail or an "A" or "B" Residence Use District, provided:

(1) There are filed with the application for permit the written consents of the owners, in interest and number, of sixty (60) percent of all the property within two hundred (200) feet of the proposed parking lot and not separated therefrom by more than one street forty (40) feet or more in width. In computing the percentage of consents required under this provision, so much property as is already used for Parking Lots, Major Garages, Gasoline Service Stations, commercial or industrial purposes shall be counted as consenting. Property owned by the applicant shall not be included in such to the character of the district;

(2) The Board determines that such use is reasonably necessary and essential for the public convenience or welfare and not seriously detrimental consents.

(3) The permit for the same shall be (a) issued for a period no longer than five (5) years, (b) revocable should conditions imposed by the Board be not complied with, (c) renewable under like conditions at the discretion of the Board;

(4) No sales are made on the premises and the parking is (a) supervised, (b) of only non-commercial power driven vehicles without quarters or equipment for living;

(5) Safeguards are established with respect to sanitation, noise, traffic movement, general safety and amenity;

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works to enter into an agreement for and on behalf of the CITY OF PITTSBURGH with the TOWNSHIP OF SHALER, providing for the grading of MANHATTAN AVENUE in the Township, and waiving any claim for property damages, for property owned by the City on account of said grading.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works are hereby authorized and directed to enter into an agreement for and on behalf of the City of Pittsburgh with the TOWNSHIP OF SHALER, in manner and form as follows:*

THIS AGREEMENT

MADE and entered into this----- day of -----, 194--, by and between the CITY OF PITTSBURGH, party of the first part, and the TOWNSHIP OF SHALER, party of the second part, both being municipal corporations of the Commonwealth of Pennsylvania; WITNESSETH:

WHEREAS, it is mutually advantageous to the parties hereto that the Township of Shaler grade MANHATTAN AVENUE, as situated in the Township, from Koehler road to a point 485.0 feet eastwardly from the center line of Koehler road; and

WHEREAS, the City is the owner of property fronting 244.98 feet on the south side of MANHATTAN AVENUE, being Lots Nos. 1 to 9, inclusive, in the A. Hartuppee's Revised Plan of Lots, of record in the Recorder's Office of Allegheny County in Plan Book Volume 14, page 147;

NOW, THEREFORE, the parties hereto, for and in consideration of the mutual covenants and conditions hereinafter specified, do hereby agree as follows:

I.

The Township agrees to grade MANHATTAN AVENUE, from Koehler road to a point 485.0 feet eastwardly from the center line of Koehler road, to conform to the grade as shown on the plan, profile and cross-sections for the improvement of MANHATTAN AVENUE, dated August 21, 1941, as prepared by F. G. Ross, Registered Professional Engineer, and further identified as No. B-964 and B-965, copies of said plans being on file in the Bureau of Water, Distribution Division, and in the Bureau of Engineering, Division of Surveys, of the City.

II.

The Township agrees that the width of the grading adjacent to the City property shall conform to the width of the grading shown on the cross-sections, the grading to be done by and paid for by the Township, and at no expense to the City, and the City property shall be free of all assessments for the cost of the grading.

III.

In consideration of this grading to be done by and paid for by the Township, the City of Pittsburgh agrees to waive all claims for damages to the property owned by the City, due to said grading.

IV.

The Township shall maintain MANHATTAN AVENUE as graded and its slopes and drainage facilities so as to prevent the formation of ditches on the City property, and the washing of additional material on said property beyond the lines and slopes, as shown on the plan.

V.

This agreement shall become effective from the date of its execution.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be duly executed the day and year first above written.

AN ORDINANCE — Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1942.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the revenues of said City derived from taxes and other sources for the fiscal year beginning January 1, 1942, and ending December 31, 1942, are hereby appropriated in the sum of \$24,032,835.53 to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1942, and ending December 31, 1942, as well as all encumbrances incurred prior to January 1, 1942, for which services have not actually been rendered, or supplies, materials or equipment actually delivered prior to December 31, 1941, and so reported to the City Controller. Said encumbrances shall be charged to the proper appropriation accounts for the fiscal year 1942 and cancelled in the 1941 appropriation accounts against which encumbrances had been originally charged, and all unexpended balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year 1941, shall be and the same are hereby ordered to be cancelled, except such amounts as shall be required for payment for services actually rendered, or supplies, materials or equipment actually delivered prior to December 31, 1941, and so reported to the City Controller, or such amounts as shall be directed to be carried over to the fiscal year 1942, by resolution or ordinance of Council.

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation items shall be administered subject to and in conformity with the following terms and conditions:

(a) Data required for preparation of payrolls shall be submitted to the City Controller in such form, and at

such times, as he may prescribe, this data to include records of employment, time worked, whether compensation is based upon hours or days worked, quantity of work performed, or upon a monthly or annual salary basis, and such other records or reports with reference to personal service as may be required.

(b) Payrolls shall be prepared by the City Controller upon the basis of such records or reports, and submitted by him to the respective directors or heads of departments or offices for approval and certification in such form as he may prescribe.

(c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance unencumbered and available in the appropriation item from which the transfer is to be made.

Section 3. No obligation shall be incurred by any department of the City government other than for salaries or wages, or for necessary expenses of employees when engaged upon City business, except through the issue of an order, stating the service to be rendered, work performed, or supplies, materials or equipment to be furnished together with the estimated cost of the same. The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department, provided, however, that no requisition of any department shall be filled by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts herein-after appropriated therefor respectively. Purchases made by the Director of the Department of Supplies to go into stores shall be paid for from the fund pro-

vided for such purposes, and when and as directed by the City Controller; said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. Council may, by resolution of the Finance Committee, from time to time, restrict expenditures from the appropriations made hereby, both as to amounts of expenditure and the periods within which such expenditures may be

made, and may also, by resolution of the Finance Committee at any time cancel in whole or in part any unencumbered balance of any of said appropriations.

Section 5. For purposes of administration and accounting control, the code symbols indicated herein shall be considered as part of the appropriation titles.

Whereas, The custom prevails in the City of Pittsburgh of making leases for dwelling houses and apartments to expire on April 30th; and,

Whereas, Such custom results in general removals by tenants within a limited period, causing traffic congestion, overtaxing of facilities for moving household goods and preventing the city from enforcing its regulations respecting inspection of vacated premises to the detriment of the health of its citizens, and,

Whereas, Such conditions imperatively demand correction and the City under its present charter possesses no power to legislate in respect thereto; Now, Therefore, be it

Resolved, That the General Assembly

of the Commonwealth of Pennsylvania be requested to enact such legislation as will provide for the so-called staggering of leases for dwelling houses and apartments in cities of the second class within the Commonwealth, or empower the Councils of said cities to enact legislation of such character; And, be it further

Whereas, Mrs. Elizabeth Bishop died at Mayview about four years ago; and

Whereas, At the time of her entrance into said institution the Potter Title and Trust Company, as Guardian of her Estate, had about \$1,800.00 to her credit, which amount was gradually used up for maintenance at the institution; and

Whereas, Her cousin, Mrs. Catherine Gallagher, had been informed that there would be about \$200.00 balance left in the Estate and, accordingly, made arrangements with Kirwan Flannery Funeral Service to bury her and found out later that this money had all been used up; and

Whereas, In view of the above, the Finance Committee ordered that the undertaker be paid the amount of \$50.00 toward the payment of this bill, which is the amount allowed for such burials; Therefore, be it

Resolved, That the Mayor be and he is hereby authorized and directed to issue, and the City Controller to countersign, a warrant in favor of Kirwan Flannery Funeral Service in the sum of \$50.00 toward the payment of the funeral expenses of Mrs. Elizabeth Bishop, as aforesaid, and charge same to Code Account No. 42, Contingent Fund.

Whereas, Pursuant to agreement authorized by Ordinance No. 735 of 1939, John M. McGinnis conveyed to the City of Pittsburgh certain land in the 18th Ward, after paying all County and School taxes thereon under the Abatement Act of 1939, and thereafter

complied with other provisions of said agreement in full; and,

Whereas, The consideration for such land in the sum of \$19,300.00, instead of being applied to delinquent City taxes at face, under the Abatement Act of 1939, was applied by the City to taxes, penalty and interest, on part of the balance of such land in the 18th Ward, to which John M. McGinnis retained title; and,

Whereas, If the aforesaid sum had been applied to the remaining land at face, under the Abatement Act of 1939, the said sum would have been more than sufficient to pay all delinquent City taxes for 1939 and prior years on land retained under said agreement; and,

Whereas, Certain sewer liens of the City were filed against part of the land retained by John M. McGinnis and were overlooked in the negotiations leading to the aforesaid agreement; Therefore, be it,

Resolved, That the proper officers of the City upon payment of the above mentioned sewer lien, together with penalty and interest thereon, are hereby authorized and directed to exonerate and satisfy of record all delinquent City taxes for 1939 and prior years, assessed against lots in the "Bon Air" Plan, 18th Ward, retained by John M. Whereas, the "Municipalities" on September 9, 1940, at a sale by the Sheriff of Allegheny County on execution of the City of Pittsburgh vs. Pittsburgh Valve Foundry and Construction Company at D.T.D. Lev. Fa. No. 262 October Term 1934, in the Common Pleas Court of said County, and pursuant to a certain agreement between said Municipalities dated February 2, 1940, and recorded in Ordinance Book Vol. 50, page 501, became the successful bidders at said sale, and,

Whereas, by deed acknowledged September 21, 1940, and recorded in the Recorder's Office of Allegheny County in Deed Book Vol. 2679, page 251, the Sheriff of Allegheny County conveyed to said Municipalities inter alia the hereinafter described real estate, and,

Whereas, the Fort Pitt Chemical Company, a corporation, desires to purchase the hereinafter described real estate after the period for redemption expires, or prior thereto if possible; Therefore be it

Resolved, that the Mayor and the Director of the Department of Lands and Building are, hereby authorized and directed to enter into an agreement jointly with the County of Allegheny and the School District of Pittsburgh together hereinafter called "Municipalities," on the one part, and the Fort Pitt Chemical Company, a corporation, on the other part, for the sale of real estate owned jointly by said Municipalities, under terms and conditions, and in manner and form as follows:

THIS AGREEMENT

Made and entered into this ----- day of -----, 1941, by and between the City of Pittsburgh, County of Allegheny and School District of Pittsburgh, together hereinafter called "Municipalities"; and the Fort Pitt Chemical Company, a corporation, for and in consideration of the mutual covenants and conditions hereinafter specified, Witnesseth:

1. That the said Fort Pitt Chemical Company, a corporation, hereby covenants and agrees to pay the sum of Twenty-two Thousand (\$22,000.00) Dollars to said Municipalities within thirty days from September 21, 1941, in pur-

chase of and the said Municipalities hereby covenant and agree to convey to the said Fort Pitt Chemical Company all their right, title and interest of, in and to the following described real estate:

"All those certain lots or parcels of land situate in the Second Ward, of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, described in the Sheriff's deed to said Municipalities recorded in the Recorder's Office of Allegheny County in Deed Book Vol. 2679, page 251, as Lot 100/120 Smallman street, corner 26th Street (0.276A), two story brick stable, one story brick blacksmith shop and carpenter shop. Lot 100/120 Railroad street, corner 26th Street (0.276A)."

2. It is mutually agreed between the parties hereto that in the event additional time is required to perfect the tax title so as to convey a good and marketable title free and clear of all encumbrances, the thirty days mentioned in the first paragraph hereof shall be extended to at least six months.

3. That it is also mutually agreed that in the event the right of redemption is taken advantage of by the former owner or mortgagee this agreement shall be null and void; and also that in the event the Fort Pitt Chemical Company secures an assignment, release, or quit claim to all rights of redemption this agreement may be consummated at any time before the period for redemption expires.

4. That it is mutually agreed between the Municipalities that the purchase money of \$22,000.00 if necessary shall first be applied to the payment of the claim of the Commonwealth of Pennsylvania in the sum of \$464.39 as filed with the Sheriff at No. 262 October Term 1934, or such compromise of the same as may be made with the Commonwealth, and the balance distributed 45% to the City of Pittsburgh, 29% to the County of Allegheny and 26% to the School District of Pittsburgh which is in proportion to their respective claims filed with the Sheriff of Allegheny County at the aforesaid number and term.

5. It is also mutually agreed between the parties hereto that if any City, County or School taxes have been levied

against the aforesaid premises for the year 1941, they shall not be paid by the Fort Pitt Chemical Company.

This agreement is authorized and executed pursuant to a resolution of the Commissioners of Allegheny County approved at a regular meeting on -----, 1941; by the School District of Pittsburgh at a regular meeting of the Board of Public Education on -----, 1941; and by the City of Pittsburgh pursuant to Resolution No. ----- approved by the Mayor -----, 1941, and recorded in Resolution Book, Vol. -----, page -----.

Whereas, Under date of October 27, 1931, there were deposited with the Colonial Trust Company, as custodian, certain notes, both promissory and judg-

ment, and other collateral as security for the account of the City of Pittsburgh with the Pennsylvania Trust Company, now in liquidation by the Secretary of Banking of the Commonwealth of Pennsylvania, Receiver; and

Whereas, On October 4, 1938, the City of Pittsburgh by Order of the Court of Common Pleas of Allegheny County, Pennsylvania at No. 3721 January Term 1934 acquired the absolute ownership and possession of the unconverted pledged security deposited under said agreement with the Colonial Trust Company, as trustee; and

Whereas, Included among such securities was and is note No. 4148, dated June 1, 1926 in the sum of \$1,027.50, now reduced to \$787.61, plus \$203.00 as interest to date. Said note is entered as a judgment at D.S.B. No. 225 January Term 1938; and

Whereas, The said L. B. Cook has offered the sum of \$200.00 to secure the release of the lien of said judgment against four unimproved lots of ground, being lots numbered 91, 183, 184 and 185 in the Hays Park Plan of lots as recorded in the Recorder's Office of Allegheny County in Plan Book Volume 18, pages 178 and 179, said lots being situated in the Borough of Whitaker, Allegheny County, Pennsylvania; Now, Therefore, Be It

Resolved, That Edward R. Frey, City Controller, be and is hereby authorized and directed to accept the sum of \$200.00 for the release of the lien of said judgment against said lots, and the City Solicitor is authorized and directed to enter such release upon the record of such judgment in the office of the Prothonotary of Allegheny County.

No. 391

The most important date in American history is July 4th, 1776, when it was announced to the world that all men are created free and equal and they are endowed by their creator with certain inalienable rights, and among those are life, liberty and the pursuit of happiness.

There cannot be any happiness in life without freedom and liberty, but no democracy can exist by the mere announcement to the world of principles and ideals of human relationships. The founding fathers recognized that liberty and freedom would disappear unless they were guaranteed in no uncertain words and those words had the sanction of law. At the very first session of the first Congress a resolution was adopted submitting to the

several State Legislatures the first ten articles of amendment to the Constitution of the United States. These amendments are known as "The Bill of Rights," and the ratification of the amendments by the required number of States was obtained when Virginia approved the amendments on December 15, 1791. And to Americans, December 15, 1791, should be a date next in importance in our history to that of July 4, 1776.

American Democracy cannot exist without freedom of religion, freedom of speech, freedom of the press, freedom of assembly and freedom to petition the government for redress of grievances. These are five foundation stones that support the temple of democracy and are contained in the first amendment.

Among other provisions of the Bill of Rights which are no less important are: that no soldier in time of peace be quartered in our homes; that we have the right to be secure in our homes against unreasonable search and seizure; trial by jury; the right to compensation for private property taken for public use, and the prohibition against excessive bail, fines and punishments.

Never in the history of mankind did a greater necessity exist to reaffirm the principles of the Bill of Rights than today. December 15, 1941, the 150th anniversary of the ratification of the Bill of Rights, should be an occasion for every city, town and hamlet in the United States to participate in the celebration of this very significant event in our history.

The Congress of the United States, by appropriate resolution, has designated December 15, 1941, as "Bill of Rights Day." Nation-wide celebrations by schools, veteran and other civic groups, labor unions and churches of all creeds are being organized to fittingly commemorate this most significant event in American history. Therefore, be it

Resolved, That the Mayor of the City of Pittsburgh be empowered to appoint a committee of public-spirited citizens to make the necessary arrangements for participation by the City of Pittsburgh

in the celebration of "Bill of Rights Day" on December 15, 1941.

Whereas, the Home Insurance Company, as duly authorized agent for the First National Bank of Mantau, Ohio, owner of wrecked 1937 Buick Sedan,

Motor No. 43166534, Serial No. 2999891, has offered the sum of \$40.00 in full settlement of certain towing or impounding charges now imposed against said vehicle and due the City of Pittsburgh, and

Whereas, it appears that the offer of settlement is one half of the proceeds to be derived from the sale of said automobile to automobile wreckers, and

Whereas, it is evident from previous sales at auction, under Order of Court, of vehicles of similar nature which have been towed and impounded, that the said offer is in excess of such sums as could be realized by sale in the usual manner, under Order of Court, Now, Therefore, be it

Resolved, That the City Treasurer of the City of Pittsburgh is hereby authorized and directed to accept the aforesaid sum of \$40.00 in full satisfaction of the claim of the City of Pittsburgh for towing and impounding charges, and is hereby ordered and directed, upon receipt of the aforesaid sum, to deliver through the said wrecked Buick Sedan automobile to the Home Insurance Company, through its proper agent.
